Yigael Yadin

Temple Scroll:

Temple Scroll and Related Texts Sidnie White Crawford, 2000-05-01 The Temple Scroll and Related Texts one of the series Companion to the Qumran Scrolls is a comprehensive roadmap to the Temple Scroll the longest and one of the most complex of the manuscripts from Qumran The central chapter contains a discussion of the contents of the Temple Scroll including sections on the Temple and its courts purity regulation the festival calendar and the Deuteronomic Paraphrase with the Law of the King The Companion also includes a chapter on the Description of the New Jerusalem as well as one on the relationship of the Temple Scroll to the Book of Jubilees 4QMiqsat Ma'aseh ha Torah and the Damascus Document Written in accessible language and featuring extensive bibliographies this Companion is ideal for undergraduate and graduate classes

The Temple Scroll Yigael Yadin, 1985 **The Temple Scroll** Johann Maier, 1987-03-01 The introduction translation and commentary on the Temple Scroll by Johann Maier has been thoroughly revised and updated by the author for its English edition taking account of improvements in readings and among other recent secondary literature the English translation of Yadin's edition to which cross references are given Students of Second Temple Judaism and the Dead Sea Scrolls in particular will at last have a convenient English edition of this most important document from Qumran **The Temple**

Scroll and the Bible Dwight D. Swanson, 1995-01-01 This volume seeks to identify the biblical sources of the Temple Scroll then to define the ways in which those sources are put together in order to provide a firm basis for understanding the Scroll exegetical methodology and context **The Courtyards of the House of the Lord** Lawrence Schiffman, 2008-08-31

Already before its publication it was clear that the Temple Scroll represented a major contribution to the history of Jewish law in Late Antiquity The present volume brings together the author's studies on this important scroll He has sought to uncover the hermeneutics of the Zadokite Sadducean legal system and to compare and contrast it with other texts of its own type as well as with those in rabbinic literature preserving the Pharisaic rabbinic approach **Women in the Damascus**

Document Cecilia Wassen, 2005 **Exploring the Dead Sea Scrolls** Hanan Eshel, 2015-09-16 Among the most prominent hallmarks of the late Prof Hanan Eshel 1958-2010 were his generosity passion and integrative approach The eighteen essays in this volume were selected by Prof Eshel shortly before his untimely death to be printed as a collection aimed at contextualizing the textual finds of the Dead Sea Scrolls within their archaeological settings and within the contours of contemporary scholarship The Qumran texts that stand at the center of these articles are correlated with archaeological and geographic information and with a variety of textual sources including epigraphic evidence and especially the Hebrew Bible Josephus and rabbinic texts The essays are organized according to the provenance of the discovered material with sections devoted to the Damascus Document and the scrolls from Caves 1 3 4 and 11 as well as a final more general chapter Half of the essays have been previously published in English while the other half have been translated from Hebrew here for the first time The book includes essays that have been co-authored with Esther Eshel Shlomit Kendi Harel Zeev Safrai and John

Strugnell **The Dead Sea Scrolls** Rappaport,Devorah Dimant,2018-11-26 A fortieth anniversary is an occasion to be marked under any circumstances especially when it concerns a discovery as significant as that of the Dead Sea Scrolls The proper way to mark this occasion was to organize a symposium that would be as comprehensive as possible both in content and in variety of approaches and which would be held in the land of the Scrolls The papers here reflect not only the variety and richness of subjects treated by contemporary research on Qumran but also its international character Since the study of texts remains the first task of the Qumran scholar many of the collection s papers belong to its first section Texts and Text Studies The other six sections are The History of the Qumran Community Halakha at Qumran Qumran and the Hebrew Bible Qumran and the New Testament and The Hebrew of the Dead Sea Scrolls **Temple scroll and related documents** James H. Charlesworth,2011 **From Sources to Scrolls and Beyond** David M. Carr,2024-05-28 This volume collects essays by David M Carr which move from a survey of the last half century of scholarship on Pentateuchal theory to the rationale for and methodologies for such study Its concluding essays link such research to questions of oral transmission material history literary and animal studies The Dead Sea Scrolls and Contemporary Culture Adolfo D. Roitman,Lawrence H. Schiffman,Shani Tzoref,2011-03-21 This volume contains the proceedings of the international conference held at the Israel Museum in Jerusalem in July 2008 in honor of the 60th anniversary of the discovery of the Dead Sea Scrolls As indicated by its title The Dead Sea Scrolls and Contemporary Culture the aim of the conference was to move beyond the strict confines of conventional scholarship and to explore new avenues of research including the examination of the place of the findings from the Judean Desert in contemporary culture The book is divided into five main sections 1 the Identity and History of the Community 2 the Qumran Library Origins Use and Nature 2a Biblical Texts 2b Biblical Interpretation 2c Sectarian and Non Sectarian Literature 2d Sectarian vis vis Rabbinic Halakha 3 Christianity in Light of the Dead Sea Scrolls 4 Gender at Qumran and 5 New Perspectives 5a Methodological Approaches 5b Educational Approaches Wealth in the Dead Sea Scrolls and in the Qumran Community Catherine Murphy,2018-12-24 This volume is concerned with exploring sectarian attitudes toward wealth and the economic practices that gave rise to and issued from those attitudes An introductory chapter establishes the state of the question Three subsequent chapters focus on major sectarian texts the Damascus Document the Rule of the Community and 4QInstruction A Other sectarian and non sectarian texts that mention wealth are discussed in a fifth chapter while archaeological evidence from the Qumran region and contemporary documentary texts are introduced in chapters seven and eight Finally ancient secondary testimony on Essene economic practices is discussed The book breaks new ground in arguing for several biblical rationales for the practice of shared wealth Its integration of archaeological and documentary evidence sheds surprising new light on the economic organization of the Qumran community **Secrets of the Dead Sea Scrolls** Randall Price,1996 Discover new technology that helps translators with previously unreadable Scroll fragments supposedly secret scrolls in hiding and the furious debate about who rightfully owns the Scrolls Includes never

before published photographs **Otherworldly and Eschatological Priesthood in the Dead Sea Scrolls** Joseph L. Angel, 2010 Departing from scholarship dedicated to the socio historical realities of priesthood at Qumran this book explores images of otherworldly and messianic eschatological priesthood in the Dead Sea Scrolls as a reflection of the religious worldview of the Qumran community and related groups **Leviticus and Its Reception in the Dead Sea Scrolls from Qumran** Baesick Choi, 2020-10-23 A large amount of Leviticus material has been found among the Dead Sea Scrolls Yet there is surprisingly little secondary scholarly analysis of the role of Leviticus in this corpus The book of Leviticus survives in several manuscripts it also features in quotations and allusions so that it seems to be a foundational source for the ideology behind the composition of some of the nonscriptural texts Indeed this volume argues that the ideology of the Holiness Code persisted in the communities that collected the manuscripts and placed them in the Qumran Caves **The Dead Sea Scrolls at Seventy: "Clear a Path in the Wilderness!"** , 2024-10-28 The Sixteenth Orion Symposium celebrated seventy years of Dead Sea Scrolls research under the theme Clear a path in the wilderness Isaiah 40 3 Papers use the wilderness rubric to address the self identification of the Qumran group dimensions of religious experience reflected in the Dead Sea writings biblical interpretation as shaper and conveyor of that experience the significance of the Qumran texts for critical biblical scholarship points of contact with the early Jesus movement and new developments in understanding the archaeology of the Qumran caves The volume both honors past insights and charts new paths for the future of Qumran studies

Apocalypticism in the Dead Sea Scrolls John J. Collins, 2002-01-04 Since the photographs of the Dead Sea Scrolls were released in 1992 there has been an explosion of interest in them This volume explores the issue of apocalypticism in the Scrolls how the notions of the end Messianic expectation and eternal life affected the Dead Sea sect influenced Judaism and filtered into Christianity Collins volume provides a valuable and accessible introduction to the interpretation of the Scrolls which is an informative addition to the series examining the major themes of the Scroll texts *The Dead Sea Scrolls on Sexuality* William Loader, 2009-08-05 William Loader here investigates the Dead Sea Scrolls mining every document of potential relevance for understanding ancient attitudes towards sexuality aside from the biblical writings and there are many such documents They include the Temple Scroll 4QMMT the Damascus Document and a number of legal liturgical wisdom and exegetical documents These texts treat a wide range of matters pertaining to sexuality from ritual and cultic concerns to visions of human community and family in future expectation Far from the common view that the writers of the Scrolls held a low view of sexuality and marriage Loader concludes that most of these sources reflect an affirmative stance towards sex and marriage within a framework of clear boundaries marking out where sex did and did not belong The Dead Sea Scrolls on Sexuality offers the first comprehensive treatment of this subject and comprises both detailed exegetical discussion of each work and a synthetic analysis of themes The attention to detail displayed and the helpful summaries included make this book an indispensable resource for both scholar and general reader **Converts in the Dead Sea Scrolls** Carmen

Palmer, 2018-09-11 *Converts in the Dead Sea Scrolls* examines the meaning of the term *g r* in the Dead Sea Scrolls While often interpreted as a resident alien this study of the term as it is employed within scriptural rewriting in the Dead Sea Scrolls concludes that the *g r* is a Gentile convert to Judaism Contrasting the *g r* in the Dead Sea Scrolls against scriptural predecessors Carmen Palmer finds that a conversion is possible by means of mutable ethnicity Furthermore mutable features of ethnicity in the sectarian movement affiliated with the Dead Sea Scrolls include shared kinship connection to land and common culture in the practice of circumcision The sectarian movement is not as closed toward Gentiles as has been commonly considered

Origins and Method--Towards a New Understanding of Judaism and Christianity Bradley H. McLean, 1993-09-01 This collection of essays is presented in honour of John C Hurd on the occasion of his retirement as Professor of New Testament at Trinity College Toronto and in recognition of a distinguished career in the fields of Pauline studies and computing in the humanities Given Professor Hurd s interest in Christian origins and methodology it is appropriate that the contributors to this volume deal with the origin and development of various aspects of Judaism and Christianity In particular they highlight how a greater attentiveness to method has resulted in a reshaping of our understanding of Christianity or Judaism The volume is divided into three parts New Understandings of Paul New Understandings of the New Testament and New Understandings of the Relationship between Judaism and Christianity Contributors include Walter Aufrecht Karl Donfried Robert Grant John Kloppenborg Gerd Ludemann and Wayne McCready

Temple Scroll Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be much more evident than ever. They have the capability to inspire, provoke, and ignite change.
