Apocalypse Explained Emanuel Swedenborg,2013-11-19 This writing was left unpublished at Swedenborg's death although it had apparently been carefully prepared for publication Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture Not only is every phrase in the Apocalypse as far as covered separately explained but thousands of passages gathered from all parts of the Word are quoted and expounded These expositions close with the tenth verse of the nineteenth chapter Towards the end extended doctrinal discussions are introduced Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work It is especially instructive in its expositions of the Psalms the Prophets and the Gospels
