twentieth century youth literature channeling his own passion for the outdoors and familiarity with the Boy Scout movement into his work. The courage, teamwork, and problem solving skills highlighted in the book reflect both Maitland's personal values and those ideals promoted by the Scouting organization during its formative years. This backdrop of personal experience and social engagement with youth development informs the authenticity and the pedagogical bent of the novel. The Boy Scout Pathfinders Or Jack Danby's Best Adventure comes highly recommended for readers with a fondness for the charm and challenges of adolescence, the instructive endeavors of the Boy Scouts, and a taste for stories that celebrate the triumph of camaraderie and resourcefulness in the great outdoors. Maitland's storytelling is a vehicle for timeless lessons enveloping the reader in an era where adventure and personal growth journey hand in hand. Yellow Feather Loved the Wilderness Adris I. Fults, 2011-08-23 My fourth book is a reflection of my first and second books. A Indian girl who learned how to overcome abuse by her parents. By having her own friends. And spending her summers in the wilderness. Lots of fiction short stories, some are of real people, inspiring stories. And real life of the author, family, and her friends. There is lots of scripture, it's how Gena overcame her hard life of her childhood. After she married in 1954, her life became exciting as they went on hikes, hunting, and fishing trips, even after the five children were born. Gena cared full time homemaker. She enjoyed her children every day, playing with them. In 1977, Gena took a writers class at night at the local college. Also a nurses aide training class. I learned to love the country when we leased the folks beautiful place surrounded by a grove of trees. I learned how to dress out chickens and help with all the work. The love of God. How rich and pure it's greater far than pen or tongue can ever tell. To write the love of God above would drain the ocean dry. **Notes and Queries**, 1868 Kaleidosouls Patricia Norman Rachal, 2012-02-29 KaleidoSouls Mirrors of the Light is a collection of poems all about God. His graciousness and goodness, who He is, and who we are in Jesus. Kaleidoscopes have mirrors in them, and when light shines into the opening, beautiful reflections are seen. We are like kaleidoscopes mirroring the image of Jesus. When He, the Light, shines in us, beautiful images reflect onto others. Without His Light, everything within us would be a jumbled mess, but He shines into our souls and makes everything beautiful. Thus we are the KaleidoSouls mirroring His beauty. KaleidoSouls not only features poetry but has Scripture on almost every page to enhance the meaning of the poem. These poems are gleaned from relationships and solitudes, happiness and sorrows, regrets and victories, friends and family, holidays and traditions, and many other places where you will find yourself. They tell stories of how Jesus changes people's lives and how He is reflected from them. You will find encouragement, hope, love, and insight within these pages. The poems tell about God and His mercies and love, and how His Word can be used in our lives. May you find the words you would like to say to someone you love, someone you wish to encourage, or to yourself in a time of personal solitude. **Popular Educator**, 1925
