Terra Firma The Earth Not A Planet Prove:

Terra Firma: the Earth Not a Planet, Proved from Scripture, Reason, and Fact David Wardlaw Scott, 2016-09-06 In this compelling work on Flat Earth Theory David Waldo Scott uses a collection of scripture reason and fact to argue against the idea that the earth is a planet Since its publication in 1901 Terra Firma the Earth Not a Planet Proved From Scripture Reason and Fact has become one of the primary texts on the subject and is a wonderful insight into the philosophy of a bygone age Focussing on the work made by modern astronomers Scott draws on testimonies from travellers past biblical scriptures as well as other concepts from flat earth theorists to produce a wide ranging collection of evidence to support his argument Chapters in the book include The Adamic Creation The Nebular Hypothesis Examination of Three Alleged Proofs of the World s Globularity The World Circular But Not Globular Has Immovable Foundations Therefore Not a Planet The Horizontality of Land and Water Proved The Sun Moon and Stars According to Modern Astronomy The Deluge Biblical Account Despite being written over a decade ago this work by David Waldo Scott continues to inspire modern generations This edition by Read Co Books features an introduction to astronomy and is an interesting read for those interested in Flat Earth Theory and Christianity

Terra Firma David Scott, 2016-01-19 Early work on The Flat Earth was originally published in 1901 It comprises a comprehensive series of essays which uses scripture reason and fact to prove that the earth is not a planet but is indeed a flat plane This is a reproduction of the original book Unfortunately no biographical information on this Author is available

TERRA FIRMA DAVID WARDLAW. SCOTT, 2018 Terra Firma David Wardlaw Scott, 2019-11-16 David Wardlaw Scott examines and criticizes a variety of sources who claim the earth to be round as a proponent of flat earth theory Scott argues against this view A strong supporter of flat earth theory Scott focuses upon the claims made by a group he terms Modern Astronomers Their assertions about the Earth s shape orbit and other characteristics are in the author s view incorrect Drawing on a combination of testimonies from sailors and other voyagers to faraway lands passages from scripture and the assertions of fellow flat earth theorists Scott lists dozens of reasons why the Modern Astronomers are misguided and wrong To name but a few examples the characteristics of railways the positions and apparent motions of the astronomic bodies like the Moon and Sun and the age of the Earth each receive chapters Scott posits that the characteristics of these supports the flat earth hypothesis while Biblical stories such as the Great Flood depicted in the Book of Genesis also contain insights that further qualify the flat earth theory Citing published works such as Zetetic Astronomy Scott s lengthy narrative is wide ranging In all this book is a representative summation of the beliefs and arguments used by the flat earth movement

Prock,2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861

Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i e the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960 s Pastor Sheldon Emry wrote an article title An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G.

Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their

old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **Soul-Less-Society-interior-ebook** Angeline Marie,2023-11-28 In Soul Less Society Angeline Marie delivers a passionate wake up call to Americans by exploring the spiritual battle behind our nation s decline from prosperity to moral decay Drawing on biblical principles and extensive research she exposes the systematic dismantling of Christian values that once formed America s foundation From government overreach and banking corruption to media manipulation and educational indoctrination Marie traces how globalist elites have orchestrated America s spiritual and cultural collapse not merely as political strategy but as spiritual warfare She uncovers concerning connections between international organizations technological surveillance and the push toward a new world order that threatens individual freedoms With unflinching analysis Marie examines controversial topics including abortion gender ideology the pandemic response and China s growing influence arguing that all are symptoms of a society that has rejected God Yet despite the bleak assessment the book concludes with a message of hope and spiritual empowerment providing readers with biblical strategies to reclaim their nation through faith Both a political commentary and spiritual guidebook Soul Less Society challenges readers to recognize the true nature of America s conflicts and reclaim their nation through prayer biblical principles and informed civic engagement A rallying cry for Christians to become active in preserving religious freedom and traditional values before it s too late If you enjoyed The Babylon Code The Return of the Gods and The Great Reset you ll love Soul Less Society The Flat Earth Trilogy Book of Secrets I Gregory Lessing Garrett,2018-12-20 This book is an Anthology of Gregory Lessing Garrett s writings and others on the topic of Flat Earth Plane Cosmology of all types including Enclosed Earth Hollow Earth Concave Earth Infinite Plane Earth The Enochian Earth Model etc The hope is that the ideas expounded in this Flat Earth Trilogy series will provide compelling justifications for the claim that no curvature can be found on the Earth which points to the empirical conclusion that we live on a plane and not a spinning ball in science fiction outer space The details regarding the possible topography of the Earth are discussed in depth in this book but ultimately the absolute true topography of the Earth is not known by anyone Gregory Lessing Garrett The Flat Earth Trilogy Book of Secrets II Gregory Lessing Garrett,2019-04-18 Evidently NASA can see though millions of layers of stars and galaxies to get thousands of crystal clear shots of galaxies millions of light years away but they cannot take even ONE simple photo of Earth from the Moon s distance that is not CGI fakery NASA is merely a film production company with a huge budget and huge real rocket props We have ALL been indoctrinated by occult high masters at NASA to the tune of 53 million dollars a day coming out of OUR Pay Checks to pay for their fake CGI rubbish When we stop and slow down and really really let it sink in the most accurate map of the Earth used by the United Nations is The Flat Earth Map They even outline the map with wheat stalks to symbolize Antarctica This is the groundbreaking story of The Flat Earth cover up The Who How and Why they did it story **Iota** Charles Gidley Wheeley,2008-11-19 Iota is the acronymic name given to God or Nature It

stands for the Infinite One which is conceived under the Two Aspects of thought and matter Following the 17th century philosopher Benedict Spinoza from whose works he quotes extensively Wheeler shows that dualism of any sort whether theological philosophical or scientific always leads to contradiction division and conflict and that regarding ourselves as parts of Nature and of each other is the only way forward to healing the divisions and conflicts between absolutist religions cultures and faiths The most important implication of Iota is that to hurt any part of Nature is to hurt our collective self Until political and religious leaders grasp this simple concept there will be little hope for peace in the world The Expanse of Heaven Danny Faulkner,2017-09-01 Intended as a companion book to The Created Cosmos What the Bible Reveals About Astronomy the new book The Expanse of Heaven Where Creation and Astronomy Intersect is a comprehensive treatment of astronomy interpreted within the biblical model of creation It begins with a chapter on ancient cosmologies and concludes with a chapter on modern cosmology In between are chapters on the appearance of astronomical bodies in the sky discussions of the moon the earth and other planets in the solar system the sun the stars our Milky Way Galaxy and other galaxies Evolutionary theories are described and critiqued while creationary theories are explained Evidence for design and recent origin is presented This unique book is intended for general reading by lay audiences but it can be adapted as a textbook on astronomy You will learn how unique the earth is in the universe You will see incredible design in the moon the sun and other astronomical bodies You will better understand the role of evolutionary and creationary theories in astronomy today Faint Not Steven DeLay,2022-05-03 Christ told his disciples shortly before his Passion But he that shall endure unto the end the same shall be saved Matt 24 13 So Paul in his Letter to the Galatians is similarly frank about the effort that obtaining the promise of salvation will require of us And let us not be weary in well doing for in due season we shall reap if we faint not Gal 6 9 When then Paul in his Letter to the Romans analogizes the path leading to salvation to a race it is because entrance into the kingdom of heaven demands our endurance For the obstacles we encounter along the way are prodigious From frustration with the world s corruption and injustice to disgust with its hypocrisy or sadness over its many sorrows and sufferings there are many reasons we might grow weary and despair in the face of the world It is this fundamentally agonistic dimension of existence which God s word addresses by exhorting us not to quit Further developing the phenomenology of faith begun in In the Spirit Steven DeLay s Faint Not articulates how the existence lived before God one of hope faith and love is the life which transfigures temporality in light of eternity the life in short which accordingly perseveres to the end to that of eternal life The Flat-Earth Conspiracy Eric Dubay,2014-11-09 Wolves in sheep s clothing have pulled the wool over our eyes For almost 500 years the masses have been thoroughly deceived by a cosmic fairy tale of astronomical proportions We have been taught a falsehood so gigantic and diabolical that it has blinded us from our own experience and common sense from seeing the world and the universe as they truly are Through pseudo science books and programs mass media and public education universities and government propaganda the world has been systematically brain

washed slowly indoctrinated over centuries into the unquestioning belief of the greatest lie of all time A multi generational conspiracy has succeeded in the minds of the masses to pick up the fixed Earth shape it into a ball spin it in circles and throw it around the Sun The greatest cover up of all time NASA and Freemasonry s biggest secret is that we are living on a plane not a planet that Earth is the flat stationary center of the universe **The Greatest Lie on Earth** Edward

Hendrie,2016-01-17 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it *Flat Earth* Christine Garwood,2008-08-05

Contrary to popular belief fostered in countless school classrooms the world over Christopher Columbus did not discover that the earth was round The idea of a spherical world had been widely accepted in educated circles from as early as the fourth century B C Yet bizarrely it was not until the supposedly more rational nineteenth century that the notion of a flat earth really took hold Even more bizarrely it persists to this day despite Apollo missions and widely publicized pictures of the decidedly spherical Earth from space Based on a range of original sources Garwood s history of flat Earth beliefs from the Babylonians to the present day raises issues central to the history and philosophy of science its relationship to religion and the making of human knowledge about the natural world *Flat Earth* is the first definitive study of one of history s most notorious and persistent ideas and it evokes all the intellectual philosophical and spiritual turmoil of the modern age Ranging from ancient Greece through Victorian England to modern day America this is a story that encompasses religion science and pseudoscience as well as a spectacular array of people and places Where else could eccentric aristocrats fundamentalist preachers and conspiracy theorists appear alongside Copernicus Newton and NASA except in an account of such a legendary misconception Thoroughly enjoyable and illuminating *Flat Earth* is social and intellectual history at its best
