Siren And Selected Writings:

The Siren and Selected Writings Giuseppe Tomasi di Lampedusa, 1995 Although best known as author of a singular masterpiece *The Leopard* the Prince of Lampedusa left a rich and varied oeuvre that repays a careful reading The best and most representative of it is collected in this volume *Places of My Infancy* a childhood memory of the Lampedusa palace in Palermo at the turn of the century and of the great family mansion inland at Santa Margherita provides a fascinating background to the princely setting of *The Leopard* The text hitherto published had been edited and pruned by the author's widow and resulted in a somewhat impoverished version Here the author's original text with many characters and incidents earlier suppressed has been fully restored The story of *The Professor* and the *Siren* a delicious example of Lampedusa's fantasy and *The Blind Kittens* the first chapter of an unfinished novel of bourgeois Sicily that would have formed a pendant to *The Leopard* both featured as appendices to Harvill's earlier edition of the great novel They are included here together with a charming comic bitter sweet story *Joy and the Law* Giuseppe di Lampedusa's knowledge of English literature which derived from a lifetime's reading as well as from a number of extended visits to Britain as a young man bore fruit in a series of informal seminars he gave in his later years at Palermo The plan was to introduce his listeners to English writers from Bede to Aldous Huxley pausing along the way not only at the great classics but also among the lesser known Restoration poets and Victorian novelists To this as also in his shrewd and dynamic appraisal of the French novelist Stendhal he brought the lucid intellect and warmth of feeling that informs his own deeply Sicilian creative genius *The Professor and the Siren* Giuseppe Tomasi Di Lampedusa, 2014-06-17 An NYRB Classics Original In the last two years of his life the Sicilian aristocrat Giuseppe Tomasi di Lampedusa wrote not only the internationally celebrated novel *The Leopard* but also three shorter pieces of fiction brought together here in a new translation *The Professor and the Siren* like *The Leopard* meditates on the past and the passage of time and also on the relationship between erotic love and learning Professor La Ciura is one of the world's most distinguished Hellenists his knowledge however came at the cost of a loss that has haunted him for his entire life This Lampedusa's final masterpiece is accompanied here by the parable *Joy and the Law* and *The Blind Kittens* a story originally conceived as the first chapter of a followup to *The Leopard* **Da Capo: Selected Writings 1967-2004** Tom Bissinger, 2008-04-03 Da Capo is a collection of stories plays poems and journals in which Tom Bissinger takes on his world whether reading Shakespeare to a blind bag lady observing three playwrights comically vying to destroy each other's career amidst the bustle of a Korean deli or meditating on his father in a Sao Paulo swimming pool Part autobiography part story telling part poetic explorations of dream world and part social satire Bissinger conveys the theatricality of so called ordinary existence by pulling his life towards him hungering for the nuggets of mirth and meaning ultimately owning it in original daring prose He takes on the challenge of staying awake in a troubled violent world while addressing his yearning for reverie and revelation *The Collected Writings of Samuel Lover: Poetical works* Samuel Lover, 1903 **Selected Writings of**
