Sweeney,2022-09-15 Most people living in the last quarter of the twentieth century knew Mother Teresa by name and appearance They could also identify her as the saint of the gutters of Calcutta Two years after her death she was still recognized as the most admired person of the century So what is there still to say about her Quite a bit as it turns out The story of both her public and private lives remains little known and we continue to grapple with the extraordinary things she did as well as the way that she interpreted the vocation of any would be follower of Jesus This biography shows Mother Teresa as the first great saint of television We came to know her on the screen and as such we felt we knew her in a way that we could not have known the saints before her Presented in three parts this biography looks at the preparation the call and the legacy of the extraordinary woman whom Pope Francis named Saint Teresa of Calcutta in 2016 Mother Teresa Murzaku, Ines Angeli,2021 A biography of Mother Teresa that pays close attention to how her childhood in Albania affected her spiritual and pastoral development **A Revolution of Love** David Scott,2009-04-09 In this Mother Teresa biography by David Scott we meet the Mother Teresa that we would never have met simply from television interviews or news images A complex figure Mother Teresa found her life s work only
