

Your beloved people offer prayers of gratitude for  
Your great works. You humble the haughty, You  
raise up the lowly, You change hearts and minds of  
the misguided leaders, and You free the oppressed.  
Blessed are You, O Lord, our salvation.

**With You Every Step of the Way** Christopher B. Wolf, 2011-09 Where are you on your faith journey Many have described faith as a journey and it seems very accurate and appropriate to do so Now to be sure it s no random jaunt or spree It is a lifelong expedition with much uncertainty and loneliness The weight we carry rarely gets lighter and it requires more strength than we know we have Along this journey we lose our way and our confidence We get distracted and stuck and sometimes become hopeless and despairing but we also learn and gain wisdom celebrate and find meaning and ultimately arrive at discovering who God created us to be and who God really is As with every long journey our faith journey needs a map perhaps even an atlas Thankfully each and every step of our journey is intimately and definitively known by our loving God who is there With You Every Step of the Way Christopher B Wolf s new book is for everyone who desires to navigate and draw closer to God along the unpredictable but exhilarating journey of faith It serves as a word atlas of both the things we need along the way and what we receive assurance heart and soul fellowship possibilities and transformation Formatted for the individual who needs insight and support as well as for the small group that wants to grow study and think together With You Every Step of the Way includes thoughtful messages as well as reflection questions that will inspire compelling contemplation and discussion Christopher B Wolf is the author of *Giving Faith a Second Chance Restarts Mulligans and Do Overs* He has served and led churches in New Jersey and Michigan and now lives in Saddle Brook New Jersey with his wife Jennifer and children Brian and Madelyn He also writes a weekly message called *Living Water* To sign up and visit with him go to his website [www.christopherbwolf.com](http://www.christopherbwolf.com) or you can find him on Facebook and Twitter

Craddock, 2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible

**Worship in the New Testament** *divine Mystery*, *Learning Messiah* Edjan Westerman, 2018-09-27 Israel s election calling and history make up a big part of Scripture It could be said that they belong to the DNA of the Bible But why is it then that the Christian narrative about the Messiah Israel

and the nations often seemed to have and sometimes even still has a different genetic structure Does Israel together with its election and promises leave God's stage through a side door when Jesus appears on stage Does a changing of roles take place within a different story Does the Messiah function within it as some kind of black hole in which the eternal election and calling of Israel disappear How do we read God's way The Holocaust made us realize that our de-Jew-ized reading and preaching of Scripture contributed in various ways to this catastrophe And we find ourselves confronted by the question How does the narrative of the Bible then look when the whole of Scripture plays a decisive role and the faithfulness of God toward Israel stays in the center This book presents an answer to these questions calling us to learn to read God's way anew and to walk in it

### **The Retributive and Suffering God of the Book of Jeremiah** Håkon Sunde Pedersen, 2023-06-09

Portraits of YHWH as a retributive and a suffering God appear side by side in the book of Jeremiah. Not surprisingly, scholars usually emphasize the contrast and conflict between them. In addition to obvious differences, they also tend to feature in different types of literary material in the book that is in prose and poetry. Hakon Sunde Pedersen's study challenges the common view by offering a new interpretation of some of the portraits in which not only radical differences but points of unity and connection between them come to light. Based on these observations, the author suggests that the portraits juxtaposition in the book may ultimately contribute to highlighting central theological concerns in the book in its present MT form.
