

SIMCITY[®]

THE ORIGINAL CITY SIMULATOR ALL-NEW FOR CD-ROM

You are about to embark on a new and exciting journey. One that will fill you with a sense of wonder and discovery. Light and sound will mix like a kaleidoscope to thrill you as never before.

At Interplay, we believe that creating a new experience such as this requires more than just using the latest advances. Technology simply provides us with new tools to invent a product that is bigger, better and more exciting than anything we have ever done before. And the CD-ROM provides us with a larger canvas on which to create our vision.

What makes this title unique is how we have used this new medium to develop an entertaining product. Our approach is similar to an integrated Hollywood studio where we combine the talents of many creative individuals.

Writers who put thoughts into words. Artists who give words an image. Musicians who enhance the image with sound. And programmers who magically combine technology with art to make it all a reality.

Our producers challenge all to create a product that will bring many hours of quality entertainment. Every step of the way our staff is totally dedicated to this goal. But all of these efforts would be in vain if you should have a problem, however minor, with your purchase. Your satisfaction is very important and our customer service department is here to help so please put them to task. (Email: europa@interplay.com)

Interplay is committed to providing you with the highest quality entertainment products in the market for your enjoyment. I am very excited about the direction we are heading and I would like to thank you for giving us this opportunity to share our vision.
