The Last Days of Europe Walter Laqueur, 2025-04-16 In Brussels in 2004 more than 55 percent of the children born were of immigrant parents Half of all female scientists in Germany are childless According to a poll in 2005 more than 40 percent of British Muslims said Jews were a legitimate target for terrorist attacks What happens when a falling birthrate collides with uncontrolled immigration The Last Days of Europe explores how a massive influx from Asia Africa and the Middle East has loaded Europe with a burgeoning population of immigrants many of whom have no wish to be integrated into European societies but make full use of the host nations generous free social services One of the master historians of twentieth century Europe Walter Laqueur is renowned for his gold standard studies of fascism terrorism and anti-Semitism Here he describes how unplanned immigration policies and indifference coinciding with internal political and social crises have led to a continent wide identity crisis Self ghettoization by immigrant groups has caused serious social and political divisions and intense resentment and xenophobia among native Europeans Worse widespread educational failure resulting in massive youth unemployment and religious or ideological disdain for the host country have bred extremist violence as seen in the London and Madrid bombings and the Paris riots Laqueur urges European policy makers to maintain strict controls with regard to the abuse of democratic freedoms by preachers of hate and to promote education productive work and integration among the new immigrants Written with deep concern and cool analysis by a European born historian with a gift for explaining complex subjects this lucid unflinching analysis will be a must read for anyone interested in international politics and the so called clash of civilizations

Franco-Maghrebi Artists of the 2000s Ramona Mielusel, 2018-11-26 In Franco Maghrebi Artists of the 2000s Transnational Narratives and Identities Ramona Mielusel offers an account of the way how young artists writers filmmakers actors singers photographers contemporary migrant artists of Maghrebi origin residing in France during the last twenty years 2000 2016 contest French national identity in their work Mielusel's interest lies in analyzing the impact that these minor artists and their chosen genres have on mainstream cultural productions She argues that constant displacement and changes in political social and cultural contexts have significantly transformed the dynamics that govern the relationship between the center Metropolitan France and the periphery its Others Most importantly she seeks to position their work in the field of transnationalism which has dominated postcolonial studies and cultural studies in the past decade

I Die by This Country Fawzia Zouari, 2018-04-11 The first novel available to English readers by Fawzia Zouari one of the most important North African authors writing today begins with an emergency crew's arrival at a Parisian apartment Two emaciated young women sisters are brought out on stretchers To the crowd of onlookers the women's condition is mystifying for the two sisters this is the inescapable end to a tragic series of events Inspired by an actual news story from the French headlines I Die by This Country introduces us to Nac ra and Amira Casting her mind back in the midst of the opening pages upheaval Nac ra pieces together her fragmentary knowledge of her parents lives in rural French Algeria

and their immigration to Paris in the years following Algeria's war for independence Her memories of how both she and Amira struggled to find their place as children of immigrants reveals the enormous stress of social exclusion and identity conflicts facing immigrant youth Nac ra and her family yearn for acceptance but the reader sees this dream becoming increasingly unattainable Zouari's frank prose and penetrating storytelling deftly relates the multigenerational experience of Franco Algerian immigration during the last quarter of the twentieth century As France continues like so many western countries to struggle with questions regarding national identity immigration and its colonial past the experiences depicted in this novel resonate more than ever
