

Sister Kenny

Naomi Rogers

Sister Kenny:

LIFE, 1960-07-11 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. They have free access to share print and post images for personal use. Polio Wars Naomi Rogers, 2013-10-20 During World War II, polio epidemics in the United States were viewed as the country's other war. At home, they could be neither predicted nor contained, and paralyzed patients faced disability in a world unfriendly to the disabled. These realities were exacerbated by the medical community's enforced orthodoxy in treating the disease: treatments that generally consisted of ineffective therapies. *Polio Wars* is the story of Sister Elizabeth Kenny, Sister, being a reference to her status as a senior nurse, not a religious designation, who arrived in the US from Australia in 1940, espousing an unorthodox approach to the treatment of polio. Kenny approached the disease as a non-neurological affliction, championing such novel therapies as hot packs and muscle exercises in place of splinting surgery and immobilization. Her care embodied a different style of clinical practice: one of optimistic, patient-centered treatments that gave hope to desperate patients and families. The Kenny method, initially dismissed by the US medical establishment, gained overwhelming support over the ensuing decade, including the endorsement of the National Foundation for Infantile Paralysis, today's March of Dimes, America's largest disease philanthropy. By 1952, a Gallup Poll identified Sister Kenny as the most admired woman in America, and she went on to serve as an expert witness at Congressional hearings on scientific research, a foundation director, and the subject of a Hollywood film. Kenny breached professional and social mores, crafting a public persona that blended Florence Nightingale and Marie Curie. By the 1980s, following the discovery of the Salk and Sabin vaccines and the March of Dimes withdrawal from polio research, most Americans had forgotten polio, its therapies, and Sister Kenny. In examining this historical arc and the public's process of forgetting, Naomi Rogers presents Kenny as someone worth remembering. *Polio Wars* recalls both the passion and the practices of clinical care and explores them in their own terms. Sister Kenny Victor Cohn, 1975 Sister Kenny was first published in 1976. Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions. Sister Elizabeth Kenny, the Australian-born nurse, is remembered by thousands of grateful parents and grandparents of young polio patients, as well as others who were less personally affected, as the woman who successfully fought the medical profession to win acceptance of her techniques to combat the crippling effects of this disease. In this biography, Victor Cohn, a prize-winning science writer, details the life of Sister Kenny and her significant role in the history of medicine. It is an inspiring story and one which will be of particular interest to those of the present generation who are engaged in the movement for women's equality. Sister Kenny's struggle against the bitter opposition of many doctors to her concepts for the treatment of polio dramatized the then common attitude of male chauvinism on the part of the medical profession toward nurses. The biography traces Sister Kenny

s life from her birth in Australia through her early nursing career in the bush to her rise to prominence in America Much of the narrative focuses on her confrontation with the medical establishment Throughout the author writes from an objective viewpoint and in conclusion he assesses Sister Kenny s accomplishments Modern Hydrotherapy for the Massage

Therapist Marybetts Sinclair,2007-11-01 This text offers a modern approach to hydrotherapy the use of water ice steam and hot and cold temperatures to improve or maintain health as performed by massage therapists Authored by an experienced massage therapist this book presents clear uncomplicated explanations of how hydrotherapy affects the body and then demonstrates a wide variety of hydrotherapy treatments The book suggests how massage therapists may use hydrotherapy treatments before and during massage sessions or give these treatments to clients to do between sessions for faster and better results The author presents real life examples and case studies obtained through interviews with massage therapists athletic trainers physical therapists naturopathic doctors aquatic therapists and medical doctors treating patients in a medical hydrotherapy setting *Medicine's Moving Pictures* Leslie J. Reagan,Nancy Tomes,Paula A. Treichler,2007 This

groundbreaking book argues that health and medical media with their unique goals and production values constitute a rich cultural and historical archive and deserve greater scholarly attention Original essays by leading media scholars and historians of medicine demonstrate that Americans throughout the twentieth century have learned about health disease medicine and the human body from movies Heroic doctors and patients fighting dread diseases have thrilled and moved audiences everywhere amid changing media formats medicine s moving pictures continue to educate entertain and help us understand the body s journey through life Perennially popular health and medical media are also complex texts reflecting many interests and constituencies including notably the U S medical profession which has often sought if not always successfully to influence content circulation and meaning *Medicine s Moving Pictures* makes clear that health and medical media representations are more than illustrations shows their power to shape health perceptions practices and policies and identifies their social cultural and historical contexts Contributors Lisa Cartwright Vanessa Northington Gamble Rachel Gans Boriskin Valerie Hartouni Susan E Lederer John Parascandola Martin S Pernick Leslie J Reagan Naomi Rogers Nancy Tomes Paula A Treichler Joseph Turow Leslie J Reagan is an associate professor at the University of Illinois Urbana Champaign Nancy Tomes is a professor at Stony Brook University Paula A Treichler is a professor at the University of Illinois Urbana Champaign *Polio* David M. Oshinsky,2005-04-12 Here David Oshinsky tells the gripping story of the polio terror and of

the intense effort to find a cure from the March of Dimes to the discovery of the Salk and Sabin vaccines and beyond Drawing on newly available papers of Jonas Salk Albert Sabin and other key players Oshinsky paints a suspenseful portrait of the race for the cure weaving a dramatic tale centered on the furious rivalry between Salk and Sabin He also tells the story of Isabel Morgan perhaps the most talented of all polio researchers who might have beaten Salk to the prize if she had not retired to raise a family Oshinsky offers an insightful look at the National Foundation for Infantile Paralysis which was founded in the

1930s by FDR and Basil O'Connor it revolutionized fundraising and the perception of disease in America Oshinsky also shows how the polio experience revolutionized the way in which the government licensed and tested new drugs before allowing them on the market and the way in which the legal system dealt with manufacturers liability for unsafe products Finally and perhaps most tellingly Oshinsky reveals that polio was never the raging epidemic portrayed by the media but in truth a relatively uncommon disease But in baby boomer America increasingly suburban family oriented and hygiene obsessed the specter of polio like the specter of the atomic bomb soon became a cloud of terror over daily life Both a gripping scientific suspense story and a provocative social and cultural history Polio opens a fresh window onto postwar America [LIFE](#),1942-09-28 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use **Hearings** United States. Sister Kenny Introduction

In today's digital age, the availability of Sister Kenny books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sister Kenny books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sister Kenny books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sister Kenny versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sister Kenny books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sister Kenny books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sister Kenny books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sister Kenny books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sister Kenny books and manuals for download and embark on your journey of knowledge?

FAQs About Sister Kenny Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sister Kenny is one of the best book in our library for free trial. We provide copy of Sister Kenny in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sister Kenny. Where to download Sister Kenny online for free? Are you looking for Sister Kenny PDF? This is definitely going to save you time and cash in something you should think about.
