Hatonn, 1993 **The Best of Times** Mark Field, 2016-05-19 Tensions simmer in the aftermath of 2008 s catastrophic financial crash As the darkest days of the crisis fade behind us great obstacles to prosperity remain Mark Field s acclaimed first book *Between the Crashes* explored the economic collapse Now in his new collection of essays the City of London MP charts our progress as the economy splutters back to life untangling the rhetoric of deficit reduction from reality and meaningful reform from political posture *The Best of Times* traces the compromises of coalition government and the emergence of a new anti establishment sentiment taking in the Scottish independence referendum UKIP s rise and fall and the unexpected genesis of Corbynism Conflicts in the Middle East open a dark chapter in foreign affairs while closer to home a shock Conservative victory in the 2015 general election ensures a hotly debated EU referendum Yet for all the surprises delivered by the past three years today s challenges are deeply familiar shifting global power generational wars and disillusionment with capitalism still threaten our prosperity Engaging and unflinching *The Best of Times* offers erudite analysis and practical solutions to the challenges facing Britain today **The Best of Times** Allene Gaty Hatch, 2000 Why did Mrs Woodrow Wilson say to President Franklin D Roosevelt You re nothing but a common thief while sitting next to him at a State dinner at the White House What were President Eisenhower and Pope John XIII laughing about in a famous photograph unexplained until now What is the truth behind the famous Miss Hofmans Affair that once rocked the Royal Family of the Netherlands These are only a few of the questions answered in this fast paced tale of an adventurous May September marriage In 1950 a young artist Allene Gaty married a well established middle aged very social historian biographer Alden Hatch Learning to cope with life in the upper echelons while meeting such celebrated world figures as President and Mrs Dweight D Eisenhower Pope John XXIII Prince Bernhard of the Netherlands Mrs Woodrow Wilson Clare Booth Luce Buckminster Fuller Henry Cabot Lodge and Mrs Admiral Byrd among many others gave Allene a challenging life It also gave her a peek behind the curtain of history **The Best of Times** Wyn Wachhorst, 2016-01-06 Old time radio the folk revival the golden age of science fiction steam railroads baseball the Western and other genres color our images of the 1950s But contrary to the countercultural myth that America during this period was a sterile soulless society culturally and intellectually empty it was an introspective era of innovation and creativity the seedtime of the sixties the harbinger of which was the urban folk revival *The Best of Times* presents a collection of essays each followed by a related memoir focusing on postwar popular culture exploring topics that mark the era but are also nostalgic in themselves the comforting continuity of long running radio shows train whistles that brought the sweet sorrow of distance to small town nights lazy summers of baseball endless stretches of unknown lands

to the West that once compelled the imagination the heroes and vagabonds of folksong who roamed a simpler world and dreams of alien civilizations on neighboring planets deepened by the dawning reality of spaceflight These pieces balance personal cultural and mythic nostalgia recalling author Wyn Wachhorst's youth the postwar era and its dreams of a fabled West or Norman Rockwell's small town America Blending history memoir imagery and analysis this collection of essays offers poetic reflections on the nature of nostalgia and postwar America **The Best of Times** Penny Vincenzi, 2010-06-22 From the internationally bestselling author of *Into Temptation* comes the perfect beach read *Parade* about how everything can change in the blink of an eye On an ordinary London afternoon a truck swerves across five lanes of traffic and creates a tangle of chaos and confusion As loved ones wait to hear news and the hospital prepares to receive the injured a dozen lives hang in the balance A doctor is torn between helping the injured and hiding his young mistress a bridegroom hopes to get to the church on time a widow waiting to reunite with a lost love ponders whether she'll ever see him again and the mysterious hitchhiker the only person who knows what really happened is nowhere to be found Filled with suspense romance and more twists than a country highway *The Best of Times* proves once again why Penny Vincenzi is the queen of happy endings

The Best of Times Alexander Flint, 2017-04-30 They both were born of poor immigrants and survived the unhealthy conditions of New York City tenement life and survived the deadly flu pandemic of 1918 They lived through the anti-immigrant bias the horror of World War I the lawless environment of the Roaring Twenties bootlegging and the economic deprivation of the Great Depression Al fought at Guadalcanal in World War II Their son fought in Vietnam The love for each other endured with a marriage that lasted seventy-five years The story depicts the young couple of how they lived and how they died They lived to benefit from the joys of having a son five grand children and six great grand children **The Best of Times, The Worst of Times** Michael Burleigh, 2017-11-02 In the decades since the end of the Second World War it has been widely assumed that the western model of liberal democracy and free trade is the way the world should be governed However events in the early years of the twenty-first century first the 2003 war with Iraq and its chaotic aftermath and second the financial crash of 2008 have threatened the general acceptance that continued progress under the benign or sometimes not so benign gaze of the western powers is the only way forwards And as America turns inwards and Europe is beset by austerity politics and populist nationalism the post-war consensus looks less and less secure But is this really the worst of times In a forensic examination of the world we now live in acclaimed historian Michael Burleigh sets out to answer that question Who could have imagined that China would champion globalization and lead the battle on climate change Or that post-Soviet Russia might present a greater threat to the world's stability than ISIS And while we may be on the cusp of still more dramatic change perhaps the risks will in time bring not only change but a wholly positive transformation Incisive robust and always insightful *The Best of Times The Worst of Times* by Michael Burleigh is both a dazzling tour d'horizon of the world as it is today and a surprisingly optimistic vision of the world as it might become *The Best of Times, The Worst*

of Times Paul Behrens,2020-09-17 A unique highly readable approach to the environmental crisis with alternating chapters outlining the effects on society if left unchecked and the radical actions we can take to prevent it Now includes updated sections on COVID 19 and COP26 The environmental emergency is the greatest threat we face Preventing it will require an unprecedented political and social response And yet there is still hope Academic physicist environmental expert and award winning science communicator Paul Behrens presents a radical analysis of a civilization on the brink of catastrophe Setting out the pressing existential threats we face he writes in alternating chapters of what the future could look like at its most pessimistic and hopeful In lucid prose Behrens argues that structural problems need structural solutions and examines critical areas in which political will is required including women s education food and energy security biodiversity and economics The book was printed with two different jackets to illustrate the unique duality of the author s approach
