Ten Commandments Sound Of Love From Sinai:

The Ten Commandments Alfred McBride,1990 **The Sounds of Love and Grace** Jimi Calhoun,2020-02-14 The book you are holding results from years of research carried out as I traveled the world as a rock musician followed by living abroad as a minister Did you know that all the music ever created in the West has its origin in just twelve sounds From rock to bluegrass to gospel to the intricate arrangements of classical it all came from only twelve notes That happened because musicians found an infinite number of tonal combinations to use within the twelve note scale What today s social ills have in common with music is that they exist because of a failure on our part to have a similar vision for the Ten Commandments That vision is one of limitless applications for them This book approaches the Ten Commandments in the same manner that musicians approach the twelve note scale with a desire to create something fresh building on what has come before This book uses the ten sounds to create a different melody to sing in the areas of racial injustice disability gender inequality and to bring healing to the wounds that linger on in some communities because of unjust activities engaged in by some of our forebearers *The Seven Last Words of Jesus* Alfred McBride,O. Praem,1990-12-12 **Walking by Faith Grade 1 Parish** David Haas,2002-03 *Father McBride's Family Catechism* Alfred McBride,1998 Following the structure of the official Catechism this new look at timeless teachings is intended to help families implement the teachings of the Catechism into their everyday family lives Each section begins with reference numbers to the Catechism itself and an entertaining yet thought provoking opening story followed by a Catechism reflection an application of the teaching to Catholic family life a family prayer and finally a glossary of technical terms An ideal way to stimulate reading of the Catechism as well as bring the teachings of the Faith home **Father McBride's College Catechism** Alfred McBride,2000 Especially helpful for college students facing new challenges and temptations *Elenchus of Biblica* ,1993 **The Millennium** Alfred McBride,Jack Dominian,1998 In The Millennium noted catechist Father Alfred McBride strips away the layers of hype and hysteria to prove that far from being the end of time the year 2000 is actually a new beginning for humanity that will culminate in the victory of the risen Christ **When Love Passed By, and Other Verses** Solomon Solis-Cohen,1929 *The Interior* ,1921 Issues for Jan 12 1888 Jan 1889 include monthly Magazine supplement **Interior** ,1921 **Communion of Love** William Dewberry,2014-07-31 Communion of Love is an overview of the Bible focusing on Gods plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in Gods plan May God bless those who love God and are interested in understanding more about the great love He has always had for people CSB Kids Bible, Love CSB Bibles by Holman,2017-03-15 This CSB Kids Bible offers young readers an exciting approach to Bible study Dozens of full color pages are filled with study helps that will expand kids Bible knowledge and help them connect to the people places and events they are learning about Perfect for
