The Best People:

The Best People Alexander Nazaryan, 2019-06-18 An engrossing look at the Trump cabinet the scandals the incompetence the assault on the federal government the bungled attempts to impose order on an administration lost in a chaos of its own making Donald Trump promised a return to national greatness but each day of his presidency seems to bring a new crisis a deepening sense of national unease Why and how has he failed his supporters And how has he on occasion bested his detractors The Best People takes complete measure of the Trump administration to grasp with clarity the president and his intentions and how those intentions are being carried out or subverted by the people he has hired Alexander Nazaryan argues that the assault on the administrative state promised by Steve Bannon in early 2017 never came What the American people got instead was Wilbur Ross hauling his tennis pro to confirmation hearing preparations Scott Pruitt running away from rattlesnakes Reince Priebus enduring insults from junior White House staffers And yet bungling as Trump's cabinet members have been they have managed to either damage or arrest many of the gears that make government run They have given away public lands to oil companies and allowed corporate lobbyists to make decisions about what is best for the American people and have done it all while flying on private jets and dining at the finest restaurants at taxpayers expense Meticulously reported and enthrallingly told The Best People takes readers inside the federal government under Trump's control a government assailed by the very people charged to lead it a government awash in confusion and corruption

The Best People Marc Grossberg, 2019-10-08 Paddy Moran a former cop from Brooklyn is a newly licensed attorney in Houston with dreams and aspirations to make it big He survives early rough bumps and ethical challenges Then through networking he lands two high profile clients With his brash moxie and brilliant legal strategy he gets outstanding outcomes that put him on the success trajectory to the upper echelons of the city's divorce bar But faced with difficult choices in high stakes litigation will he balance his thirst for recognition and respect with his sense of right and wrong The Best People also follows Pilar Galt a sensuous intelligent single mother from the Houston barrios for whom a temp assignment evolves into a relationship with the richest man in town Her path intersects with Paddy's and eventually converges with his during a pivotal time in her life when she must overcome self destructive tendencies to survive A legal drama and social satire set after Enron and before the devastation of Hurricane Harvey The Best People portrays a Houston as it is a glitzy meritocracy populated with larger than life characters It is the landscape where the country club and caf society sets clash amidst clever legal maneuvering big law firm politics a Ponzi scheme and judicial corruption
