Teens And Morality:

Teens and Morality Jerry Shepherd, 2005 For many teenagers it's not cool to show interest in organized religion They often believe that religion is something that's not quite real at least not as real as everyday experiences like family friends foes school parties love hate anger desire and frustration The Being Real series shows how Catholicism recognizes the realities of teenage life and calls teens to a higher ideal Teens and Morality is about how being a good moral person is hard work but it is absolutely possible Chapters in Teens and Morality include Why Be Good Laws and Legalisms Moral Actor Moral Acts Paths of Glory Virtues and Moral Heroes *Teens and Morality* Jerry Shepherd, 2002-05-31 For many teenagers it's not cool to show interest in organized religion They often believe that religion is something that's not quite real at least not as real as everyday experiences like family friends foes school parties love hate anger desire and frustration The Being Real series shows how Catholicism recognizes the realities of teenage life and calls teens to a higher ideal Teens and Morality is about how being a good moral person is hard work but it is absolutely possible Chapters in Teens and Morality include Why Be Good Laws and Legalisms Moral Actor Moral Acts Paths of Glory Virtues Moral Heroes **Adolescent Emotions:**

Development, Morality, and Adaptation Tina Malti, 2013-01-23 Take an in depth look at how emotions relate to adolescents decision making reasoning and behavior in morally relevant situations It provides a summary of current research on emotions morality and adaptive behaviors Furthermore it discusses new approaches to research on emotions morality and socially adaptive behavior in adolescence By doing so the articles provide new insights into adolescents emotional and moral development and show how emotions contribute to the way adolescents negotiate resolve and adapt to the moral and social conflicts that inevitably occur in their everyday lives By integrating innovative perspectives from developmental educational and clinical research this volume has much to offer for researchers youth practitioners and educators This is the 136th volume of New Directions for Youth Development the Jossey Bass quarterly report series dedicated to bringing together everyone concerned with helping young people including scholars practitioners and people from different disciplines and professions **The ^AOxford Handbook of Moral Development** Lene Arnett Jensen, 2020-01-24 Drawing together the work of over 90 authors hailing from diverse disciplines such as anthropology education human development psychology and sociology this handbook reflects the dynamic and interdisciplinary nature of the field of moral development Across more than 40 chapters this handbook opens the door to a broad view of moral motives and behaviors ontogeny and developmental pathways and contexts that children adolescents and adults experience with respect to morality It offers a comprehensive and timely tour of the field Moral Psychology Walter Sinnott-Armstrong, 2008 Philosophers and psychologists discuss new collaborative work in moral philosophy that draws on evolutionary psychology cognitive science and neuroscience

Handbook of the Sociology of Morality, Volume 2 Steven Hitlin, Shai M. Dromi, Aliza Luft, 2023-10-25 This handbook articulates how sociology can re-engage its roots as the scientific study of human moral systems actions and interpretation

This second volume builds on the successful original volume published in 2010 which contributed to the initiation of a new section of the American Sociological Association ASA thus growing the field This volume takes sociology back to its roots over a century ago when morality was a central topic of work and governance It engages scholars from across subfields in sociology representing each section of the ASA who each contribute a chapter on how their subfield connects to research on morality This reference work appeals to broader readership than was envisaged for the first volume as the relationship between sociology as a discipline and its origins in questions of morality is further renewed The volume editors focus on three areas the current state of the sociology of morality across a range of sociological subfields taking a new look at some of the issues discussed in the first handbook which are now relevant in sometimes completely new contexts and reflecting on where the sociology of morality should go next This is a must read reference for students and scholars interested in topics of morality ethics altruism religion and spirituality from across the social science
