The Battle of Seven Pines, May 31-June 1, 1862 Steven Harvey Newton,1993 The battle of Seven Pines occurred in Henrico County Virginia This battle was also known as the Battle of Fair Oaks *The Battle of Seven Pines* Gustavus Woodson Smith,1891 **The Battle of Seven Pines (Classic Reprint)** Gustavus Woodson Smith,2017-11-26 Excerpt from The Battle of Seven Pines Many of the published accounts of the battle of Seven Pines are about as dark and confusing as were the tangled woods and swamps in which most of the close and bloody fighting took place The following quotations will illustrate the conflict of statements on this subject Federal writers say It is hardly denied by the most passionate of McClellan's partisans that the way was open before him to Richmond on the afternoon of the first day that being McClellan's greatest opportunity The Confederates had thrown almost their whole force against McClellan's left wing Keyes and Heintzelman and on the second day were streaming back to Richmond in discouragement and disorder We now know the state of disorganization and dismay in which the rebel army retreated On the Confederate side it is stated The way to Richmond was not open to McClellan The first day the Confederates attacked McClellan's left wing with but five brigades So far from streaming back to Richmond in discouragement and disorder they the attacking party remained in possession of the captured works on the Williamsburg road nearly twenty four hours after the fighting ended and on the Nine miles road the Confederates closely confronted Sumner's corps at Fair Oaks for several days there after About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Battle of Fair Oaks Robert P. Broadwater,2014-01-10 In the spring of 1862 Union Major General George B McClellan's Army of the Potomac launched a bloody offensive up the Virginia Peninsula in an effort to capture the Confederate capital of Richmond This study chronicles the pivotal but often overlooked turning point of the Peninsula Campaign the Battle of Fair Oaks also known as Seven Pines At Fair Oaks Confederate troops succeeded in driving back Union forces from the edge of Richmond before the Union troops stabilized their position Though both sides claimed victory the battle marked the end of the Union offensive Robert E Lee J E B Stuart and Winfield Scott Hancock all rose to national prominence for their roles at Fair Oaks while McClellan saw his reputation ruined In the end the legacy of Fair Oaks is one of missed chances and faulty execution ensuring the war would continue for nearly three more years **The Battle of Seven Pines** Charles River Charles River Editors,2015-05-20 Includes pictures Includes accounts of the battle by generals on both sides Includes a table of contents As Union commander George McClellan moved the Army of the Potomac up the Peninsula

in early 1862 the Union army still had a nearly 2 to 1 advantage in manpower so Army of Northern Virginia commander Joseph E Johnston continued to gradually pull his troops back to a line of defense nearer Richmond as McClellan advanced. In conjunction the Union Navy began moving its operations further up the James River until it could get within 7 miles of the Confederate capital before being opposed by a Southern fort. McClellan continued to attempt to turn Johnston's flank until the two armies were facing each other along the Chickahominy River. At this point the Union army was close enough to Richmond that they could see the city's church steeples but they would come no closer. By the end of May Stonewall Jackson had startlingly defeated three separate Northern armies in the Valley inducing Lincoln to hold back the I Corps from McClellan. When McClellan was forced to extend his line north to link up with troops that he expected to be sent overland to him, Johnston learned that McClellan was moving along the Chickahominy River. It was at this point that Johnston got uncharacteristically aggressive. Johnston had run out of breathing space for his army and he believed McClellan was seeking to link up with McDowell's forces. Moreover, about a third of McClellan's army was south of the river while the other parts of the army were still north of it, offering Johnston an enticing target. After a quick deluge turned the river into a rushing torrent that would make it impossible for the Union army to link back up or aid each other, Johnston drew up a very complex plan of attack for different wings of his army and struck at the Army of the Potomac at the Battle of Seven Pines on May 31, 1862. Like Union general Irvin McDowell's plan for First Bull Run, the plan proved too complicated for Johnston's army to execute and after a day of bloody fighting little was accomplished from a technical standpoint. At one point during the Battle of Seven Pines, Confederates under General James Longstreet marched in the wrong direction down the wrong road, causing congestion and confusion among other Confederate units and ultimately weakening the effectiveness of the massive Confederate counterattack launched against McClellan. Johnston wrote in his memoirs, "The operations of the Confederate troops in this battle were very much retarded by the dense woods and thickets that covered the ground and by the deep mud and broad ponds of rain water in many places more than knee deep through which they had to struggle. Nonetheless, by the time the fighting was finished, nearly 40,000 had been engaged on both sides and it was the biggest battle in the Eastern theater to date, second only to Shiloh at the time. Although it was inconclusive, McClellan was rattled by the attack and near the end of the fighting that night Johnston had attempted to rally his men by riding up and down the lines, only to be nearly blown off his horse by artillery fire and having to be taken off the field. Johnston explained, "About seven o'clock I received a slight wound in the right shoulder from a musket shot and a few moments after was unhorsed by a heavy fragment of shell which struck my breast. Those around had me borne from the field in an ambulance, not however before the President, who was with General Lee, not far in the rear, had heard of the accident and visited me, manifesting great concern as he continued to do until I was out of danger. Having been seriously wounded, Johnston's command was given the following day to military advisor Robert E. Lee. The bloody two day battle was fought on the doorstep of the Confederate capital It was the first major combat in the Eastern

George B McClellan marched his Army of the Potomac up the Virginia Peninsula during the early spring of 1862 and placed
his inexperienced IV Corps at the tip of the spear south of the flood prone Chickahominy River McClellan s opponent Joe
Johnston took the opportunity to strike and crafted an overly complex attack plan for his Virginia army to crush the exposed
