Terence Rattigan A Biography:

Terence Rattigan: A Biography Geoffrey Wansell, 2012-05-03 The greatest plays of Terence Rattigan 1911-77 including *The Browning Version*, *The Deep Blue Sea*, *Separate Tables* and *The Winslow Boy* are now established classics. There have been regular revivals of his work including recent productions in the West End at Chichester Festival Theatre and by the Peter Hall Company which makes the first paperback edition of Geoffrey Wansell's acclaimed biography particularly timely. From the heady days of Rattigan's early success to the darker days of his decline in popularity, Wansell paints a captivating portrait of one of the twentieth century's greatest theatrical lights. Geoffrey Wansell is vice president of the Terence Rattigan Society (www.theterencerattigansociety.co.uk). *Terence Rattigan* Geoffrey Wansell, 1997 Geoffrey Wansell is the first writer to have been given full access to thousands of Terence Rattigan's private papers and to have talked at length to Rattigan's friends. From the heady days of his early success to the darker days of his decline in popularity, Wansell paints a captivating portrait of one of the century's greatest theatrical lights. *Terence Rattigan* Michael Darlow, 2010 In his lifetime he was a well-known public figure yet despite his friendships Rattigan always publicly hid his homosexuality. In this biography Michael Darlow describes this aspect of Rattigan's life and fully considers it in relation to his work. *Terence Rattigan* Michael Darlow, Gillian Hodson, 1982-02-01 *The Rattigan Version* Bertram A. Young, 1988 **Terence Rattigan** Peter Wolfe, 2019-07-08 The theatrical world Terence Rattigan built is vital but disturbing and uniquely constructed. His sentences are not impacted or fractured and his plots usually obey a linear time sequence. Yet his realism isn't all that real. Though sentence by sentence his dialogue sounds natural, the creative pulse behind it is idiosyncratic and self-lacerating. As a gay man writing at a time when homosexuality was a felony in the UK, Rattigan wrote at a skewed angle to his culture, making his plays at times easy to follow but hard to fathom. *Terence Rattigan: The Playwright as Battlefield* examines the ways in which Rattigan's works turn their audiences into participants, encouraging intellectual independence and freeing them to make decisions for themselves as to the deeper meanings of the works. The playwright's omission of outright explanations deepens the audience's emotional commitment to the outcomes of the performance and walks a fine line between restraint and invention. His works convey subtly and deceptively the cold obstinacy that thwarts our everyday actions in a way which is felt viscerally by the audience. This book engages with works from throughout Rattigan's early and late career to examine the unique methods by which the playwright conveys meaning to various audiences within an ever-changing sociocultural context.

The Collected Plays of Terence Rattigan Terence Rattigan, 2001 Originally published London Methuen. Nick Hern Books, 1999. *The Case for Terence Rattigan, Playwright* John A. Bertolini, 2016-11-17 This book asserts the extraordinary quality of mid-twentieth-century playwright Terence Rattigan's dramatic art and its basis in his use of subtext, implication, and understatement. By discussing every play in chronological order, the book also articulates the trajectory of Rattigan's darkening vision of the human potential for happiness from his earlier comedies through his final plays in which death

appears as a longed for peace New here is the exploration through close analysis of Rattigan s style of writing dialogue and speeches and how that style expresses Rattigan s sense of life Likewise the book newly examines how Rattigan draws on sources in Greek and Roman history literature and myth as well as how he invites comparison with the work of other playwrights especially Bernard Shaw and Shakespeare It will appeal broadly to college and university students studying dramatic literature but also and especially to actors and directors and the play going play reading public **Terence**

Clum,2012-01-02 In studying performances of marriage in modern and contemporary British and American drama Clum highlights the fact that paradoxically at a time when theatre was both popular entertainment and high culture many of the most commercially and artistically successful plays about marriage were written by homosexual men Beginning with Oscar Wilde and focusing on some of the most successful British and American playwrights of the past century including Somerset Maugham No l Coward Terence Rattigan and Emlyn Williams in England and Clyde Fitch George Kelly Tennessee Williams William Inge and Edward Albee in the US The Drama of Marriage looks at how the plays they wrote about heterosexual marriage continue to impact contemporary gay playwrights and the depiction of marriage today **How Stage Playwrights Saved the British**

Cinema, 1930-1956 David Cottis,2024-12-26 Examines the film careers and work of British playwrights who worked as screenwriters between 1930 1956 During the period between the 1927 Cinematograph Films Act and the new drama of the 1950s many British writers associated with the stage also wrote for films bringing the techniques of the well made play with them Some like Bernard Shaw Noel Coward and Terence Rattigan were screenwriter stars part of the publicity of the films they worked on Pygmalion Brief Encounter The Way to the Stars Others were less celebrated but had long successful screen careers such as R C Sherriff author of Journey s End who worked on films as different as The Invisible Man The Four Feathers and The Dam Busters Using the authors original archives this book follows the way in which these writers adapted

Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit shows that have delighted millions of spectators and generated billions of pounds in revenue In *Good Nights Out* Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades The book spans a range of work from almost forgotten plays such as R F Delderfield's *Worm's Eye View* and Hugh Hastings's *Seagulls Over Sorrento* to well known mega hits such as *The Mousetrap* and *The Phantom of the Opera* Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre
