Sir John Johnson Loyalist Baronet:

Sir John Johnson Earle Thomas, 1986-03-01 Sir John Johnson Loyalist Baronet is the first full length biography of a man who played a central role in the organization and development of Canada The son of Sir William Johnson he was born and bred in the Mohawk valley of New York and after the onset of the American Revolution became the most prominent Loyalist in the province of Canada The commander of the King s Royal Regiment of New York he played an important part in the forays on the rich agricultural lands of his native state a region regarded as the breadbasket of the Thirteen Colonies In 1782 he was appointed Superintendent General of Indian Affairs in British North America during his decades in this post he remained the loyal friend of the Indians and the champion of their rights In 1784 he supervised the movement of the Loyalists from the Montreal area to the upper St Lawrence and Bay of Quinte regions and consequently may be considered as the founder of modern Ontario He was recommended by Lord Dorchester for the position of first lieutenant governor of Upper Canada and there was widespread disappointment when some one else was chosen This is the story of a colonial who mixed easily with the elite of both America and England his tumultuous affairs reflecting the tumultuous times he lived in The tremendous property losses he suffered as a Loyalist were never matched by the land grants and money payments made by the British Government yet he maintained the same extravagant standard of living he had been accustomed to before the Revolution His mansions in Montreal his seigneuries in old Quebec his houses and mills in other parts of Canada and his home in the London suburbs were costly to buy and expensive to maintain He and Lady Johnson had fourteen children to provide for to feed clothe educate and purchase dowries positions and military commissions for He had his former common law wife and their two children in Schenectady to provide for as well as the families of no less than three deceased brothers in law to concern him His life was one long struggle in an age of nepotism favouritism and graft to find the funds to finance his responsibilities The product of an age of violence the Seven Years War the American Revolution the French Revolution the War of 1812 the Napoleonic Wars he was not essentially a violent man However many of his male relatives sons nephews brothers in law cousins were caught up in the turbulence of the age and paid with their lives Sir John did not escape unscathed he paid the price in a different currency

Ten Generations David More, 2014-08-26 TEN GENERATIONS is a family saga that follows the Watt family generation by generation from Edinburgh in the late 1500s to colonial New York through the American Revolution back to the Channel Islands and then to Canada where the family settles in the Eastern Townships of Quebec The family rises to prominence in Edinburgh then emigrates to colonial New York in the early 1700s There they are at the pinnacle of society but are torn apart by Revolution and war Forced into exile in Britain the descendants of one branch return to the continent and settle near Montreal where they once again become important in the cultural and political life of Quebec and Canada in the 1800s and 1900s The author uses primary source materials such as personal letters anecdotes and illustrations from family collections and fits these expertly into the historical context of the

times to provide a dramatic readable and entertaining account of the family's history of fortunes made and lost of war and revolution of personal tragedy and triumph Ten Generations provides an intriguing personal window into the real history of the times and into the lives of this interesting family

On Common Ground Richard D. Merritt, 2012-06-16 This tract of land in Niagara on the Lake has witnessed an amazing cavalcade of Canadian history For 250 years a large tract of oak savannah at the mouth of the Niagara River designated as a Military Reserve has witnessed a rich military and political history the site of the first parliament of Upper Canada a battleground during the War of 1812 and annual summer militia camps and the training camp for tens of thousands of men and women during the First and Second World Wars In the midst of the Reserve stood the symbolic Indian Council House where thousands of Native allies received their annual presents and participated in treaty negotiations From its inception this territory was regarded by the local citizenry as common lands their Commons Although portions of the perimeter have been severed for various purposes including the Shaw Festival Theatre today this historic place includes three National Historic Sites playing fields walking trails and remnants of first growth forest in Paradise Grove On Common Ground chronicles the extraordinary lives and events that have made this place very special indeed

The Burning of the Valleys Gavin K. Watt, 1997-03-01 In the fifth year of the War of Independence while the Americans focused on the British thrust against the Carolinas the Canadian Department waged a decisive campaign against the northern frontier of New York Their primary target was the Mohawk River region known to be the grainbowl that fed Washington's armies The Burning of the Valleys details the actions of both sides in this exciting and incredibly effective British campaign General Frederick Haldimand of Canada possessed a potent force formed by the deadly alliance of toughened embittered Tories who had abandoned their families and farms in New York and Pennsylvania to join the King's Provincial regiments in Canada and the enraged Six Nations Iroquois whose towns and farmlands had been utterly devastated by Continentals in 1779 The Governor augmented this highly motivated force with British and German regulars and Canadian Iroquois In October without benefit of modern transportation communications or navigational aids four coordinated raids each thoroughly examined in this book penetrated deeply into American territory The raiders fought skirmishes and battles took hundreds of prisoners burned forts farms and mills and destroyed one of the finest grain harvests in living memory

No Turning Point Theodore Corbett, 2014-11-05 The Battle of Saratoga in 1777 ended with British general John Burgoyne's troops surrendering to the American rebel army commanded by General Horatio Gates Historians have long seen Burgoyne's defeat as a turning point in the American Revolution because it convinced France to join the war on the side of the colonies thus ensuring American victory But that traditional view of Saratoga overlooks the complexity of the situation on the ground Setting the battle in its social and political context Theodore Corbett examines Saratoga and its aftermath as part of ongoing conflicts among the settlers of the Hudson and Champlain valleys of New York Canada and Vermont This long more local view reveals that the American victory actually resolved very little In transcending traditional

military history Corbett examines the roles not only of enlisted Patriot and Redcoat soldiers but also of landowners tenant farmers townspeople American Indians Loyalists and African Americans He begins the story in the 1760s when the first large influx of white settlers arrived in the New York and New England backcountry Ethnic and religious strife marked relations among the colonists from the outset Conflicting claims issued by New York and New Hampshire to the area that eventually became Vermont turned the skirmishes into a veritable civil war These pre Revolution conflicts which determined allegiances during the Revolution were not affected by the military outcome of the Battle of Saratoga After Burgoyne's defeat the British retained control of the upper Hudson Champlain valley and mobilized Loyalists and Native allies to continue successful raids there even after the Revolution The civil strife among the colonists continued into the 1780s as the American victory gave way to violent strife amounting to class warfare Corbett ends his story with conflicts over debt in Vermont New Hampshire and finally Massachusetts where the sack of Stockbridge part of Shays's Rebellion in 1787 was the last of the civil disruptions that had roiled the landscape for the previous twenty years No Turning Point complicates and enriches our understanding of the difficult birth of the United States as a nation

Prince Edward, Duke of Kent Nathan Tidridge, 2013-05-04 The story of Prince Edward Duke of Kent is the story of early Canada The story of Prince Edward Augustus Duke of Kent 1767 1820 is also a story of early Canada An active participant in the very genesis of the country including discussions that would eventually lead to Confederation the Prince lived in Quebec City undertook historic tours of Upper Canada and the United States both firsts for a member of the Royal Family before he was stationed in Halifax Nova Scotia as commander in chief of British North America Canada's maps are dotted with his name Prince Edward Island the most obvious example making him one of the most honoured among our forgotten historical figures Exiled from the court of his father and accompanied by his long time mistress Julie de St Laurent the 24 year old Prince Edward Augustus arrived in Quebec City in 1791 His life became woven into the fabric of a highly charged society and left an indelible mark on the role of the monarchy in Canada Seventy years later the country would be united under the crown of his daughter Victoria Sir John A Macdonald's Queen of Canada

Suspended Conversations Martha Langford, 2021-10-13 In *Suspended Conversations* Martha Langford shows how photographic albums tell intimate and revealing stories about individuals and families Rather than isolate the individual photograph treat albums as texts or argue that photography has supplanted memory she demonstrates that the photographic album must be taken as a whole and interpreted as a visual and verbal performance that extends oral consciousness Exhibiting a collection of photographic travelogues memoirs thematic collections and family sagas compiled between 1860 and 1960 and held by the McCord Museum of Canadian History this second edition includes a revised and expanded preface along with new photographs of the Notman albums Printed in colour throughout the enhanced material draws out the distinct nuances and details of each album giving them new life to tell their stories Albums are treasured by families collected as illustrations of the past by museums of social history and examined by scholars for what they can reveal about

attitudes and sensibilities but when no one is left to tell the tale the intrigue of the album becomes a puzzle a suspended conversation Langford argues that oral consciousness provides the missing key Correlating photography and orality she explains how albums were designed to work as performances and how we can unlock their mysteries A fascinating glimpse of the preoccupations of previous centuries Suspended Conversations brings photography into the great conversation of how we remember and how we send our stories into the future *Restoring the Chain of Friendship* Timothy D. Willig, 2008-05-01

During the American Revolution the British enjoyed a unified alliance with their Native allies in the Great Lakes region of North America By the War of 1812 however that chain of friendship had devolved into smaller more local alliances To understand how and why this pivotal shift occurred *Restoring the Chain of Friendship* examines British and Native relations in the Great Lakes region between the end of the American Revolution and the end of the War of 1812 Timothy D Willig traces the developments in British Native interaction and diplomacy in three regions those served by the agencies of Fort St Joseph Fort Amherstburg and Fort George During the late eighteenth and early nineteenth centuries the Native peoples in each area developed unique relationships with the British Relations in these regions were affected by such factors as the local success of the fur trade Native relations with the United States geography the influence of British Indian agents intertribal relations Native acculturation or cultural revitalization and constitutional issues of Native sovereignty and legal statuses Assessing the wide variety of factors that influenced relations in each of these areas Willig determines that it was nearly impossible for Britain to establish a single Indian policy for its North American borderlands and it was thus forced to adapt to conditions and circumstances particular to each region *The Archaeology of Native-Lived Colonialism* Neal Ferris, 2011-10 In reconsidering Native adaptation and resistance to colonial British rule Ferris reviews five centuries of interaction that are usually read as a single event viewed through the lens of historical bias He first examines patterns of traditional lifeway continuity among the Ojibwa demonstrating their ability to maintain seasonal mobility up to the mid nineteenth century and their adaptive response to its loss He then looks at the experience of refugee Delawares who settled among the Ojibwa as a missionary sponsored community yet managed to maintain an identity distinct from missionary influences And he shows how the archaeological history of the Six Nations Iroquois reflected patterns of negotiating emergent colonialism when they returned to the region in the 1780s exploring how families managed tradition and the contemporary colonial world to develop innovative ways of revising and maintaining identity **The American Revolution**

in Indian Country Colin G. Calloway, 1995-04-28 Examines the Native American experience during the American Revolution Joseph Brant and His World James Paxton, 2008-10-15 Joseph Brant was a promising but undistinguished Mohawk warrior living in upper New York State He became an innovative influential leader and spokesperson for First Nations whose support for Britain during the American Revolution led to their resettlement in Upper Canada along the Grand River Their descendants live today on the large Six Nations Reserve alongside the Grand south of Brantford in southwestern Ontario This

new illustrated biography of Brant reflects recent research into the political social and cultural background of his life Author James Paxton rejects the interpretation of earlier biographers who depicted Brant as a man who belonged neither to the Indian or the white world Paxton shows that Brant was fully Mohawk with Iroquoian values that stressed the interdependence of people He stands as the product of a unique multicultural 18th century community in the Mohawk Valley New York Using skill and diplomacy and his dense network of relationships and alliances Brant attempted to ensure the ongoing social economic and political autonomy of the Six Nations in their new Canadian territory The events of Brant s day impinge directly on our own It would be hard to imagine the standoff at Caledonia had Brant not led the Six Nations to the Grand River area and then invited Loyalists to settle among them Yet in 1784 Mohawks and Loyalists envisioned a different sort of community one bound by history common interest and shared practices At a time when First Nations claims against the government promise to become more numerous and confrontational this book encourages us to consider the inclusive and multicultural legacy of Joseph Brant [A Dirty, Trifling Piece of Business](#) Gavin K. Watt,2009-04-06 By 1781 the sixth year of the American rebellion British strategic focus had shifted from the northern states to concentrate in the south Canada s governor Frederick Haldimand was responsible for the defence of the Crown s largest colony against the threat of Franco American invasion while assisting overall British strategy He cleverly employed his sparse resources to vigorously raid the rebels frontiers and create anxiety disruption and deprivation as his Secret Service undermined their morale with invasion rumours and threatened their Union by negotiating with the independent republic of Vermont to return to the British fold Haldimand flooded New York s Mohawk and Schoharie valleys with Indian and Loyalist raiders and once the danger of invasion passed he dispatched two coordinated expeditions south One was launched onto Lake Champlain to alarm Albany and further the secret talks with Vermont The second struck deep into enemy territory fought a battle at Johnstown and retreated precipitately The rebels effectively countered both expeditions *The Loyalist Gazette* ,1963 *The Conquest of a Continent* Madison Grant,2013-07-29 A leading conservationist in the United States Madison Grant s preoccupation with biodiversity was not limited to wildlife but also extended to humans particularly where that biodiversity intersected with the wider sweep of history its meaning and interpretation and government policy Grant provides here a racial and ethnic history of the European settlement of North America spanning from the ancient nations of Europe to the United States of his day His thesis was that the United States was settled mostly by Northwestern Europeans particularly English and Ulster Scots To his mind this relative homogeneity plus the generally high quality of these enterprising settlers conferred upon the new nation its prosperity cohesion stability and defining cultural characteristics Grant was concerned that then recent waves of immigration from poorer parts of Europe would lead to social instability division economic decline and a growing underclass He also thought that the failure to deal with problems left by slavery stored trouble for the future Grant s represents today an unfashionable opinion and his framework of analysis not to mention his Nordicist bias makes him seem somewhat outdated

Yet he remains historically important in his day Grant enjoyed support with much of the old WASP establishment including academics politicians and scientists who were leaders in their field What is more nearly half a century since the restrictive immigration legislation for which he campaigned was reversed the old arguments have not gone away as in Europe they are being updated and revisited in the United States which is now more socially unstable more divided less prosperous and with a much greater underclass than before This despite strenuous efforts by Grant s opponents over the past century Worse still the founding stock of the United States is now in steep decline just as Grant predicted it would without targeted policies this and the implications of that decline makes him even more relevant today than he was in his lifetime Following the Anti Defamation League s efforts to suppress the book in 1933 there has not been a professional edition in print for the last eighty years This edition has been meticulously annotated making it a resource for casual readers and scholars alike It also comes with all the original maps an expanded index a foreword by Richard Spencer of the National Policy Institute and cover artwork by Alex Kurtagic

I Am Heartily Ashamed Gavin K. Watt, 2010-06-21 Although this book stands on its own merits it should be recognized as a sequel to Volume I A dirty trifling piece of business which describes the Canadian campaign of 1781 against the United States frontiers Introd Fort Johnson, Amsterdam, New York Mendel, Mesick, Cohen, 1977 Old Fort Johnson was a two story stone house enclosed in fortifications built by Sir William Johnson about 1749 in the town of Amsterdam Montgomery County New York While the fortifications no longer exist the house remains and is owned and operated as a museum by the Montgomery County Historical Society It was designated a National Historic Landmark in 1972

Revolutionary War Almanac John C. Fredriksen, 2006 Offering a day by day chronology of the people and events important to the American Revolution this title provides a look at this historic time It covers people battles and other details and includes more than 130 maps photographs and illustrations pair with an index a bibliography cross references and a chronology

King's Men Mary Beacock Fryer, 1980-01-01 King s Men is the story of the Loyalist regiments who became the soldier founders of the Province of Ontario the Loyal Colonials who joined the Provincial Corps of the British Army Canadian Command during the American revolution Mythology on the United Empire Loyalists who founded two Canadian provinces is ingrained We often envisage loyal families marching out of the victorious United States at the close of the American Revolution But these myths lead us to overlook a fascinating period in the lives of one group of Loyalists the soldiers who became Ontario s founders By the time the Treaty of Separation was signed in 1783 four full strength corps were serving in Canada These were the Royal Highland Emigrants placed on the regular establishment in 1778 as the 84th Foot the King s Royal Regiment of New York Butler s Rangers and the Loyal Rangers A fifth corps the King s rangers amounted to three full companies A detailed study on what these Provincials achieved is long overdue King s Men fills a gap in tracing the lives of these United Empire Loyalists who first fought under British command and spent a difficult period as displaced persons in Canada people whose only desire was to return to their homes in Britain s older colonies till

the time when they accepted Canada as a new homeland *Gavin K. Watt's Revolutionary Canadian History 5-Book Bundle*
Gavin K. Watt, 2014-07-02 This special bundle collects five titles by military history specialist Gavin K Watt This series has a unique focus The American War of Independence viewed from the perspective of British operations in the north The Burning of the Valleys concerns a decisive campaign against the northern frontier of New York in the fifth year of the war A Dirty Trifling Piece of Business is about operations in the sixth year including in the south In Poisoned by Lies and Hypocrisy Watt explores the first two campaigns of the American Revolution through their impact on Canada and describes how a motley group of militia American loyalists and British regulars managed to defend Quebec and repel the invaders Rebellion in the Mohawk Valley concerns the campaign that led to the destruction of British held Fort Ticonderoga These titles are essential reading for military history early Canadian history and War of Independence history buffs Includes The Burning of the Valleys A Dirty Trifling Piece of Business I Am Heartily Ashamed Poisoned by Lies and Hypocrisy Rebellion in the Mohawk Valley *Gavin K.
