The Best From American Canals Number Iii:

Canals For A Nation Ronald E. Shaw, 2014-02-07 All but forgotten except as a part of nostalgic lore American canals during the first half of the nineteenth century provided a transportation network that was vital to the development of the new nation They lowered transportation costs carried a vast grain trade from western farms to eastern ports delivered Pennsylvania coal to New York and carried thousands of passengers at what seemed effortless speed Along their courses sprang up new towns and cities and with them new economic growth Canals for a Nation brings together in one volume a survey of all the major American canals Here are accounts of innovative engineering of near heroic figures who devoted their lives to canals and of canal projects that triumphed over all the uncertainties of the political process **The Erie Canal Sings** Bill Hullfish, Dave Ruch, 2019-06-17 Life working along the banks of the Erie Canal is preserved in the songs of America's rich musical history Thomas Allen's Low Bridge Everybody Down has achieved iconic status in the American songbook but its true story has never been told until now Erie songs such as The Erie Is a Risin would transform into The C O Is a Risin as the song culture spread among a network of other canals including the Chesapeake and Ohio and the Pennsylvania Main Line As motors replaced mules and railroads emerged the canal song tradition continued on Broadway stages and in folk music recordings Author Bill Hullfish takes readers on a musical journey along New York's historic Erie Canal *Buffalo Inner Harbor Development Project*, 1999 **Will the Family Farm Survive in America?** United States. Congress. Senate. Select Committee on Small Business, 1975 **All-American Canal in Imperial and Coachella Valleys, California** United States. Congress. House. Committee on Irrigation of Arid Lands, 1920 Will the Family Farm Survive in America?: Federal reclamation policy (Westlands Water District) United States. Congress. Senate. Select Committee on Small Business, 1975 *All-American Canal in Imperial County, Calif* United States. Congress. House. Committee on Irrigation of Arid Lands, 1919 **All-American Canal in Imperial and Coachella Valleys, Calif** United States. Congress. House. Committee on Irrigation of Arid Lands, 1920 **America-The Last Best Hope Volumes I and II** William J. Bennett, 2007-10-14 William J. Bennett acquaints America with its heritage in two volumes of America The Last Best Hope While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J. Bennett offers one of the most gripping and memorable versions of the American story in print The two volumes of Bennett's New York Times bestselling epic America The Last Best Hope cover Columbus's discovery of the New World in the fifteenth century to the fall of world communism in the twentieth Now both volumes are available in a convenient and attractive slip case complete with a bonus audio CD Remembering Ronald Reagan featuring recollections and commentary by Jeane Kirkpatrick Edwin Meese and others Bill Bennett brings American history to life with stories such as the coup d'etat quelled by a pair of reading glasses the U S senator nearly caned to death on the Senate floor the presidential pardon for hundreds of Sioux warriors one ex president's race to finish his memoirs and the famous humorist who helped him

when Time magazine named Hitler man of the year Eisenhower's bold actions documenting the horrors of the Holocaust Nixon's comic opera uniforms for White House guards Reagan's most famous example of just saying No From heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett's wonderfully readable book is so important He puts our nation's triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it's useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I've read in a very long time It's silly to compare great works of history to great novels but this book truly is a page turner Brad Miner American Compass This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School Library Journal **The Great American Canals** Archer Butler Hulbert, 1904
