The Best Kept Secrets of Personal Magnetism Wisdom J.O.Y. Makano, 2012-06-22 There are all kinds of people out there the affluent the tall the elegant the beauty queens etc yet many times the outer appearance or material possession does not make a significant impact at all on the image we project to the world While physical appearance or material possession may sometimes be helpful as many people judge the book by the cover until they read the content the secret of lasting personal magnetism is totally a different animal Sadly money does not buy love is a lesson many learn the hard way Then what makes it possible for some people to easily conquer the hearts of their fellow men without necessarily physical or financial

advantage Why do the rich and the famous sometimes lose their life mates or friends to the financially less fortunate people than themselves Where does the power of charismatic people come from How do they master the art of keeping people happy while craving more The author in this book answers these and many other questions with insightful experience based on lifelong research of ancient secrets of personal magnetism We were not all born wealthy well connected or as attractive as we would like to be that is a fact Hence understanding the secrets of personal magnetism puts the key of opening any social door in ones hands regardless of ones social station in life That is 50% of the battle won in your favor The other 50% depends on the diligence of the application of the laws herein detailed *Best Kept Secret* Amy Hatvany, 2011-06-07 A timely and captivating novel about a mother whose life spirals out of control when she descends into alcoholism and her battle to get sober and regain custody of her beloved son Cadence didn't sit down one night and decide that downing two bottles of wine was a brilliant idea Her drinking snuck up on her as a way to sleep to help her relax after a long day to relieve some of the stress of the painful divorce that's left her struggling to make ends meet with her five year old son Charlie It wasn't always like this Just a few years ago Cadence seemed to have it all a successful husband an adorable son and a promising career as a freelance journalist But with the demise of her marriage her carefully constructed life begins to spiral out of control Suddenly she is all alone trying to juggle the demands of work and motherhood Logically Cadence knows that she is drinking too much and every day begins with renewed promises to herself that she will stop But within a few hours driven by something she doesn't understand she is reaching for the bottle even when it means not playing with her son because she is too tired or dropping him off at preschool late again And even when one calamitous night it means leaving him alone to pick up more wine at the grocery store It's only when her ex husband shows up at her door to take Charlie away that Cadence realizes her best kept secret has been discovered Heartbreaking haunting and ultimately life affirming *Best Kept Secret* is more than just the story of Cadence it's a story of how the secrets we hold closest are the ones that can most tear us apart
