Termination Dust:

Termination Dust Sue Henry, 2015-06-08 Alaska is a great place to visit and a bad place to die It is said that when the first snow of early winter the termination dust starts to fall it s time for visitors to leave Alaska s wonders behind For some it s already too late Jim Hampton s Yukon vacation takes a turn for the worse when he discovers a prospector s diary from the 1800s And it dies when the rugged outdoorsman is arrested for the gruesome slaying of a controversial ex Senator But Alex Jensen isn t convinced of Hampton s guilt And the dedicated state trooper is ready to track the bitter truth through the treacherous snows of the Yukon wilderness and in the pages of a mysterious hundred year old journal which describes crimes remarkably similar and deadly **Doyle Flynn's Alaskan Environmental Crime Story** Roany Phelan, 2012-08 Doyle Flynn disbarred Alaska environmental lawyer afflicted by depression recently divorced is haunted by ghosts both living and dead Fate in the form of an aged Chinese businessman from Doyle s past gives to Doyle the opportunity for deliverance from his transgressions present and past The opportunity comes in the form of an assignment uniquely suited to Doyle s conscientious nature grit and training in environmental law The issue is whether Doyle confronted by threats internal and external can beat the odds and break the cycle of self destruction he has been heretofore unable to rise above Where better to test Doyle s resolve than in the Alaska he inhabits *A Venture In Faith* Carol Weishampel, Ed.D., 2009-05-01 Stalked by her abusive ex husband and in fear for her life Leah Gray plans an escape Leah s faith in God and in humanity shattered when she is forced out of her comfort zone she secretly purchases a used motor home as a mobile hide out and prepares to pursue a search for a meaningful life Intrigued by her father s stories of building the Alaska Highway Leah determines to flee into the Alaska wilderness On her road trip from Texas to Alaska she encounters empowering women who encourage her on her road to self discovery Leah s fear of men intensifies when she is forced to trust Barret an Alaskan mountain man Can Leah stop running and find healing and love and return to her faith in God *Ice Ages and Interglacials* Donald Rapp, 2019-04-13 This book provides a detailed review of terminations of ice ages including a very attractive theory based on dust deposits on ice sheets While other books on ice ages are mostly short popular and non technical the only book that attempts to deal with the broad issues of what we know about past ice ages and why they occur is the book by Muller and MacDonald M M published by Praxis However despite its many good features this book suffers from an inordinate emphasis on spectral analysis a lack of coverage of new data and a very confusing sequence of chapters As a result the data and theory are so intimately entwined that it is difficult to separate one from the other This volume provides an independent and comprehensive summary of the latest data theories and analysis This third edition of what has become the premier reference and sourcebook on ice ages addresses recent topics and includes new references new data and a totally new greatly expanded treatment of terminations of ice ages Termination Dust Susanna Mishler, 2014 Susanna J Mishler pays meticulous attention to the elements of a ravishing damaged stern but fragile world she uncovers real beauty in the linkages And makes real beauty too Linda

Gregerson *Looking for Alaska* Peter Jenkins,2014-03-18 More than twenty years ago a disillusioned college graduate named Peter Jenkins set out with his dog Cooper to look for himself and his nation His memoir of what he found *A Walk Across America* captured the hearts of millions of Americans Now Peter is a bit older married with a family and his journeys are different than they were Perhaps he is looking for adventure perhaps inspiration perhaps new communities perhaps unspoiled land Certainly he found all of this and more in Alaska America's last wilderness *Looking for Alaska* is Peter's account of eighteen months spent traveling over twenty thousand miles in tiny bush planes on snow machines and snowshoes in fishing boats and kayaks on the Alaska Marine Highway and the Haul Road searching for what defines Alaska Hearing the amazing stories of many real Alaskans from Barrow to Craig Seward to Deering and everywhere in between Peter gets to know this place in the way that only he can His resulting portrait is a rare and unforgettable depiction of a dangerous and beautiful land and all the people that call it home He also took his wife and eight year old daughter with him settling into a home base in Seward on the Kenai Peninsula coming and going from there and hosting the rest of their family for extended visits The way his family lived how they made Alaska their home and even participated in Peter's explorations is as much a part of this story as Peter's own travels All in all Jenkins delivers a warm funny awe inspiring and memorable diary of discovery both of this place that captures all of our imaginations and of himself all over again *T.C. Boyle Stories II* T.C. Boyle,2014-09-30 The second volume of collected short fiction from the New York Times bestselling author of *The Tortilla Curtain* featuring fifty eight short stories that mix brilliance with high concept pyrotechnics Los Angeles Times including fourteen never before published tales Whether he's writing about survival in a wasted environment or people and animals coming unhinged Boyle never fails to captivate to deliver his ideas within the conveyance of first class storytelling San Francisco Chronicle By turns mythic and realistic farcical and tragic ironic and moving T.C. Boyle's stories map a wide range of human emotions The fifty eight stories in this volume gathered from *Wild Child* *Tooth and Claw* and *After the Plague* plus fourteen marvelous new tales reflect his mordant wit emotional power and exquisite prose Along with the satires and tall tales that established his reputation *T.C. Boyle Stories II* includes stories speaking to contemporary social issues from air rage to abortion doctors and character driven tales of quiet power and passion Others capture timeless themes from first love and its consequences to confrontations with mortality or explore the conflict between civilization and wildness Boyle engagingly tests his characters emotional and physical endurance whether a group of giants being bred as weapons of war in a fictional Latin American country a Russian woman who ignores dire warnings in returning to her radiation contaminated home a hermetic writer who gets more than a break in his routine when he travels to receive a minor award or a man in a California mountain town who goes a little too far in his concern for a widow *T.C.
