Tending the Master's Garden May G. Harris, May Harris Gray, 1996-04 A breathtaking collection of 32 paintings by award winning artist Charles Peer each accompanied by a poem or short devotional story by the artist s 100 year old grandmother nationally acclaimed poet May Harris Gray Bulletin of the Atomic Scientists ,1959-02 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin's iconic Doomsday Clock stimulates solutions for a safer world Path Karla Dornacher, 1999 Interweaving scripture paraphrase and garden imagery Dornacher writes a beautiful botanical book of devotional thoughts that explore God's handiwork as the Master Gardener in the heart gardens of His people Garden Devotions Betsy Davies, 2024-08-15 God's love and life's hardships are evident in our backyard Illustrations gardens From the transformation of seeds through battles with weeds to the use of the fruit gardens are an apt metaphor for the Christian life Betsy Davies walks us through the seasons and the lessons she learns through each of them No matter what is happening in her garden transformation growth weeds predators fruit or no fruit Betsy relates how they reflect scripture and what we can learn about the nature of God and his love for us Betsy also shares her struggles to garden alone after her husband's death Together they planted tended and harvested gardens for thirty years. Her grief and her efforts to continue the garden are poignant reminders of God's call for us to persevere You don't need to be a gardener to relate to the stories Betsy tells If you have ever planted a seed watered a plant or picked a flower you are aware of the wonder evident in growing plants If you have ever sat under a tree you can related to God's providence through nature Join Betsy as she shares what she has learned in the garden In her new book Garden Devotions Betsy Davies gives readers inspiring paths to growth through her experiences in tilling the soil and relating that to enriching words from Scripture I was encouraged and rewarded by her analogies and I think you will be as well Etta Wilson Agent and Editor Recently I stumbled across the phrase Seeds for Growth and could not imagine a more fitting depiction for Garden Devotions If you are willing to be challenged to grow in your faith be uncomfortable a bit achy messy and dirty then you have stumbled into the perfect garden Thank you Betsy for this inspiring devotional which has meant more than you can possibly know to so many Ellie Billington Elder First Presbyterian Church Nashville TN
