Tennyson Poet Philosopher Idealist:

Tennyson: Poet, Philosopher, Idealist John Cuming Walters, 1971 A comprehensive study of Tennyson's life with each chapter a separate complete study of some facet of his work The author takes special care to deal thoroughly with the religion philosophy politics of the poet also to quote at length criticisms by contemporaries of the poet *Tennyson Poet, Philosopher, Idealist* J. Cuming Walters, 2015-07-11 Excerpt from Tennyson Poet Philosopher Idealist Studies of the Life Work and Teaching of the Poet Laureate Lest misunderstanding should arise it is perhaps as well that I should explain at the outset that I have not attempted to supply a biography of the late Lord Tennyson I have given prominence to his literary career and preference to those facts which illustrated the literary side of his character Believing as I do in the far reaching and permanent effects of early environment I have recounted with some detail the events of Tennyson's youth but in succeeding chapters I have only casually caught up the main threads of his personal history Each chapter is a separate and complete study of some phase of Tennyson's work and I have particularly endeavoured to deal adequately with his religion philosophy and politics Some doubtful points I hope to have set at rest by undertaking original investigations and by careful reference to standard authorities The criticisms of Tennyson's contemporaries especially those of his youth are quoted at some length because of their interest and value I have not however deemed it necessary in a work of this kind to repeat for the thousandth time the small talk of which great men are so often the victims and I must ask pardon in advance of those readers who do not find in these pages a full and true account of Tennyson's sayings and doings in private life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Tennyson, Poet, Philosopher, Idealist: J. Cuming Walters, 2020-08-02 Tennyson Among the Poets Robert Douglas-Fairhurst, Seamus Perry, 2009-10-08 A revaluation of Tennyson s achievements and influence Explores the multiple connections between Tennyson and other writers his predecessors contemporaries and successors *Tennyson: Poet, Philosopher, Idealist; Studies of the Life, Work And teaching of the Poet Laureate* John Cuming Walters, Tennyson , 1983 **Übersicht über die im Jahre ... auf dem Gebiete der englischen Philologie erschienenen Bücher, Schriften und Aufsätze** , 1895

Anglia , 1896 The Literary World , 1893 **Byron and the Victorians** Andrew Elfenbein, 1995-03-30 This book is the first full length study of Byron s influence on Victorian writers concentrating on Carlyle Emily Bront Tennyson Bulwer Lytton Disraeli and Wilde It has two emphases theoretical and literary historical Its theoretical project is to revise earlier understanding of literary influence through a demonstration of the ways that institutions of cultural production mediate the access that later writers have to earlier ones Its literary historical project is to suggest the many different responses that Victorian writers had to Byron and to his celebrity in British culture It argues that defining oneself against Byron became a ritual of the Victorian authorial career Victorian writers did not reject Byron outright instead they defined themselves through fictions of personal development away from values associated with Byron towards those associated with themselves as mature Victorian writers
