Barr,2020-10-11 Amelia Edith Barr Huddleston 1831 1919 was a British American novelist In 1850 she married William Barr and four years later they immigrated to the United States and settled in Galveston Texas where her husband and three of their six children died of yellow fever in 1867 With her three remaining daughters Mrs Barr removed to New York City in 1869 where she began to write for religious periodicals and to publish a series of semi historical tales and novels **Rowdy Carousals** J. Chris Westgate,2024-07 Combining performance theory with original archival research Rowdy Carousals makes important interventions in nineteenth century theater history with regard to the Bowery Boy a rowdy white urban character most famously exemplified by Mose from A Glance at New York in 1848 First this book greatly expands the stage history of the Bowery Boy which was not limited to Mose but rather included Mose s compeers and descendants who rollicked through sketches comedies and melodramas from the antebellum decades to the Progressive Era Second Rowdy Carousals argues that theatrical representations of the Bowery Boy legitimated and disseminated images of working class whiteness that facilitated class and racial formation in the United States The Bowery Boy s rowdyism during the antebellum period helped instantiate a concept of a working class alongside the emergent definitions of the middle class a tension which was slowly mediated by the appropriation and disciplining of the character by the turn of the century At the same time theatrical representations of the Bowery Boy emphasized the privileges of whiteness against nonwhite workers including slaves and free African Americans during the antebellum period an articulation of white superiority that continued through the early twentieth century with immigrants such as Jews Italians and the Chinese The examination of working class whiteness on stage in the theater and in print culture in Rowdy Carousals invites theater historians and critics to check the impulse to downplay or ignore questions about race and ethnicity in discussion of the Bowery Boy This study finally suggests links between the Bowery Boy s rowdyism in the nineteenth century and the resurgence of white supremacy in the early twenty first century The Belle of New York. The Complete Lyrics of Johnny Mercer Johnny Mercer, Robert Kimball, Barry Day, Miles Kreuger, Eric Davis, 2009-10-20
The seventh volume in Knopf's critically acclaimed Complete Lyrics series published in Johnny Mercer's centennial year contains the texts to more than 1 200 of his lyrics several hundred of them published here for the first time Johnny Mercer's early songs became staples of the big band era and were regularly featured in the musicals of early Hollywood With his collaborators who included Richard A Whiting Harry Warren Hoagy Carmichael Jerome Kern and Harold Arlen he wrote the lyrics to some of the most famous standards among them Too Marvelous for Words Jeepers Creepers Skylark I'm Old Fashioned and That Old Black Magic During a career of more than four decades Mercer was nominated for the Academy Award for Best Song an astonishing eighteen times and won four for his lyrics to On the Atchison Topeka and the Santa Fe music by Warren In the Cool Cool Cool of the Evening music by Carmichael and Moon River and Days of Wine and Roses music for both by Henry Mancini You've probably fallen in love with more than a few of Mercer's songs his words have never gone out of fashion and with this superb collection it's easy to see that his lyrics elevated popular song into art **"meet Me in St. Louis, Louis" in St. Louis at the Fair** , The Sketch , 1898 Anything Goes Ethan Mordden, 2013-08-08 Ethan Mordden has been hailed as a sharp eared listener and a discerning critic by Opera News which compares his books to dinner with a knowledgeable garrulous companion The preeminent historian of the American musical New York Times he brings boundless energy and enthusiasm buttressed by an arsenal of smart anecdotes Wall Street Journal Now Mordden offers an entirely fresh and infectiously delightful history of American musical theatre Anything Goes stages a grand revue of the musical from the 1700s through to the present day narrated in Mordden's famously witty scholarly and conversational style He places us in a bare rehearsal room as the cast of Oklahoma changes history by psychoanalyzing the plot in the greatest of the musical's many Dream Ballets And he gives us tickets for orchestra seats on opening night raising the curtain on the pleasures of Victor Herbert's The Red Mill and the thrill of Porgy and Bess Mordden examines the music of course but also more neglected elements Dance was once considered as crucial as song he follows it from the nineteenth century's zany hoofing to tap combinations of the 1920s from the injection of ballet and modern dance in the 1930s and 40s to the innovations of Bob Fosse He also explores the changing structure of musical comedy and operetta and the evolution of the role of the star Fred Stone the avuncular Scarecrow in the Wizard of Oz seldom varied his acting from part to part but the versatile Ethel Merman turned the headlining role inside out in Gypsy playing a character who was selfish fierce and destructive From ballad opera to burlesque from Fiddler on the Roof to Rent the history and lore of the musical unfolds here in a performance worthy of a standing ovation
