## **The Bible Is Human:**

*The Bible is Human* Louis Wallis, 1942 Presents as its theme the importance of God as revealed in the secular history of Israel Features a scientific approach and the significance of Bible history      **How to Read the Bible** James L. Kugel, 2007 A reader's companion to the Bible draws on classic interpretations as well as modern scholarship to explain how the Bible may also be a metaphorical reflection of anthropological history      **The Existence** Theodore Ihejieta, 2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings

All the Doctrines of the Bible Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer's approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith      101 Questions and Answers on the Bible Raymond E. Brown, 2003-09 A noted biblical scholar's concise responses to a wide range of the questions most frequently posed to him about the Bible      **The Bible's Answers to 100 of Life's Biggest Questions** Norman L. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell      **Holy Bible, Human Bible** Gordon Oliver, 2006-11-20 For most pastors and church members the field of biblical studies belongs to a different world Biblical studies in the west is dominated by technical enquiry into the origins authorship and sociological background of the text while pastoral studies focus on concerns of pastoral counseling and healing of persons and communities The fields ask the same questions in the same places yet often do not communicate with one another Holy Bible Human Bible asks bluntly whether it is possible to be truly human and truly biblical simultaneously It asks imaginative questions out of genuine curiosity What is a Bible anyway Who owns the Bible

How does it witness to Jesus Christ Can Jesus and pastoral practice really belong together It retrieves the Bible from being a boundary between believers and instead builds a bridge from the academy and the local congregation Concise critical and constructive Holy Bible Human Bible will enable pastors biblical scholars and laypersons to use the Bible **The Doctrines of the Bible Confirmed and Illustrated by Observation and Experience** James KENNEDY (M.A.),1876 The Bible in Human Transformation ,1975 **The Bible in Theology and Preaching** Donald K.
