The Bedside Of Prayer:

The Bedside Book of Prayer Gary Wilde,1997 *A Child's Bedside Prayer* Iran Brito,2020-08-04 This book was written to help little children realize that no matter what about or how you pray God is always listening **The Little Sanctuary: a Series of Domestic Prayers** Richard Winter Hamilton,1838 **Just in Time! Pastoral Prayers for the Hospital Visit** Rev. Sara Webb Phillips,2010-10-01 Offering prayer is one of the most important parts of a pastor's hospital ministry These prayers connect persons with the power of God remind persons who they are as children of God and sometimes put into words deep experiences of suffering grief and pain These prayers are offered especially for difficult times when you may not be sure how to pray or what to pray for Also related Bible verses are printed in full The Just in Time Series offers brief practical resources of immediate help for pastors at an affordable price Included are prayers related to illness or surgery Prayers for persons facing surgery post surgery that was successful post surgery that was not successful anticipating bad news diagnosed with a serious progressive illness recovering from heart surgery suffering from a stroke dealing with cancer coping with breast cancer undergoing chemotherapy suffering from addiction unable to be diagnosed with the source of illness needing a transplant and waiting for an organ in chronic pain Prayers related to children and youth Celebrating the birth of a child mourning a miscarriage grieving the loss of a baby near birth mother choosing adoption for her newborn adoptive parents receiving their child pre mature infant baby who is hospitalized child who is hospitalized youth hospitalized for drug treatment afraid to face parents youth who most likely will not recover Prayers related to dying and death For someone longing to die prognosis that is not positive does not have long to live when death is imminent prayer over a stillborn infant for family members who were unable to say goodbye to loved one before death for surviving family who lost loved ones in the same accident for family whose loss was due to suicide Prayers related to accident or violence Injured due to street violence injured due to natural disaster rape victim victim of domestic violence injury due to war Prayers related to New immigrant who has fallen ill recent refugee college student suffering depression patient who also has Alzheimer's enduring painful rehabilitation facing a long recovery farmer anxious about crops and or animals hospitalized while incarcerated someone unconscious developmentally disabled patient attempted suicide prayer with family present psychotic patient worrying over child deployed in the military worried about paying for the hospital bill wanting to go home but cannot wanting prayer for family members feels guilty about surviving an accident grieving friends who died in the same accident Sara Webb Phillips is a United Methodist Pastor and Editor of Homily Service She currently resides in Durham North Carolina **Prayer as Transgression?** Sheryl Reimer-Kirkham,Sonya Sharma,Rachel Brown,Melania Calestani,2020-09-23 Healthcare settings are notoriously complex places where life and death co exist and where suffering is an everyday occurrence giving rise to existential questions The full range of society's diversity is reflected in patients and staff Increasing religious and ethnic plurality alongside decades of secularizing trends is bringing new attention to how religion and

nonreligion are expressed in public spaces Through critical ethnographic research in Vancouver and London Prayer as Transgression reveals how prayer occurs in hospitals long term care facilities and community based clinics in a variety of forms and circumstances Prayer occurs quietly on the edges of day to day healthcare provision and in designated sacred spaces Some requests for prayer however interrupt and transgress the clinical machinery of a hospital such as when a patient asks for prayer from the chaplain while the operating room waits With contributions by researchers healthcare practitioners and chaplains the authors consider how prayer transgresses the clinical priorities that mark healthcare opening up ways to think differently about institutional norms and social structures They show how prayer highlights trends of secularization and sacralization in healthcare settings They also consider the ambivalences about prayer arising from staff and patients varied views on religion and spirituality and their associated ethical concerns amidst clinical and workload demands A window onto religion in the public sphere Prayer as Transgression tells much about how people live well together even in the face of personal crises and fragilities suffering diversity and social change

To Walk in God's Ways Joseph Ozarowski, 2004-10-13 Now more than ever people are turning to their rabbis and communities to seek the consolation they need in times of mourning and bereavement As such the field of pastoral care is becoming increasingly important to clergy of all faiths To Walk in God's Ways Jewish Pastoral Perspectives on Illness and Bereavement illustrates how the structure and themes of Jewish tradition using cognitive empathy allow both the community and rabbi to help the patient and mourner alleviate his or her suffering
