Murray,1997-02-01 The dramatic impact of Islamic fundamentalism in recent years has skewed our image of Islamic history and culture Stereotypes depict Islamic societies as economically backward hyper patriarchal and fanatically religious But in fact the Islamic world encompasses a great diversity of cultures and a great deal of variation within those cultures in terms of gender roles and sexuality The first collection on this topic from a historical and anthropological perspective Homosexuality in the Muslim World reveals that patterns of male and female homosexuality have existed and often flourished within the Islamic world Indeed same sex relations have until quite recently been much more tolerated under Islam than in the Christian West Based on the latest theoretical perspectives in gender studies feminism and gay studies Homosexuality in the Muslim World includes cultural and historical analyses of the entire Islamic world not just the so called Middle East Essays show both age stratified patterns of homosexuality as revealed in the erotic and romantic poetry of medieval poets and gender based patterns in which both men and women might to varying degrees choose to live as members of the opposite sex The contributors draw on historical documents literary texts ethnographic observation and direct observation by both Muslim and non Muslim authors to show the considerable diversity of Islamic societies and the existence of tolerated gender and sexual variances Postcolonialism, Psychoanalysis and Burton Ben Grant,2008-11-10 Engaging closely with the work of Richard Francis Burton the iconic nineteenth century imperial spy explorer and translator this book sheds new light on the White Man s imperial fantasies and the ways in which

The Book Hunters of Katpadi Pradeep Sebastian, 2017-10-20 Neelambari Adigal and her young associate Kayal together run Biblio a one of a kind store of rare books in Chennai specializing in modern Indian first editions The lives of these passionate bookwomen revolve around curious browsers eccentric book collectors private press printers and the occasional thrill of unexpected discoveries of the antiquarian kind On a book collecting trip to Ooty Kayal stumbles upon an incendiary manuscript long thought to be a myth purportedly authored by explorer and translator Sir Richard Francis Burton Almost simultaneously a cache of priceless editions that looks like it could be from the 300 year old library of one of the greatest book collectors the world has ever known turns up at the bookshop When it falls upon the two women to authenticate their finds Neela and Kayal discover quite suddenly that their lives are more full of bibliographic intrigue than they could ever have imagined India's first ever biblio mystery The Book Hunters of Katpadi is the book every lover of the written word has been waiting for In the tradition of the greatest in the genre it holds within its pages adventure action suspense and the sheer thrill of close encounters with prized print on paper Paths Without Glory James L. Newman, 2010 Few people have garnered so much enduring interest as Sir Richard Burton A true polymath Burton is best known today for his translations of the Kama Sutra and Arabian Nights Yet Africa stood at the center of his adult life The Burton Speke expedition 1856-59 that put Lake Tanganyika on the map led to years of controversy over the source of the White Nile From 1861 to 1864 Burton served as British consul in Fernando Po and traveled widely between Ghana and Angola He wrote prodigiously and contributed some of the first detailed ethnographic accounts of Africa's peoples In many ways however Africa proved to be Burton's undoing Injuries and sickness sapped his strength he made enemies in high places and ironically even the discovery of Lake Tanganyika worked to his disadvantage Increasingly frustrated and bitter he turned to alcohol as a frequent remedy In this fascinating story of the relationship between a man and a continent geographer James L Newman provides an intimate portrait of Burton through careful examination of his journals and biographers rich analyses Delving deepest into Burton's later life and travels Newman pinpoints the thematic mainstays of his career as a diplomat and explorer namely his strong advocacy of aggressive imperial policies and his belief that race explained crucial human differences Historians and scholars of the golden age of empire as well as armchair adventurers will not only discover what defined this famously enigmatic figure but venture themselves into the heart of mid nineteenth century Africa Richard Burton, a Traveller in Brazil, 1865-1868 Alfredo Cordiviola, 2001 It also examines the years Richard Burton spent in Brazil largely ignored by biographers **BOOK JACKET** **Concise Biographical Companion to Index Islamicus** Wolfgang Behn, 2004-09-01 This first of the ultimately three volume Who's Who in Islamic Studies presents the scholarly world at long last with its own biographical encyclopaedia Taking as a starting point the inventory of authors from the renowned Index Islamicus the author Wolfgang Behn Berlin has systematically collected numerous data on the lives and works of the tens of

thousands of authors listed in the Index Islamicus from 1665 to 1980 This Biographical Companion will be an indispensable reference tool for the serious student and scholar of Islamic Studies It enables the user to quickly gain knowledge on the life work and professional background of almost every major and minor author and thus to place each author in his her proper perspective A tremendous achievement and a true must for every library **The Highly Civilized Man** Dane

Crane,2017 Essays showcasing the novel Ali and Nino as particularly topical for today s readers both in and out of the classroom and providing a number of diverse approaches to it **In Search of Sir Richard Burton** Alan H. Jutzi,1993
