*Cajun Moon* Kenneth Cowle,2005-12 *Cajun Moon* A Journey Through Time is an expression of the poet s being The selections for this premiere edition from Kenneth Cowle are a glimpse at the emotions scars and life experiences that over time shaped who he is today Ranging from deep passion to the baring of a tormented heart many of these poems evoke feelings and imagery that will touch a romantic soul There are many pieces that affirm Kenneth Cowle s belief in a loving God the essential goodness of us all and the responsibility we have to care for each other and for Mother Nature For the young at heart you will find playful poems about childish things Several of the poems are complimented by original illustrations drawn by the poet s mother Jean Cowle As a keen admirer of various structures of poetry Kenneth includes short poems in alternative styles such as Senryu and Lantern For the most part though the poems have received a minimum of editing and may seem raw to readers looking for a collection of safe and traditional poems Line breaks and punctuation are sometimes intentionally off kilter to move the reader s eyes through a poem with changes in pace to enhance the mere reading of words You may find some of yourself in *Cajun Moon* or feel off balance for a moment or two as you read of a tempestuous journey that has come to a place of peace and acceptance The wish of Kenneth Cowle is that however you experience this collection you feel A Soul Asylum Poetry Production *The Spiritual Power of Masks* Nigel Pennick,2022-04-19 Reveals how mask rituals are akin to shamanic journeying and allow the mask wearer to personify an ancestral presence spirit deity or power Examines animal guising and shows how mask customs are tied to creation myths and the ancestral founders of a people
