constantly tells us we're not good enough that we'll never make it and no matter how hard we try we simply won't fit in. With the noise, distractions, and chaos around us, it's easy to feel alone. It's easy to feel like we don't belong. Everyone else seems to be doing fine, so there must be something wrong with me, we tell ourselves. But what is the truth? Do we belong? Is there a way to feel a sense of place and belonging no matter the circumstance? In *You Belong*, Leialoha presents practical strategies and shares truthful affirmations to help you discover your place and sense of belonging in your color culture and as a Christian. In *You Belong*, learn how to embrace and become who God needs you to be. Welcome every unique season and circumstance with optimism and gratitude. Use culture heritage and traditions to uplift and inspire your life. Rediscover your unique contribution. Dedicate yourself to become a more devoted follower of Jesus Christ. Discover your sense of place. And more. No matter the circumstances, you can discover your story and unique sense of place. Because when you find your sense of place, you find where you belong. You belong. You always did.

*The Power of Heart* Amy Bloch, 2019-11-05. The secret to a good life is not what you think. Most of us have been raised to believe that we can solve any problem if we think about it hard enough. We spend years honing our intellect, knowing that our brains are our best line of defense against whatever roadblocks life throws at us. But each and every one of us has a secret weapon to call upon when brainpower isn't enough, and that is Heart. Amy Bloch discovered the power of heart quite by accident. An accomplished psychiatrist, fully in control of her professional and family life, Amy was dealt what she thought was a devastating, insurmountable setback when her daughter Emily was born with a severe brain malformation. Amy tried desperately to fix Emily and exhausted herself in her efforts to deal with the problem using her intellect, going at it brain first, the default way we tend to approach challenges in our society. Emily, on the other hand, lives completely heart first; she simply doesn't have the capabilities to approach life brain first. Yet to Amy's initial surprise and ultimately to her great admiration, Emily is remarkably happy and successful. *The Power of Heart* is the distillation of what Emily taught Amy lessons that are applicable to anyone's life. Learning to be Emily's mom and observing how Emily approaches life prompted a radical change in Amy's life. It also transformed her work with patients in her professional practice, where she witnessed over and over again how getting out of brain and into heart made life deeper and richer, less stressful, and more meaningful. While the brain is amazing, powerful, and useful, it does come with limitations. There's some stuff the brain just doesn't know, which is where heart comes in. Tapping into heart helps your brain perform better and makes you stronger and smarter than you will ever be trusting only your brain. Heart will allow you to live with uncertainty, find strength, resilience, courage, and persistence in tough times, cast off self-criticism and doubt, and have a lot more confidence and fun. *The Power of Heart* is for readers of all ages and walks of life who are ready to move beyond the brain-first strategy and embrace heart as well.
