10 Power Principles for Christian Service Warren W. Wiersbe, David W. Wiersbe, 2010-07-01 In a church culture that is rapidly losing its unique intergenerational make up in favor of small groups and even entire churches designed to target specific age groups it can be difficult for ministers to relate to those who are not in their own demographic But Warren and David Wiersbe representing two generations believe that generational differences should not keep ministers from relating to their congregations In this thoughtful and practical book they offer ten principles for Christian service that always work at all times and in all places inviting ministers to get back to the basics of serving others New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages *Ten Power Principles for Christian Service* Warren W.
