perspective this unit can be construed as a post Deuteronomistic redactional interpolation polemically directed against several planks of the Deuteronomistic agenda In the synchronic perspective the pattern of relationship between 1 Samuel 1 8 and the balance of Genesis Kings calls for a non linear multi dimensional reading of the corpus Both interpretational trajectories lead to the conclusion that the thrust of the Former Prophets in its final form is controlled to a considerable extent by non Deuteronomistic elements **Catalogue of Tabor College ...
