The Beezer 1990:

The Beezer Book John Wiley & Sons, Incorporated, 1989-09-01 *The Complete Book of 1990s Broadway Musicals* Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down the so-called Disneyfication of Broadway, began a trend that continues today. *Beauty and the Beast* and *The Lion King* became long-running hits followed by more family-friendly musicals. The decade was also distinguished by a new look at revivals instead of slavishly reproducing old shows or updating them with campy values. Broadway saw a stream of fresh and sometimes provocative reinventions including major productions of *My Fair Lady*, *Damn Yankees*, *Carousel*, *Show Boat*, and *Chicago*. In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits: *Miss Saigon*, *Crazy for You*, *Rent*, notorious flops *Shogun*, *Nick Nora*, *The Red Shoes*, controversial shows *Passion*, *The Capeman*, and musicals that closed during their pre-Broadway tryouts: *Annie 2*, *Miss Hannigan's Revenge*, *Whistle Down the Wind*. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information: Plot summary, Cast members, Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors, Opening and closing dates, Number of performances, Critical commentary, Musical numbers and the performers who introduced the songs, Production data including information about tryouts, Source material, Tony awards and nominations, Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history. **My**

Road Hockey Obsession Curt Solomon, 2015-01-19 The whole world knows how much hockey is a vital part of Canadian culture. The cold winters, old rinks, and frozen ponds are ubiquitous to millions of Canadians and contextual for countless more across the world. Even for those who didn't play ice hockey, the game still became palpable. In *My Road Hockey Obsession*, author Curt Solomon tells the story of a group of young friends building their lives, friendships, and adolescence around road hockey. For Solomon, road hockey was much, much more than a pastime. It was the only pastime. When he started playing road hockey, he knew he had found the city of gold, and there was no use looking for or pursuing any other activity. In this unique story built entirely around ball hockey, Solomon shares how he and his friends transformed a simple pastime into the most bonding and durable period of their lives. Road hockey was how they grew up, how they communicated, how they thought, and how they forged life-long memories. *My Road Hockey Obsession* narrates a joyous story that sparks nostalgia: the days of

Smyth, 2018-07-30 The concept of margins denotes geographical economic demographic cultural and political positioning in relation to a perceived centre This book aims to question the term marginal itself to hear the voices talking across borders and not only to or through an English centre The first part of the book examines debates on the political and poetic choice of language drawing attention to significant differences between the Irish and Scottish strategies It includes a discussion of the complicated dynamic of woman and nation by Aileen Christianson which explores the work of twentieth century Scottish and Irish women writers The book also explores masculinities in both English and Scottish writing from Berthold Schoene which deploys sexual difference as a means of testing postcolonial theorizing A different perspective on the notion of marginality is offered by addressing Englishness in relation to migrant writing in prose concerned with India and England after Independence The second part of the book focuses on a wide range of new poetry to question simplified margin centre relations It discusses a historicising perspective on the work of cultural studies and its responses to the relationship between ethnicity and second generation Irish musicians from Sean Campbell The comparison of contemporary Irish and Scottish fiction which identifies similarities and differences in recent developments is also considered In each instance the writers take on the task of examining and assessing points of connection and diversity across a particular body of work while moving away from contrasts which focus on an English norm An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence
