Celia's Story Through the Eyes of Texas Grandma Kathryn Allen, 2014-10-03 Celia's story came about after the death of her daddy Being that Texas Grandma lost her daddy as a child also and that there was no one to tell his story Texas Grandma gained a strong desire to write all my memories of Celia from birth to now and tell all my memories of our son so his children would at least have memories of their daddy to help keep his memory alive and real to us all As I started Texas Grandpa started adding his memories also These are memories of events and sayings from both Celia and Kyle throughout their lives We want Celia to share this story with Asha and especially with Ephraim since he was so small for them at least have these words down to help him know the father who was so proud of all three of them and for them to know that we will be here for them as long as we live The love we have for them and the love we had for our son never dies The History of Zeta Tau Alpha, 1898-1928 Mrs. Shirley Kreasan Krieg, 1928 **The Afterlife** Donald Antrim, 2024-03-26 From a fiercely intelligent writer The New York Times a wry poignant story of the difficult love between a mother and a son In the winter of 2000 shortly after his mother's death from cancer and malnourishment Donald Antrim author of the absurdist visionary masterworks *Elect Mr Robinson for a Better World* *The Hundred Brothers* and *The Verificationist* began writing about his family In pieces that appeared in *The New Yorker* and were anthologized in *Best American Essays* Antrim explored his intense and complicated relationships with his mother Louanne an artist and teacher who was at her worst a ferociously destabilized and destabilizing alcoholic his gentle grandfather who lived in the mountains of North Carolina and who always hoped to save his daughter from herself and his father who married Louanne twice *The Afterlife* is not a temporally linear coming of age memoir instead Antrim follows a logic of unconscious life of dreams and memories of fantasies and psychoses the way in which the world of the alcoholic becomes a sleepless atemporal world In it he comes to terms with and fails to comes to terms with the nature of addiction and the broken states of loneliness shame and loss that remain beyond his power to fully repair This is a tender and even blackly hilarious portrait of a family faulty cracked enraging It is also the story of the way the author works in part through writing this book to become a man more fully alive to himself and to others a man capable of a life in which he may never learn or ever hope to know the nature of his origins The Love Songs of Henry Canary Ken Bontempo, 2002 Henry's is a life filled with loves and losses hopes and dreams with happiness and tragedy balanced by humor and kindness His life is full yet empty crowded with emotional psychological and philosophical dichotomies He is John Doe wandering across the landscape and recent history of America Henry Canary a middle aged writer and part time truck driver receives a surprise visit from Kelly Kane the illegitimate daughter of his first girlfriend Although Henry is not her father 25 year old Kelly wants to write a story about him for her magazine She tracks him down with the intention of interviewing him but gets involved in his life As they travel from Santa Cruz to Los Angeles in his truck she learns the story of a boy growing up in a factory town in Connecticut in the 1950s During trips from L A to Las Vegas to Death Valley and

Arizona Kelly learns about the happy sad humorous and tragic events from grade school to college to Vietnam and back and hears about his successes and failures in love and life Henry tries not to fall in love with the girl who reminds him so much of her mother Kelly tries not to fall in love with Henry as she learns about his family friends lovers and other strangers She hears loving descriptions of favorite people places and things as well as the tragedies and losses that we all endure in our own lives Henry talks about his first crush at 14 on a 26 year old woman a high school street battle dubbed the Creampuff War his on off love hate relationship with Kelly's mother his tour in Vietnam where he kills an enemy his move to New York City after the Army his girlfriend who was a third generation orphan his job at a bank where the workers plot to kill their boss his cross country adventure with a friend and two call girls his whirlwind marriage to a girl he hardly knew the Summer of Love in San Francisco graduate school the birth and death of his son driving a taxi in New York City his short lived career as a TV sit com writer in Hollywood the various women that came and went after his divorce the sex drugs and rock and roll of Greenwich Village in the early 80s his third move to California and his philosophies on life and God's mistakes The story ends with an unpredictably surprising revelation *The National Magazine* ,1921 Congressional Record United States. Congress,2002 **Through the Eye of the Storm** Donna Criswell Owens,2013-11-27 Life's journeys are often unplanned yet there is comfort in knowing God is in control I expected to grow up to marry and to have children but never expected to send those two sons to war or be diagnosed with cancer requiring a bone marrow transplant Life is full of the unexpected and therefore it becomes quite a ride *Confederate Veteran* ,1898 **I Chose Death...** Marty L. Byars,2009-05 I Chose Death is an inspirational story of one man's struggle through the very dark times of dealing with drug addiction and family tragedy What brings us to the edge of life where we feel like our life is not worth living anymore The most important discovery that he made was that when he put God first in his life he finally discovered the true meaning of the grace of God Due to his deep involvement in his local community and because he is a professional motivational speaker he wanted to share his story to inspire others to feel hope even when times may seem hopeless I Chose Death will inspire readers to take charge of their lives finding the positive path to survival by putting their reckless past behaviors behind them The path to a better life is filled with tough lessons Marty Byars shows you how to take those lessons and make a positive difference in your life and the lives of those around you *Sunset* ,1925 **"Deaf Maggie Lee Sayre"** Maggie Lee Sayre,1995 Maggie Lee Sayre was born deaf near Paducah Kentucky in 1920 She lived 51 years of her life on a river houseboat as her family made a living fishing throughout Kentucky and Tennessee This collection of her photos accompanied by descriptive captions from Sayre reveals a traditional river culture that is rooted in subsistence living **Poets & Writers** ,2008 *McClure's Magazine* ,1922 *Honoring My Journey* Barbara Gray Armstrong,2014-10-07 Author Barbara Gray Armstrong came of age during Jim Crow when the color line was clearly drawn and America was divided into black and white Black people were denied rights and endured discrimination In *Honoring My Journey* she weaves together both personal and public events as an exploration

of what it was like being black in America In this memoir she shares stories from her youth growing up in the 1950s and 60s in the South and prospering despite widespread bigotry Representing just a slice of her life Honoring My Journey narrates experiences with her parents siblings grandparents friends and classmates and of working as a nanny for a white family Armstrong blends the details of her family and family history into a larger societal context to tell a story that is both personal and universal Honoring My Journey provides insight into what it was like growing up during such a turbulent time in the nations history

A Comfortable Boy Sam Pickering, 2010 Long before he became a celebrity by being depicted as John Keating in the Dead Poets Society Sam Pickering lived an ordinary childhood in the South This memoir extraordinarily told is Pickering s crowning moment to his long literary career Told with honesty warmth and integrity he tells his story through his eighth grade year focusing on family growing up and centers on finding his self For Pickering family is everything Happiness is precious For some people happiness is hard won slowly distilled from the grit of rasping days For others like Sam Pickering happiness has come easily In *A comfortable boy* Pickering describes the early years of childhood rolling back through time on the wheels of anecdotal memory With an eye peeled for detail he recalls family and places He meanders farm and school roaming Tennessee and Virginia He notices things that others sometimes miss or at least neglect Recently he wrote that he saw two stickers on the rear window of a rusting Pontiac the warning Baby on Board inexplicably beside the command Drive It Like You Stole It He owns three dogs all mongrels rescued from the streets of Hartford and he calls the trowel he uses to scoop up their droppings Excalibur For Pickering life s pleasures are endless lurking amid the wildflowers of field and wood or sprouting in paragraphs written to his great grandmother during the Civil War In part *A comfortable boy* reveals what made Pickering a successful teacher and writer not the wound of the suffering Romantic but instead the simple joy and gratitude for being born in the South at a certain time in a particular place and in a specific family among people he writes whom it was impossible not to love and not to laugh at and with From publisher s description
