John Hill and Marvin Buck sit in a prison cell watching the world fall apart on the news Janay Williamson a guard at the Cook County Jail finds herself surrounded by violent men when civilization begins to crumble Henry Haynes is a doctor in the middle of his shift when he notices the hospital is eerily silent None of them knew the world would end that day Now that it has they all will have to fight to stay alive With the world collapsing all around them death seems imminent Surviving quickly becomes all that there is The only thing separating life from death is who wants it more Who has the strongest will to survive All seems lost at the beginning of the end **End of the Beginning** Harry Turtledove, 2005-11-01 Six weeks ago Imperial Japanese military forces conquered and occupied the Hawaiian Islands A puppet king sits on Hawaii's throne his strings controlled by the general of the invasion force American POWs malnourished and weak are enslaved as hard laborers until death takes them Civilians fare little better struggling to survive on dwindling resources And families of Japanese origin find their loyalties divided Meanwhile across the United States from Pensacola Florida to San Diego California the military is marshaling its forces Steel factories and fuel refineries are operating around the clock New recruits are enlisting undergoing rigorous training exercises All for the opportunity to strike back and drive the enemy from American soil Quest for the Fire, the Beginning, (Cito's Namesake) Marc Bloemers, 2008-04-22 Terrain awakens to find himself in a dark cave with countless harsh whispers all around him Under the guidance of the spirit of his father in law Tari who finds him imprisoned in the wastelands he breaks free through a crack in the wall Together they journey into the mystical land of Cito and pass through its borders Along the way Tari recounts to him of the destruction of Earth and the disappearance of Terrain's family and why he was brought to this forgotten world There they will meet before an ancient order of Elves and Fairies known as the Oloman and plan the ultimate battle against the evil ones They reveal to Terrain that he is their long awaited leader and that his true destiny will soon come **The History of Elsmere** Robert P. Tucker, 2019-01-21 Communities in the United States are chapters in the great story of this country And while many of these chapters are well known in our history there are a great many that need their stories to be told by the people who lived there In *The History of Elsmere* African American Life in Glassboro New Jersey author Robert P Tucker describes middle class life in a small semirural South Jersey minority neighborhood offering a history that spans over three centuries From the clearing of land for farming to the building of segregated schools and housing developments just twenty miles southeast of Philadelphia Tucker chronicles the history of the neighborhood as only a lifelong resident could He also speaks to the harrowing experiences of escaping the Ku Klux Klan and living through the poverty of the Depression sharing the story of minority life in the community The history of this small community is an important part of the story of America and the experiences of the men women and children who lived in Elsmere can come together to reflect the spirit of a time and a place Much of Elsmere has changed but the memories now
