Skanda Golden Quest Series

Victor M. Corman

Skanda Golden Quest Series:

Skanda Hilda Charlton, 1992-04-01 **The Golden Quest** ,1986 Hanuman's Tale Philip Lutgendorf, 2007-01-11
Hanuman the devoted monkey helper of Rama and Sita has long been recognized as a popular character in India's ancient Ramayana epic. But more recently he has also become one of the most beloved and worshiped gods in the Hindu pantheon enshrined in majestic new temples but equally present in poster art advertising and mass media. Drawing on Sanskrit and vernacular texts, classical iconography and modern TV serials and extensive fieldwork and interviews, Philip Lutgendorf challenges the academic cliché of Hanuman as a minor or folk deity by exploring his complex and growing role in South Asian religion and culture. This wide-ranging study examines the historical evolution of Hanuman's worship, his close association with Shiva and goddesses, his invocation in tantric ritual, his physical immortality and enduring presence in sacred sites and his appeal to devotees who include scholars, wrestlers, healers, politicians and middle-class urbanites. Lutgendorf also offers a rich array of entertaining stories not previously available in English, an expanding epic cycle that he christens the Hanumayana. Arguing that Hanuman's role as cosmic middle man is intimately linked to his embodiment in a charming and provocative simian form, Lutgendorf moves beyond the Indian subcontinent to interrogate the wider human fascination with anthropoid primates as boundary beings and as potent signifiers of both Self and Other. Subject Guide to Books in Print ,1991 **The Origins of Evil in Hindu Mythology** Wendy Doniger, Wendy Doniger O'Flaherty, 1988. This work deals at length with various theories about religion prevalent at the time when Megasthenes visited India, very interesting and scholarly views have been put forth regarding investigations of Megasthenes, their reliability and the reliability of his reporters. The Secret Doctrine Helena Petrovna Blavatsky, 1993-01-01. A fountain of esoteric knowledge for deep truth seekers, this classic work examines the birth and structure of the universe and how everything has the Divine as its source. It also traces the development of humanity, drawing from sacred scriptures, mythology and legends to give a spiritual view of human beings. Volume III is an index to help readers find any topic easily. Illustrations. Bibliographie Internationale de L'histoire Des Religions ,1954 Shanmukha ,2010 International Bibliography of the History of Religions. Bibliographie Internationale de L'histoire Des Religions ,1968 World Literature Today ,1986 **Bibliography of Asian Studies** ,1996
Arts & Humanities Citation Index ,1986. A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals and indexes individually selected relevant items from over 6,800 major science and social science journals.
