A Personal Memoir of Ted Berrigan

by Ron Padgett

In 113 short chapters, Ron Padgett's precision prose travels back over the twenty-five years of his close friendship with Ted Berrigan, the legendary poet whose life and work transformed a generation and whose death in 1983 at age forty-eight left a significant rent in the fabric of the American poetry scene. In crisp, clear verbal snapshots, Padgett recaptures the student years in Tulsa and the freewheeling, scruffy enchantment of their lives in New York City in the early 1960s, a time of low rent and cheap meals, of foreign movies, of hero worship and budding friendships, of endless books and all-night talk—that once-only time when youth's energy is fueled by an intense love of art and poetry.

RON PADGETT is the author of many collections of poetry, among which are *Great Balls of Fire*, *Toujours l'amour*, *Tulsa Kid*, and *The Big Something*. *Blood Work*, a selection of his nonfiction, was recently published by Bamberger Books, and last year the University of California Press brought out his translation of *The Complete Poems of Blaise Cendrars*. Padgett lives in New York City.

The Selected Poems of Ted Berrigan Ted Berrigan, 2011-02-07 Following the highly acclaimed *Collected Poems of Ted Berrigan* poets Alice Notley Anselm Berrigan and Edmund Berrigan have collaborated again on this new selection of poems by one of the most influential and admired poets of his generation Reflecting a new editorial approach this volume demonstrates the breadth of Ted Berrigan's poetic accomplishments by presenting his most celebrated interesting and important work This major second wave New York School poet is often identified with his early poems especially *The Sonnets* but this selection encompasses his full poetic output including the later sequences *Easter Monday* and *A Certain Slant of Sunlight* as well as many of his uncollected poems *The Selected Poems of Ted Berrigan* provides a new perspective for those already familiar with his remarkable wit and invention and introduces new readers to what John Ashbery called the crazy energy of this iconoclastic funny brilliant and highly innovative writer Praise for *The Collected Poems of Ted Berrigan* This is a great great book for all seasons of the mind and heart Robert Creeley Thanks to this invaluable *Collected Poems* one can hear as never before Ted Berrigan dreaming his dream *The Nation* *The Collected Poems of Ted Berrigan* is not only one of the most strikingly attractive books recently published but is also a major work of 20th century poetry It is a book that will darken with the grease of my hands There is no better way to praise it than by saying If you enjoy poetry you should have it *Bloomsbury Review* It's a must have a poetic knockout *Time Out New York*

The Collected Poems of Ted Berrigan Ted Berrigan, 2007-03-21 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his *Collected Poems* in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but *The Collected Poems* allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured

verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns: A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi

Ted Berrigan Aaron Fischer, Ted Berrigan, George Schneeman, 1998 Poet editor and publisher of the legendary C Press Ted Berrigan 1934-1983 was a charismatic presence on the literary scene of New York's Lower East Side during the 60s and 70s Through anecdotal descriptions Ted Berrigan: An Annotated Checklist provides a vivid glimpse of one writer's life as seen through his publications Illustrated throughout with collaborations between Berrigan and Painter George Schneeman and with an introduction by Lewis Warsh this book is a must for all with an interest in the literary underground As contributor Anne Waldman puts it more imaginative investigative than a mere checklist

Irish Americans William E. Watson, Eugene J. Halus Jr., 2014-11-25 Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one-stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents

Spatial Poetics Yasmine Shamma, 2018-09-04 What is the relationship between the spaces we inhabit and the spaces we create Does living in a messy downtown New York City apartment automatically translate to writing a messy New York School poem This volume addresses the environment of the urban apartment illuminating the relationship between the structures of New York City apartments and that of New York School poems It utilizes the lens of urban and spatial theory to widen the possibilities afforded by New Critical and reader response readings of this postmodern American poetry In drawing this connection between consciousness and form it draws on various senses of the environment as informing influence inviting avant-garde American poetry to be reconsidered as uniquely organic in its responsiveness to its surroundings Focusing exclusively and comprehensively on Second Generation New York School poetry this is the first book-length study to attend to the poetry of this postmodern American movement encouraging American poetry scholars to resituate New York School poetry within larger critical narratives of postmodern innovation

Encyclopedia of American Poetry: The Twentieth Century Eric L.

Haralson,2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

Affect, Psychoanalysis, and American Poetry John Steen,2018-07-12 Poetry has often been defined by its closure its condensation of meaning and value into discrete self referential textual objects Affect Psychoanalysis and American Poetry challenges the dominant metaphor of poetic containers by turning to recent poetic texts that represent the contagious and uncontainable feelings of anxiety grief shame and rage From modernists Wallace Stevens to mid century poets Randall Jarrell Robert Creeley and Ted Berrigan and finally to contemporary practitioners Aaron Kunin and Claudia Rankine John Steen argues that new poetic techniques arise from the poetic productivity of negative affects and that a new model of poetic value can be found in poems that are instead of containers permeable social spaces of intimacy attachment and withdrawal Drawing from object relations psychoanalysis queer theory and affect theory Affect Psychoanalysis and American Poetry finds poetry s singularity in its unique capacity to represent anew the transmissible relational and uncontainable valences of feeling that structure and destabilize social life

Encyclopedia of the New York School Poets Terence Diggory,2015-04-22 Presents an alphabetical reference guide detailing the lives and works of poets associated with the New York Schools of the early twentieth century

The Stamp of Class Gary Lenhart,2006 The Stamp of Class is about reading poetry with an awareness of class and its themes While numerous works have taken up the question of race and gender as they relate to literary creation no single book has probed the interplay between class and American poetry The nine essays in Gary Lenhart s book deal with the question of class as reflected in the works of Tracie Morris Tillie Olsen Melvin Tolson William Carlos Williams Walt Whitman and others The work is rooted in the author s own experiences as a working class poet and teacher and is the result of more than a decade of exploration
