Jones,2013-11-01 An introductory text explaining the nature relevancy coherency and structure of the moral law as revealed throughout the Bible with discussion of the Ten Commandments as a moral rubric and a subsequent application of each commandment to Christian living **"In the Beginning . . ."** Eduardo J. Echeverria,2011-01-01 One of the most significant contributions of Pope John Paul II to the church and arguably to the culture was his development of a theology of the body This theology explores the rich meaning and vocation of human embodiment of the body person in light of the fundamental truths of creation fall into sin and redemption in Jesus Christ In this book Eduardo J Echeverria inquires into the biblical theological and philosophical foundations of the Pope s theology of the body In a wide ranging discussion of a Catholic theology of revelation biblical hermeneutics and a biblical perspective on the Christ centered dynamics of the moral life Echeverria clearly establishes the fundamental principles needed for a full understanding of John Paul II s thought He probes the philosophical foundations of the Pope s thought in the context of a Catholic theology of nature sin and grace The book concludes with an analysis of the normative implications of the Pope s theology for sexual ethics and provides a novel and provocative application of the theology of the body to the morality of homosexuality Echeverria s study of John Paul II s theology of the body helps us to make sense of how the pope s theology deepens our understanding of the Catholic teaching that the human body shares in the dignity of the image of God Catechism of the Catholic Church no 364 *Created and Creating* William Edgar,2017-03-16 The gospel of Jesus Christ is always situated within a particular cultural context but how should Christians approach the complex relationship between their faith and the surrounding culture Should we simply retreat from culture Should we embrace our cultural practices and mindset How important is it for us to be engaged with our

culture and mindset How might we do that with discernment and faithfulness William Edgar offers a biblical theology in the light of our contemporary culture that contends that Christians should and indeed must engage with the surrounding culture By exploring what Scripture has to say about the role of culture and glean insights from a variety of theologians including Abraham Kuyper T S Eliot H Richard Niebuhr and C S Lewis Edgar contends that cultural engagement is a fundamental aspect of human existence He does not shy away from those passages that emphasize the distinction between Christians and the world Yet he finds shining through the biblical witness evidence that supports a robust defence of the cultural mandate to be fruitful and multiply and fill the earth and subdue it Genesis 1 28 With clarity and wisdom Edgar argues that we are most faithful to our calling as God's creatures when we participate in creating culture Introduction Part 1 Parameters of culture Part 2 Challenges from Scripture Part 3 The cultural mandate Epilogue *A Scriptural Theology of Eucharistic Blessings* Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters *The Maleness of Jesus* Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women **Environmental Stewardship** J. Douma, 2015-03-17 If any single word in the Christian vocabulary captures our relationship to and responsibility for the environment that word is stewardship It is a word that brings into view the relationship between humanity and the natural world of water land animals and fellow human beings Nevertheless today some people think Christianity especially Calvinism is largely responsible for many of our environmental problems The language of exercising dominion subduing the earth creation mandate and technological progress somehow suggests abuse exploitation and pollution But are these criticisms correct In this book you will receive an honest and

clearheaded analysis from a Christian perspective of our role as human beings in caring for the environment along with careful explanation of important Bible passages and teachings relating to environmental stewardship What about humanity's relationship to the earth to animals to their own genetic capacities What about genetic screening Germline therapy Eugenics When do science and scientific experimentation cross the moral boundary line This primer will introduce you to this timely moral discussion while placing before your eyes with honest detail both the damage resulting from our human interaction with the creation and our personal duties toward the Creator of this earth Old Testament Essentials Tremper Longman III, 2013-12-10 Following the format of the Essentials series as designed by Greg Ogden author of Discipleship Essentials this comprehensive guide from Tremper Longman offers a survey of the Old Testament for use in the context of a small group Each study contains a question answer format a field tested inductive Bible study and questions to draw out key principles

1 Timothy, Volume 1 Paul S. Jeon, 2017-12-22 1 Timothy is one of the more controversial documents in the New Testament For years critical scholars have rejected Pauline authorship highlighted the apparent misogynistic quality of the text and argued against any coherence in the letter Jeon takes a fresh look at the letter incorporating many recent advancements in NT scholarship In detail he demonstrates the macro and micro chiastic arrangement of the entire letter and explains how the presumed first century audience would have heard and responded to an oral performance of the letter In doing so Jeon offers a fresh challenge to more popular ways of mis understanding the letter and points a way forward for appropriating the letter both in academia and in the church
