Greear,2015-07-28 People are leaving the church J D Greear pastors Big givers Key volunteers Some of his best leaders and friends And that s exactly how he wants it to be When Jesus gave his disciples the Great Commission he revealed that the key for reaching the world with the gospel is found in sending not gathering Though many churches focus time and energy on attracting people and counting numbers the real mission of the church isn t how many people you can gather It s about training up disciples and then sending them out The true measure of success for a church should be its sending capacity not its seating capacity But there is a cost to this To see ministry multiply we must release the seeds God has placed in our hands And to do that we must ask ourselves whether we are concerned more with building our kingdom or God s In Gaining By Losing J D Greear unpacks ten plumb lines that you can use to reorient your church s priorities around God s mission to reach a lost world The good news is that you don t need to choose between gathering or sending Effective churches can and must do both      **My Journey to Life!** Dr. Sabelo Sam Gasela Mhlana,2021-06-24 The book is about his own life and he

narrates the history of his family the obstacles he encountered and how he overcame life challenges The book gives the glimpse of how life can be changed with the help of God and other people whom God places on the way to complete the puzzle as God orders it There are low episodes and high episodes in his memoir that can inspire those people who desire to face challenges with boldness and be triumphant in all odds This book will inspire and encourage you to keep on moving to achieve what you aspire in life to make this world a better world

The first half of the twenty first century promises to be a time of great change for the Christian church in the People's Republic of China The situation is complex and fluid and the information gap between those on the inside and those outside of China is still significant though shrinking The *Inscrutably Chinese Church* moves readers nearer to the Chinese Christian experience as Nathan Faries helps foreign readers to see with greater clarity just how Chinese Christians view their government and themselves in relation to those ruling powers There still exists a measure of inscrutability about China and its complex relationship with religion that must be explained to the outsider It is this gap in understanding between insider points of view within China and those outsiders seeking knowledge about the Christian faith in China that Faries seeks to close
