## **Terms Of Love:**

Romantic Love Yolanda van Ede,2006      **Love's Curriculum** Jenny Hogg Ashwell,2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love s Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council s gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul s assignment to scribe Love s Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love s Curriculum gently awaken within you the memory of Love as you uncover your soul s Divine purpose Let it guide you to ignite Love in the world The time has come to join in the Awakening We wish for you to read Love s Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love s Curriculum help you on your journey to awaken to Love It is time The High Council      **The Love of God** John C. Peckham,2015-07-28 Theology has constantly wrestled with the nature of God s love and what it means for how God relates to the world In this comprehensive canonical theology of divine love John C Peckham argues for an account that avoids the errors of both voluntarist and experientialist theologies and faithfully represents the full biblical witness      **The Intercourse of Knowledge** Athalya Brenner,1997 This groundbreaking book which builds on the author s earlier work in On Gendering Texts studies how by what means and to what extent human love desire and sex and possibly even sexuality are gendered in the Hebrew Bible Following a classification and gendering of the linguistic and semantic data the investigation looks into the construction of male and female bodies in language and ideologies the praxis and ideology of sex procreation and contraception deviation from socio sexual boundaries e g incest rape adultery homosexuality prostitution eroticism and pornoprophetics Finally the work discusses some of the wider sociological and theological implications of the findings      Holding Forth the Word of Life John de Jong,Csilla Saysell,2020-04-09 Holding Forth the Word of Life is a collection of essays offered to honor Tim Meadowcroft on his retirement from Laidlaw College An international authority on Daniel over the last twenty five years Tim has established himself as one of New Zealand s leading biblical scholars While specializing in Old Testament Tim has taught and published in New Testament as well as hermeneutics and theological interpretation of Scripture Beyond academic work he has also remained committed to the church and its voice in wider society This collection of essays written by leading scholars from New Zealand and beyond covers all of these areas Old Testament New Testament intertestamental texts hermeneutics theological interpretation of Scripture reception history and theological reflection on pressing issues facing society

**Politics and the Order of Love** Eric Gregory, 2008-08-15 Augustine for all of his influence on Western culture and politics was hardly a liberal Drawing from theology feminist theory and political philosophy Eric Gregory offers here a liberal ethics of citizenship one less susceptible to anti liberal critics because it is informed by the Augustinian tradition The result is a book that expands Augustinian imaginations for liberalism and liberal imaginations for Augustinianism Gregory examines a broad range of Augustine s texts and their reception in different disciplines and identifies two classical themes which have analogues in secular political theory love and related notions of care solidarity and sympathy and sin as well as related notions of cruelty evil and narrow self interest From an Augustinian point of view Gregory argues love and sin constrain each other in ways that yield a distinctive vision of the limits and possibilities of politics In providing a constructive argument for Christian participation in liberal democratic societies Gregory advances efforts to revive a political theology in which love s relation to justice is prominent **Politics and the Order of Love** will provoke new conversations for those interested in Christian ethics moral psychology and the role of religion in a liberal society

**A Common Word** Miroslav Volf, Prince Ghazi bin Muhammad bin Talal, Mellisa Yarrington, 2009-12-30 In late 2007 Muslim leaders from around the world together issued in the pages of The New York Times an open letter to Christian leaders inviting cooperation as a step toward peace That letter **A Common Word between Us and You** acknowledged real differences between the two faiths but nonetheless contended that righteousness and good works should be the only areas in which they compete The 138 signatories included over a dozen grand muftis an ayatollah and a Jordanian prince and the document was widely considered a groundbreaking step toward reconciliation between Islam and Christianity two major religions with a great deal in common That original letter and a collaborative Christian response **Loving God and Neighbor Together** both appear in this remarkable volume Building on those original momentous documents **A Common Word** further includes subsequent commentary and dialogue between Muslim and Christian scholars addressing critical and frequently asked questions All in all this eventful book encapsulates a brave and encouraging move toward harmony and accord between two world religions so often seen to be at odds

**Law in the Courts of Love** Peter Goodrich, 2002-11-01 **Law in the Courts of Love** traces the literary history and diversity of past legal systems These minor jurisprudences range from the spiritual laws of the courts of conscience to the code and judgements of love handed down by women s courts in medieval France Professor Goodrich presents the 15th Century Courts of Love in Paris as one instance of an alternative jurisdiction drawn from the diversities of the legal and literary past Their textual records are correspondingly mixed in genre being in the form of poems narratives plays treaties and judicial decisions More broadly these studies trace certain boundaries of modern law and make up one of many forms of legal knowledge which escape today s vision of a unitary law The author believes that the unquestionable faith in a unity law and its distance from person and emotion is precisely what makes impossible the attention to the individual that justice ultimately requires **Law in the Courts of Love** shows how the historical diversity of forms and procedures of law can competently form the basis for

critical revisions of contemporary legal doctrine and professional practice This book will be of interest to undergraduate and postgraduate students of law and literature critical legal studies and legal history or anyone wishing to specialise in feminist legal theory     **Ethnolinguistics and Cultural Concepts** James W. Underhill,2012-05-17 An original approach to

ethnolinguistics discussing how abstract concepts such as love and hate are expressed across cultures and ethnicities

**Communication, Love, and Death in Homer and Virgil** Stephen Ridd,2017-08-24 Homer s Iliad and Odyssey and Virgil s Aeneid are three of the most important and influential works of Western classical literature Although they differ in subject matter and authorship these epic poems share a common purpose to tell the deeds both of men and of the gods Written in an accessible style and ideally suited for classroom use Communication Love and Death in Homer and Virgil offers a unique comparative analysis of these classic works As author Stephen Ridd explains the common themes of communication love and death respond to deeply ingrained human needs and are therefore of perennial interest Presenting select passages from the original Greek and Latin texts translated here into modern English Ridd explores in detail how the characters within the poems communicate on these subjects with one another as well as with the reader Individual chapters focus on subjects such as the traditions of singing and storytelling relationships between sons and mothers the role of Helen of Troy and her ties to the men in her life and communication with the dead Throughout his analysis Ridd treats the three poems on an equal basis revealing similarities and differences in their handling of prevalent themes By introducing readers to a new way of reading these abiding classics Communication Love and Death in Homer and Virgil enhances our appreciation of the imaginative world of ancient Greek and Roman epic poetry     **The Human Quest for Meaning** Paul T. P.

Wong,2013-06-19 The first edition of The Human Quest for Meaning was a major publication on the empirical research of meaning in life and its vital role in well being resilience and psychotherapy This new edition continues that quest and seeks to answer the questions what is the meaning of life How do we explain what constitutes meaningful relationships work and living The answers as the eminent scholars and practitioners who contributed to this text find are neither simple nor straightforward While seeking to clarify subjective vs objective meaning in 21 new and 7 revised chapters the authors also address the differences in cultural contexts and identify 8 different sources of meaning as well as at least 6 different stages in the process of the search for meaning They also address different perspectives including positive psychology self determination integrative narrative and relational perspectives to ensure that readers obtain the most thorough information possible Mental health practitioners will find the numerous meaning centered interventions such as the PURE and ABCDE methods highly useful in their own work with facilitating healing and personal growth in their clients The Human Quest for Meaning represents a bold new vision for the future of meaning oriented research and applications No one seeking to truly understand the human condition should be without it     **Emotions** Monica Greco,Paul Stenner,2013-10-31 Are emotions becoming more conspicuous in contemporary life Are the social sciences undergoing an affective turn This Reader gathers

influential and contemporary work in the study of emotion and affective life from across the range of the social sciences Drawing on both theoretical and empirical research the collection offers a sense of the diversity of perspectives that have emerged over the last thirty years from a variety of intellectual traditions Its wide span and trans disciplinary character is designed to capture the increasing significance of the study of affect and emotion for the social sciences and to give a sense of how this is played out in the context of specific areas of interest The volume is divided into four main parts universals and particulars of affect embodying affect political economies of affect affect power and justice Each main part comprises three sections dedicated to substantive themes including emotions history and civilization emotions and culture emotions selfhood and identity emotions and the media emotions and politics emotions space and place with a final section dedicated to themes of compassion hate and terror Each of the twelve sections begins with an editorial introduction that contextualizes the readings and highlights points of comparison across the volume Cross national in content the collection provides an introduction to the key debates concepts and modes of approach that have been developed by social scientist for the study of emotion and affective life
