**Tennessee Williams** Dotson Rader,1985      *Tennessee, Cry of the Heart* Dotson Rader,2017      *Tennessee Williams* Dotson Rader,2017-01-18 Since their first meeting in the 1960s and until the great playwright's death in 1983 Dotson Rader was one of Tennessee Williams' closest friends and companions. In his intimate memoir of their friendship Rader recounts the life of Tennessee Williams in shocking detail. Here is the harrowing portrait of America's greatest playwright who created works that changed and uplifted American theater despite his own downward spiral into substance abuse, licentiousness and self destruction. Full of tension and love Dotson Rader's memoir of Tennessee Williams is one of the most revealing and touching works written about a genius.      *Tennessee Williams* Paul Ibell,2016-09-15 Few writers have brought more of their life into their works than famed playwright Thomas Lanier Tennessee Williams III. His characters have often served as proxies for himself, his mother and especially his tragically unstable sister Rose who many consider to be the inspiration for Williams' iconic female leads Blanche DuBois and Laura Wingfield. In this gripping new biography Paul Ibell looks at Williams as a poet, playwright, brother, homosexual, alcoholic, drug addict and ultimately a deeply passionate soul whose operatically intense plays were a vibrant reflection of life. Ibell discusses Williams' early plays that have become household names: *The Glass Menagerie*, *A Streetcar Named Desire* and *Cat on a Hot Tin Roof*. But he also rescues Williams' later works from critical obscurity, uncovering overlooked values in them. He explores the importance of Europe on the Southerner's imagination following Williams and his companion Gore Vidal through holiday after holiday in Italy and he looks especially at the theme for which Williams became most known: the power of sexual attraction and the tragedy of its loss when we, as we all must, do grow old. Punchy, accessible and fabulously illuminating, this critical biography is a must read for any admirer of American theater literature or the passionate lives of those who define them.      **Tennessee Williams** Dakin Williams, Shepherd Mead,1983 A set the record straight of the tempestuous life and career of the man who was widely considered the world's most illustrious playwright.      **Tennessee Williams and the Theatre of Excess** Annette J. Saddik,2015-01-26 This book explores Williams' late plays in terms of a theatre of excess which seeks liberation through exaggeration, chaos, ambiguity and laughter.      **The Cambridge Companion to Tennessee Williams** Matthew C. Roudané,1997-12-11 This is a collection of thirteen original essays from a team of leading scholars in the field. In this wide-ranging volume the contributors cover a healthy sampling of Williams' works from the early apprenticeship years in the 1930s through to his last play before his death in 1983, *Something Cloudy, Something Clear*. In addition to essays on such major plays as *The Glass Menagerie*, *A Streetcar Named Desire* and *Cat on a Hot Tin Roof* among others, the contributors also consider selected minor plays, short stories, poems and biographical concerns. The Companion also features a chapter on selected key productions as well as a bibliographic essay surveying the major critical statements on Williams.      **Tennessee Williams in Provincetown** David Kaplan, Senior Labor Market Specialist David Kaplan, PhD,2015-02-26 *Tennessee Williams in Provincetown* is the story of

**Contemporary American Dramatists** Kathryn Ann Berney,N. G. Templeton,1994 This pioneering work profiles nearly 200 U S playwrights both living and deceased and is part of St James Press Contemporary Literature Series Contemporary American Dramatists provides invaluable critical biographical and bibliographical information on nearly 200 of the most important American dramatists since the end of World War II *White Matter* Janet Sternburg,2015-08-17 *White Matter* A Memoir of Family and Medicine is the story of a Bostonian close knit Jewish working class family of five sisters and one brother and the impact they and their next generation endured due to the popularization of lobotomy during the 20th century When Janet Sternburg's grandfather abandoned his family and her uncle Bennie became increasingly mentally ill Sternburg's mother and aunts had to bind together and make crucial decisions for the family's survival Two of the toughest familial decisions they made were to have Bennie undergo a lobotomy to treat his schizophrenia and later to have youngest sister Francie undergo the same procedure to treat severe depression Both heartrending decisions were largely a result of misinformation disseminated that popularized and legitimized lobotomy Woven into Sternburg's story are notable figures that influenced the family as well as the entire medical field In 1949 Egas Moniz was awarded the Nobel Prize in Medicine for developing the lobotomy and in the three years that followed his acceptance of the award more Americans underwent the surgery than during the previous 14 years By the early 1950s Walter Freeman developed an alternate technique for lobotomy which he proselytized during his travels throughout the country in a van he dubbed the Lobotomobile The phrase prefrontal lobotomy was common currency growing up in Janet Sternburg's family and in *White Matter* she details this scientific discovery that disconnects the brain's white matter leaving a person without feelings and its undeserved legitimization and impact on her family She writes as a daughter consumed with questions about her mother and aunts all well meaning women who decided their siblings mental health issues would be best treated with lobotomies By the late 1970s the surgical practice was almost completely out of favor but its effects left patients and their families with complicated legacies as well as a stain on American medical history Every generation has to make its own medical choices based on knowledge that will inevitably come to seem inadequate in the future How do we live with our choices when we see their consequences **Tennessee Williams: Mad Pilgrimage of the Flesh** John Lahr,2014-09-22 National Book Critics Circle Award Winner Biography Category National Book Award Finalist 2015 Winner of the Sheridan Morley Prize for Theatre Biography American Academy of Arts and Letters Harold D Vursell Memorial Award A Chicago Tribune Best Books of 2014 USA Today 10 Books We Loved Reading Washington Post 10 Best Books of 2014 The definitive biography of America's greatest playwright from the celebrated drama critic of The New Yorker John Lahr has produced a theater biography like no other Tennessee Williams

Mad Pilgrimage of the Flesh gives intimate access to the mind of one of the most brilliant dramatists of his century whose plays reshaped the American theater and the nation's sense of itself. This astute, deeply researched biography sheds a light on Tennessee Williams's warring family, his guilt, his creative triumphs and failures, his sexuality and numerous affairs, his misreported death, even the shenanigans surrounding his estate. With vivid cameos of the formative influences in Williams's life, his fierce belittling father Cornelius, his puritanical domineering mother Edwina, his demented sister Rose who was lobotomized at the age of thirty-three, his beloved grandfather the Reverend Walter Dakin, Tennessee Williams's *Mad Pilgrimage of the Flesh* is as much a biography of the man who created *A Streetcar Named Desire*, *The Glass Menagerie*, and *Cat on a Hot Tin Roof* as it is a trenchant exploration of Williams's plays and the tortured process of bringing them to stage and screen. The portrait of Williams himself is unforgettable: a virgin until he was twenty-six, he had serial homosexual affairs thereafter, as well as long-time bruising relationships with Pancho Gonzalez and Frank Merlo. With compassion and verve, Lahr explores how Williams's relationships informed his work and how the resulting success brought turmoil to his personal life. Lahr captures not just Williams's tempestuous public persona but also his backstage life where his agent Audrey Wood and the director Elia Kazan play major roles, and Marlon Brando, Anna Magnani, Bette Davis, Maureen Stapleton, Diana Barrymore, and Tallulah Bankhead have scintillating walk-on parts. This is a biography of the highest order, a book about the major American playwright of his time, written by the major American drama critic of his time.
