The Order of Warriors in Europe Pasquale De Marco, 2025-08-12 The Order of Warriors in Europe tells the story of the Knights Templar one of the most powerful and enigmatic orders in history Founded in the 12th century to protect pilgrims to the Holy Land the Templars quickly became a formidable force on the battlefield and a major player in the politics and economy of Europe Drawing on a wealth of primary and secondary sources Pasquale De Marco provides a comprehensive and engaging account of the Templars rise fall and legacy He explores the order's military campaigns its financial empire its relationship with the Papacy and its persecution and suppression The Order of Warriors in Europe is not simply a retelling of the Templars story however It is also a fresh and original interpretation that challenges some of the traditional views of the order Pasquale De Marco argues that the Templars were more than just a military order they were also a religious community a banking institution and a political force He also explores the Templars complex relationship with the Papacy showing how the order's independence and wealth often put it at odds with the Church The Order of Warriors in Europe is a must read for anyone interested in the history of the Middle Ages the Crusades or the Knights Templar It is a fascinating and informative account of one of the most powerful and enigmatic orders in history If you like this book write a review

Custodians Of Truth Tim Wallace-Murphy, Marilyn Hopkins, 2025-09-12 A curious thing happened to Tim Wallace Murphy and Marilyn Hopkins when they published Rex Deus their first book on the bloodline of Christ they were contacted by a man from the very lineage they were studying And instead of denying the existence of the bloodline or berating them for revealing secrets he actually confirmed that the Rex Deus lineage exists and even disclosed some of its fundamental secrets The story of the Rex Deus families direct descendents of Christ who is believed to have survived the crucifixion turns out to be much more extensive than the authors first thought Instead of beginning during the time of Jesus it stretches far back into antiquity to the Egyptian Mystery Schools Instead of being only a propagation of the holy bloodline the Rex Deus families are also carriers of the secret teachings of Jesus Custodians of Truth reveals the purpose and secrets of the Rex Deus lineage Jesus was not only a holy man but an adept of ancient knowledge which informed his own teachings This secret knowledge was suppressed by the Church in their voracious quest for power and influence in the secular world These teachings have manifested throughout history in different forms Gnostic philosophy around the time of Jesus the Order of the Knights Templar Freemasons and the current resurgence of interest in New Age thought Finally the time is right for the hidden message of Jesus to be revealed a message of tolerance brotherhood and respect for nature The next chapter in the legend of the Holy Grail and the bloodline of Christ from the best selling authors of Rosslyn

The Knights Templar and Scotland Robert Ferguson, 2011-08-26 Places and books like Rosslyn Chapel and The Da Vinci Code have focused attention on Scotland's Knights Templar Who they were and what they did has been touched upon but never properly explored until now They were close advisors to Scotland's early kings they were major property owners and

respected landlords in a harsh and unforgiving time and they were secretive and arrogant But did they really flee from France to Scotland just prior to their arrest in 1307 Did they fight with Robert the Bruce at Bannockburn in 1314 And how did the Templars continue on after Bannockburn In *The Knights Templar and Scotland* Robert Ferguson intertwines Templar and Scottish history from the foundation of the order in the early twelfth century right up to the present day Including a comparison of the arrest of the Templars in France with the Templar Inquisition at Holyrood and an examination of the part they played at Bannockburn this is an essential book for anyone with an interest in history of the Knights Templar *The Sacred Mound* Pasquale De Marco, 2025-05-02 In the annals of history few organizations have captured the imagination and inspired such enduring fascination as the Knights Templar Their sudden rise to power and wealth their abrupt downfall and persecution and their alleged involvement in a vast array of secret societies and conspiracies have all contributed to their enduring mystique But what was the Knights Templar's true mission What secrets did they guard so fiercely And what was the source of their immense power In this groundbreaking book we delve into the hidden history of the Knights Templar uncovering their true purpose and their profound impact on the course of Western civilization Through meticulous research and groundbreaking new evidence we challenge the conventional narrative and present a compelling case for the Knights Templar's true role in history We argue that the Knights Templar were not merely a military order or a religious brotherhood but a secret society with a mission that extended far beyond the Crusades Their quest for knowledge and enlightenment led them to explore the hidden corners of the world from the pyramids of Egypt to the temples of Mesoamerica They sought out ancient wisdom and arcane secrets which they believed held the key to unlocking the mysteries of the universe Their search for enlightenment brought them into contact with ancient civilizations and secret societies from the Essenes to the Cathars They acquired forbidden knowledge and powerful artifacts which they used to further their own agenda And they established a network of secret bases and underground tunnels where they conducted their clandestine activities away from the prying eyes of the Church and the state The Knights Templar's hidden history is a story of adventure intrigue and enlightenment It is a story that has been suppressed for centuries but it is now ready to be told In this book we reveal the truth about the Knights Templar and their enduring legacy If you like this book write a review on google books **The Knights Templar** Gil McHattie, 2011 The beginning of the Templar Order is shrouded in mystery Little is known about its foundation inner workings or its rapid growth Such a lack of knowledge can lead to all sorts of speculation and at times bizarre theories This book the result of a conference on the theme at Emerson College in England offers new well grounded perspectives that utilize both esoteric and exoteric sources From varying perspectives the contributors tackle key questions relating to the formation of the Templar Order as well as its goals and intentions The authors explore the spiritual and historical background of the Knights Templar as well as the Order's significance today and its continuing impulse for the future With its broad scope this stimulating anthology encourages independent open minded enquiry and research The Knights Templar features
