*A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day* Zondervan, 2018-12-11 *A Legacy of Preaching Two Volume Set* *Apostles to the Present Day* explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today. Volume One covers the period from the apostles to the Puritans and profiles thirty preachers, including Origen of Alexandria by Stephen O. Presley, John Chrysostom by Paul A. Hartog, Augustine of Hippo by Edward L. Smither, Gregory the Great by W. Brian Shelton, Bernard of Clairvaux by Elizabeth Hoare, Francis of Assisi by Timothy D. Holder, Saint Bonaventure by G. R. McDermott, John Wesley by Michael Pasquarello III, George Whitefield by Bill Curtis, and Timothy McKnight, and many more. **The Psychology of the Spirit: a Contemporary System of Biblical Psychology** J. Christopher Garrison,2001-12-05 From the FOREWORD by Dan G Blazer M D Ph D Professor of Psychiatry Duke University Medical Center Occasionally a writer on psychology and biblical faith comes along who can work from the center J Christopher Garrison is such a writer Let me explain what I mean by working from the center No person who is thoroughly committed to his or her religious faith can really put that faith aside

and work with scientific objectivity in blending the essence of that faith with the subject matter of empirical science Even if someone could I doubt that the project would be of great interest Such a person would not be someone I would define as working from the center A person who can work from the center in blending psychology and biblical faith is a person who can work not so much from the center of extremes as from the center of their being from their spirit if you will This ability shows itself when one has opened his or her innermost being to the Spirit of God and his or her mind and reason to modern psychology and truly grasped as a result the principles and concepts of what psychology is really about This is what Garrison has achieved In Garrison s Psychology of the Spirit psychology is not so much integrated as it is enriched Reading the end product deepens one s faith and one s understanding Such a psychology is not the mere providing of formulas for meeting daily life crises It is instead the total unfolding and renewal of one s inner being      **Resolutions of a Pastor** Michael E. Pohlman,2025-03-12 With the promise of numerical growth pastors are annually bombarded with new leadership techniques and paradigms for ministry Many of these are influenced more by secular business philosophy pragmatic thinking and homespun advice than the Bible The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical theological vision for ministry This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical historical and systematic theology The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty first century There is no more important institution in the world than the church And the best way to strengthen the church is to strengthen her shepherds This is the aim of The Resolutions of a Pastor      **God in Himself** Steven J. Duby,2019-12-31 How do we know God Can we know God as he is in himself Theologians have argued for the role of natural and supernatural revelation while others have argued that we know God only on the basis of the incarnation In this SCDS volume Steven J Duby casts a vision for integrating natural theology the incarnation and metaphysics in a Christian description of God in himself      **With All Your Heart** A. Craig Troxel,2020-02-04 Here is a book to be welcomed enthusiastically to be read carefully and to be returned to frequently Sinclair B Ferguson In our world we use the word heart to refer to our emotions But the Bible uses the word heart to refer to the governing center of life We need to grasp the true meaning of the heart in order to better understand ourselves our sin and our need for redemption As we rediscover the heart as the source of all our thoughts fears words and actions we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are      **Rejoice and Tremble** Michael Reeves,2021-01-05 Fear is one of the strongest human emotions and it is one that often baffles Christians The fear of the Lord is the beginning of knowledge Proverbs 1 7 Fear is one of the strongest human emotions and one that often baffles Christians In the Bible the picture can seem equally confusing Is fear a good thing or a bad thing And what does it mean to fear the Lord In Rejoice and Tremble Michael Reeves clears the clouds of confusion and shows that the fear of the Lord is not a negative thing at all but an intensely delighted wondering at God our Creator and Redeemer      **Unstuck** Steve

Shores,2022-05-26 We live in a vast social wordscape made up almost entirely of chit chat or we re being talked at rather than with Often we feel targeted by others words rather than invited into a mutual conversation It can be hard to find a relationship that involves solid words on which to rest our tattered souls In your hands you hold a book with pages dusted by the Word Jesus Christ It assumes that since Jesus is still alive and still hears and speaks there really is hope that humans can do the same In fact we re designed to do the same we ve just lost the skill This object you have found this book invites you to engage in spiritual conversations those that the Spirit of Christ our helper has always hoped we could have with each other In spiritual conversations chit chat and targeting give way to real talk in which to rest heal repent and grow *The Nature, Danger and Cure of Temptation* Richard Capel,C. Matthew McMahon,2019-02-08 In this masterful treatise on temptation Capel explains that God s honor is on the line and what will Christians do to uphold his honor amidst those temptations Will they give in easily or will they fight Do they know how to fight Are they successful in their fight How do they know Capel explains the substance of a temptation what it is what it means that one is drawn aside into temptation what being enticed to sin means and what it means to be tempted to lust lust being a hinge for all temptation He will show how temptations come from the world the flesh and the devil He gives general rules for dealing with temptations as well as specific remedies to fight against them He is particularly keen on dissecting the way Christians ought to resist all temptations to sin and what the order of resisting is in doing so He shows that no temptations can be won over without the power of Christ through the Spirit and how that work is accomplished in God s people A most excellent section to this treatise is Capel s vivid depiction of how one sin which a Christian falls into by a powerful temptation will give way to other sins How deep buried sins not regularly seen are actually the foundation of other temptations to sin which the Christian looks to cast off but cannot until the original deep rooted sin is cast out first That section is worth its weight in gold for the Christian who desires to live victoriously against all sin for the glory of Jesus Christ This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **Life Under the Shadow of the Almighty** Landis Brown,2025-05-01 Life Under the Shadow of the Almighty A Journey Through Psalm 91 summons readers to take a journey through one of the most familiar psalms in the Psalter Psalm 91 Psalm 91 offers a powerful testimony of God s protection and provision Moses having experienced God s harboring care through the trials of Egypt the Red Sea and the wilderness reveals the unmatched rest and security found under the shadow of the Almighty From deliverance to divine preservation God s promises are brought to life through Moses s personal experiences under the shadow of Yahweh offering comfort for the weary peace for the fearful and hope for those facing difficulty This psalm paints a picture of God as a refuge a fortress and a place of peace amidst life s greatest storms It is not just a psalm of ancient Israel but a timeless reminder for all who seek solace and deliverance Whether facing fear uncertainty or spiritual warfare Moses in Psalm 91 invites us to find true rest under the shadow of the Almighty Moses takes readers on a journey through life under

the shadow of the Almighty pointing them to a place of rest protection and sustaining grace for every believer

**The Great Divide** Jordan Cooper, 2015-08-27 Since the sixteenth century the Protestant tradition has been divided The Reformed and Lutheran reformations though both committed to the doctrine of the sinners justification by faith alone split over Zwingli and Luther s disagreement over the nature of the Lord s Supper Since that time the Reformed and Lutheran traditions have developed their own theological convictions and continue to disagree with one another It is incumbent upon students of the reformation in the Lutheran and Reformed traditions to come to an understanding of what these differences are and why they matter In *The Great Divide A Lutheran Evaluation of Reformed Theology* Jordan Cooper examines these differences from a Lutheran perspective While seeking to help both sides come to a more nuanced understanding of one another and writing in an irenic tone Cooper contends that these differences do still matter Throughout the work Cooper engages with Reformed writers both contemporary and old and demonstrates that the Lutheran tradition is more consistent with the teachings of Scripture than the Reformed

*Pierced by the Word* John Piper, 2009-01-16 *Pierced by the Word* takes up thirty one subjects as unique as How to Be a Refuge for Your Children How to Drink Orange Juice to the Glory of God and Embracing the Pain of Shame Some are longer some shorter like the real world conversations they so closely resemble and each comes from the fertile mind of John Piper and is written in his own inimitable style Together the readings will lead to a deeper understanding of God and a cleaner clearer relationship with Him Most of all Piper s approach shows how meditating on God s powerful Word can affect every aspect of our lives Whether you re steeped in the Word of God or newly acquainted with it these thirty one meditations will penetrate to the deepest reaches of your soul With a contagious passion John Piper awakens us to violent prayer piercing pleasure and fearless faith

*The Immediacy of God* Douglas Vickers, 2009-05-13 The confessing church in our time treats lightly the doctrinal deposit of its theological inheritance The clamor of competition for the reconstruction of belief systems has too often neglected older and more secure moorings In a postmodern age that countenances individual belief idiosyncrasies and accords them sanctity the answer to the ordinary man s question What is the gospel is often clouded and confused Against doctrinal uncertainties and

insecurities The Immediacy of God brings back into prominence a number of foundational issues related to the doctrines of God and salvation of theology and soteriology In doing so it anchors its thought structure in the basic apologetic presupposition that God is and in the fundamental hermeneutical principle of divine covenantal purpose The originality of Vickers argument lies in its proposal of new perspectives on its chosen subject range and as it becomes necessary for the elucidation of biblical belief its critical response to proposals for new theological paradigms The organizing core of the book s argument is its proposition regarding the immediacy of God in his being his knowledge his will and his actions That core proposition spills its influence to aspects of human salvation On such levels questions are raised that strike to the heart of the meaning of the divinely instituted redemptive process Divine actions within that process are understood to be immediate rather than mediate Redemptive actions of God are immediate in the sense that no mediating causes exist between those actions and their effects and outcomes in the human condition      *The Doctrine on Which the Church Stands or Falls*

(Foreword by D. A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology      **Joseph's Resolve and the Unreasonableness of Sinning**

**Against God** C. Matthew McMahon, 2020-06-16 One of the greatest depictions of God s providence in Scripture is the historical narrative of Joseph who was sold into slavery and worked under Potiphar the chief steward of Pharaoh Within the course of this narrative while Joseph is in his house Potiphar s wife comes to him many times to lure him off to sin in one of the most bold and forthright temptations to be recorded anywhere in the Bible She had longing wandering eyes and comes to tempt him assaulting him day by day constantly and audaciously Joseph s reaction to this wicked assault is an instant refusal to the temptation How then can I do this great wickedness and sin against God Gen 39 9 What biblical directives can be found in this amazing statement of holiness and godliness From this one text McMahon meticulously explains how Joseph s victory over temptation against Potiphar s wife can be used by the believer today for their own victory to the glory of Jesus Christ Christians need to be prepared to deal with temptation in a manner in which they will be victorious in the power of Christ s Spirit But they can only do this if they understand what Joseph understood in regards to God temptation and the heinous nature of sin He covers such topics as the great evil of sin the relationship between sin and God s holiness how to live faithfully before God s omniscience and omnipresence the nature and character of temptation what it means to resist temptations how holy fear aids the Christian in light of temptation what the Spirit works in a Christian motioning them to holiness how one can cultivate a sensitivity to the Spirit s work the inconsistency in sinning against God how usefulness in God s kingdom is linked to holiness the power of Christ s Gospel as the full remedy to temptation and sin as well as a number

of other important considerations He also includes a study on the hedge of protection that is mentioned in Job 1 10 as an appendix to the work This book faithfully explains and applies Genesis 39 9 demonstrating Joseph s godly resolve and the unreasonableness of sinning against God Here you will find what steps you can take following devout Joseph to keep yourself from falling into sin through the craftiness of temptation that you may bring the most glory to Jesus Christ in your walk before God     Mercy for Today Jonathan Parnell,2020-01-07 You cannot make it without God s mercy Do we just need God s grace in dark and shameful moments Are prayers for mercy only for those times when we really mess up Jonathan Parnell says we need God s mercy all the time In fact contrary to many church cultures Parnell shows that asking God for mercy should be as regular as asking God for our daily bread There s no doubt that David was in a terrible predicament when he first prayed the words of Psalm 51 It was a dark and shameful moment in the Bible and one so dark and shameful it seldom feels relevant to us today But David s most desperate prayer is really a prayer for all of us and not just for our worst moments but for our every moment In these pages you ll discover how to pray a daily memorable prayer derived from Psalm 51 how to practice daily repentance and soul care how to pursue God and experience his joy in the Christian life This is God s mercy and it s Mercy for Today     **Biblical Counsel** ,1993
