The Broken Places:

The Broken Places Susan Perabo, 2001-11-03 Susan Perabo's short story collection *Who I Was Supposed to Be* was named a Best Book of 1999 by the Los Angeles Times, The Miami Herald and the St Louis Post Dispatch. The Boston Globe proclaimed the debut a stunning introduction to a fresh new literary talent. Now Susan Perabo returns with *The Broken Places*, her eagerly anticipated novel about love and honor and how the aftermath of one terrifying night and one heroic act affects a close knit family. Twelve year old Paul Tucker knows his family is something akin to royalty in small town Casey, Pennsylvania. His father, Sonny, is a dedicated career fireman in line for the position of chief long held by Paul's late grandfather, a local legend whose heroics continue to occupy the hearts and minds of all who knew and worked with him. Paul's mother, Laura, is a math teacher at the high school. Paul is sometimes annoyed by her worries over him and her apparent lack of worry over his father, but his life is generally untroubled. His future is bright, his time measured by sport seasons. But on a windy October day, the collapse of an abandoned farmhouse forever alters the fates and perceptions of Paul, his family, and those closest to them. Sonny and the other Casey firemen attempt a dangerous rescue to reach a teenager buried under the rubble, and when Sonny himself is trapped by a secondary collapse, Paul, his mother, and the crowd of onlookers believe the worst. The wait is excruciating; it's baby Jessica all over again, but this time the innocent victim is sixteen year old Ian Finch, a swastika tattooed hoodlum who may have brought the house down on himself while building bombs. Still, when Sonny emerges from the rubble hours later, the maimed teenager in his arms, the rescue becomes a minor miracle and a major public relations event, a validation of all things American and true. Sonny is immediately hailed as a national hero. And Paul's life is suddenly and irrevocably changed. Beyond the limelight, the parades, and the intrusion of the national media into a quiet and predictable life, the Tucker household balance is upset. And Ian Finch's curious and continued involvement in Sonny's life creates a new and troubling set of hurdles for Paul to overcome. Somehow, though his father has been saved, he continues to slip through Paul's fingers. Secrets, lies, and changing alliances threaten Paul's relationship with his father and his mother and his understanding of what holds a family and a town together. *The Broken Places* is a brilliant meditation on the psychology of heroism, the definition of family, and the true meaning of honor. With pitch perfect dialogue, subtle but stunning insights, and a dazzling ability to uncork the quiet power of each character, Susan Perabo's *The Broken Places* uncovers and celebrates the unsettling truths of human nature.

The Broken Places Mia Sheridan, 2024-10-29 In this twisted journey into the shadows of the Golden Gate, an inspector and an FBI agent must track down the source of an unknown drug, but their attraction and their own secrets keep getting in the way. The streets of San Francisco aren't as sunny as the city pretends they are. Inspector Lennon Gray has learned this the hard way, and it's starting to wear on her. When a new case plunges her into the depths of the transient community, Lennon must once again face ugly truths about humanity. Her new partner makes things a little easier, though Agent Ambrose Mars is charming, innocent, somehow, despite his own hard years in the field. The combination

leaves Lennon fascinated and disturbed at the same time and she's even more drawn to him for it. As they investigate the hallucinogenic drug that's forcing homeless citizens into bizarre and dangerous role plays, Lennon and Ambrose find their relationship intensified with every new twist. But when these revelations begin to uncover secrets she wasn't prepared to know, Lennon will have to decide how much more she can take before something important is taken from her. [The Broken Places](#) Frances Peck, 2022-04 Vancouver A day like any other. Kyle, a successful cosmetic surgeon, is punishing himself with a sprint up a mountain. Charlotte, wife of a tech tycoon, is combing the farm belt for local cheese and a sense of purpose. Back in the city, their families go about their business: landscaping, negotiating deals, skipping school. It's a day like any other until suddenly it's not. When the earthquake hits, the city erupts in chaos and fear. Kyle's and Charlotte's families, along with two passersby, are thrown together in an oceanfront mansion. The catastrophe and conflicts that beset these wildly different people expose the fault lines beneath their relationships as they question everything in an effort to survive and reunite with their loved ones stranded outside the city. Frances Peck's debut novel recalls the humanism of Ann Patchett while interrogating the excesses of the nouveau riche like Emily St. John Mandel and Douglas Coupland. **The Broken Places** Ace Atkins, 2014-05-01 A year after becoming sheriff, Quinn Colson is faced with the release of an infamous murderer from prison. Jamey Dixon comes back to Jericho preaching redemption, and some believe him, but for the victim's family, the only thought is revenge. Another group who doesn't believe him: the men in prison from Dixon's last job, an armored car robbery. They're sure he's gone back to grab the hidden money, so they do the only thing they can: break out and head straight to Jericho themselves. Colson and his deputy, Lillie, know they've got their work cut out for them. But they don't count on one more unwelcome visitor: a tornado that causes havoc just as events come to a head. Communications are down, the roads are impassable, and the rule of law is just about to snap. *Strong at the Broken Places* Selwyn Hughes, 2003-04 *All the Broken Places*, 2013 破城 John Boyne, 2023-02-22 Traditional Chinese edition of *All the Broken Places* **The Broken Places** Joseph Dionne, 1972-01-01 **All the Broken Places** M. John Irving. From the New York Times bestselling author John Boyne, a stunning tour de force about a woman who must confront the sins of her own terrible past and a present in which it is never too late for bravery. Ninety-one-year-old Gretel Fernsby has lived in the same well-to-do mansion block in London for decades. She lives a quiet, comfortable life despite her deeply disturbing dark past. She doesn't talk about her escape from Nazi Germany at age twelve. She doesn't talk about the grim postwar years in France with her mother. Most of all, she doesn't talk about her father, who was the commandant of one of the Reich's most notorious extermination camps. Then a new family moves into the apartment below her. In spite of herself, Gretel can't help but begin a friendship with the little boy, Henry, though his presence brings back

memories she would rather forget One night she witnesses a disturbing violent argument between Henry's beautiful mother and his arrogant father one that threatens Gretel's hard won self contained existence Immersive chilling unputdownable All the Broken Places moves back and forth in time between Gretel's girlhood in Germany and present day London Here Gretel is at a similar crossroads to the one she encountered long ago Then she denied her own complicity but now faced with a chance to interrogate her guilt grief and remorse she can choose to save a young boy If she does she will be forced to reveal the secrets she has spent a lifetime protecting This time she can make a different choice than before whatever the cost to herself
