Tell It All A Woman's Life In Polygamy:

Tell It All, Woman's Life in Polygamy Fanny Stenhouse, 2019-01-22 Fanny Stenhouse's famous work *Tell it All* is a withering attack on the practice of polygamy that developed as a prominent tenet of Mormon faith in the nineteenth century. She begins her story with an account of how as a young woman her family had converted to the Church of Jesus Christ of Latter Day Saints and how she had attracted the attention and subsequently married T B H Stenhouse. Living in Europe they were unaware of how their religion was developing in the Midwest and how the practice of plural marriage was beginning to become ever more prevalent among the members of their faith. Responding to encouragement and counselling they eventually emigrated to the promised land of Utah and to their horror they began to learn that the rumors of Joseph Smith's polygamic revelation were true and that some of the church leadership such as Brigham Young had over fifty wives. *Tell it All* provides fascinating insight into how the Mormon faith was developing in the mid nineteenth century and how women such as Fanny were struggling to come to terms with doctrines such as polygamy. The Church of Jesus Christ of Latter Day Saints largely distanced itself from polygamy in the later nineteenth century much due to the work of women such as Fanny Stenhouse and others including a former wife of Brigham Young Ann Eliza Young. This book also uncovers some of the other darker moments of Mormon history such as the Mountain Meadows Massacre in which the men and women of an emigrant wagon train were indiscriminately slaughtered by Mormons of the Nauvoo Legion. It added more details on polygamy on Brigham Young's life in polygamy and on the Mountain Meadows Massacre. The John Whitmer Historical Association Journal.

Fanny Stenhouse was an early Mormon pioneer who along with her husband T B H Stenhouse defected from The Church of Jesus Christ of Latter day Saints largely due to their disagreements with the church about polygamy. *Tell it All A Woman's Life in Polygamy* was first published in 1872 and Fanny passed away in 1904. Including a full account of the Mountain Meadows Massacre and of the life, confession and execution of Bishop John D Lee. *Tell It All a Woman's Life in Polygamy* Fanny Stenhouse, 2018-11-14 In these pages a woman a wife and mother speaks the sorrows and oppressions of which she has been the witness and the victim. Harriet Beecher Stowe.

B. H. Stenhouse,1878 More than Petticoats: Remarkable Utah Women Christy Karras,2010-01-19 Utah offers a paradox in women s history a state founded by polygamists who offered women early suffrage and encouraged career education in the nineteenth century More than Petticoats Remarkable Utah Women tells the stories of twelve strong and determined women who broke through the social cultural or political barriers of the day The women in these pages include Emmeline B Wells 1828 1921 president of the Mormon Women s Relief Society editor of Exponent and president of the Woman Suffrage Association of Utah and Reva Beck Bosone 1895 1983 Utah Congresswoman and the state s first female judge who voted against the formation of the CIA and was smeared in the anticommunism crusade of the 1950s This book is a must read for anyone interested in women s studies history and the story of Utah **19th Century Love Affair of Joseph Smith & Emma Hale** Annette Bolton,2017-12-14 The 19th Century Love Affair of Joseph Smith and Emma Hale was born out of the author s study of LDS polygamy polyandry and child marriage within the early days of the LDS Church The author s grandfather was a polygamist and could first hand see the strain on the last wife of her grandfather Grandma Cleo worked and cooked for 45 children during family gatherings I never saw her tire but I was always sorry for her I tried to stay out of the way and not get into trouble so I minded my business as was the discipline at that time My father did not want anything to do with polygamy so our immediate family was spared the pain of that God forsaken lifestyle Remarkable Utah Women Christy Karras,2022-11-01 Utah presents a paradox in women s history as a state founded by deeply religious pioneers who supported polygamy but also a place that offered women early suffrage and encouraged education and leadership Remarkable Utah Women tells the stories of seventeen strong and determined women who broke through the social cultural and political barriers of their times The women in these pages include Emmeline B Wells who served as president of both the Mormon Relief Society and the Woman Suffrage Association of Utah the Bassett sisters who ran with Butch Cassidy s Wild Bunch and Reva Beck Bosone a US congresswoman and the state s first female judge The second edition features new

biographies of historian Helen Papanikolas who meticulously researched Utah's immigrant communities Mae Timbimboo Parry who collected and shared the history of her Northwestern Shoshone people and brought to light the horrors of the Bear River Massacre and Barbara Toomer an activist who organized daring protests to demand a more accessible world for people with disabilities Each of these women demonstrated an independence of spirit that still has the power to inspire us today Read about their extraordinary lives and outsized personalities in this captivating collection that tells the story of Utah through the voices and legacies of indomitable women

Marriage and Civilization William Tucker,2014-02-03 In his stunning new book Marriage and Civilization author William Tucker looks at the evidence from biology evolution anthropology history and culture to come to a remarkable conclusion it was the monogamous pairing of male and female unusual among mammals that led to human evolution Moreover it is monogamous marriage that has shaped Western Civilization giving us our sense of justice undergirded Western democracy and is the greatest institution we have for perpetuating human freedom and happiness Yet marriage is now under threat and perhaps not in ways that people suspect We could actually see the de facto abolition of marriage with the state taking many of the responsibilities formerly assumed by the nuclear family Among Tucker's many eye opening observations How primitive polygamy was a retrogression from the original monogamous structure of the human family Why monogamy was essential to the development of ancient Greek democracy Why it was the Catholic Church not the Bible or Christianity in general that was the great defender of monogamous marriage in Western Civilization Why polygamous societies from primitive farming communities to the Mongols to the Muslim world to the early Mormons are internally violent and have bloody borders Why same sex marriage utterly irrelevant in evolutionary terms is a distraction from the real marriage debate we should be having The prospects for monogamous marriage and the dangers if it collapses Marriage and Civilization might be the most important provocative and talked about book of the year

Make Yourself Gods Peter Coviello,2024-05-31 From the perspective of Protestant America nineteenth century Mormons were the victims of a peculiar zealotry a population deranged socially sexually even racially by the extravagances of belief they called religion Make Yourself Gods offers a counter history of early Mormon theology and practice tracking the Saints from their emergence as a dissident sect to their renunciation of polygamy at century's end Over these turbulent decades Mormons would appear by turns as heretics sex radicals refugees anti imperialists colonizers and eventually reluctant monogamists and enfranchised citizens Reading Mormonism through a synthesis of religious history political theology native studies and queer theory Peter Coviello deftly crafts a new framework for imagining orthodoxy citizenship and the fate of the flesh in nineteenth century America What emerges is a story about the violence wild beauty and extravagant imaginative power of this era of Mormonism an impassioned book with a keen interest in the racial history of sexuality and the unfinished business of American secularism

Latter-day Screens Brenda R. Weber,2019-09-13 Brenda R Weber examines how the mediation of Mormonism through film TV blogs YouTube videos and

memoirs functions as a means to understand conversations surrounding gender sexuality spirituality capitalism justice and individualism in the United States
