Unsettling Jewish Knowledge Anne C. Dailey, Martin Kavka, Lital Levy, 2023-09-08 Spanning the fields of literature history philosophy and theology Unsettling Jewish Knowledge adopts a fresh approach to the study of Jewish thought and culture By creatively foregrounding the role of emotions senses and the imagination in Jewish experience the book invites readers to consider what it means for Jewish identity and experience to be constituted outside the frameworks of reasoned thought and inquiry The collection s eight essays offer innovative and provocative approaches to a diverse array of topics including modern Jewish Christian relations the book of Isaiah contemporary Jewish fiction and philosophical meditations on Jewish

law Their bold interpretations of Jewish texts and histories are centered on questions of faith loss prejudice and enchantment and the darker implications of these questions The book s essays also illuminate the importance of desire as a key motivating force in the pursuit of knowledge Weaving together insights from several disciplines Unsettling Jewish Knowledge challenges us to grapple with the unexpected the unconventional and the uncomfortable aspects of Jewish experience and its representations Contributors Anne C Dailey John Efron Yael S Feldman Galit Hasan Rokem Martin Kavka Lital Levy Shaul Magid Eva Mroczek Paul E Nahme Eli Schonfeld Shira Stav A Jewish Guide in the Holy Land Jackie Feldman,2016-04-11 For many Evangelical Christians a trip to the Holy Land is an integral part of practicing their faith Arriving in groups most of these pilgrims are guided by Jewish Israeli tour guides For more than three decades Jackie Feldman born into an Orthodox Jewish family in New York now an Israeli citizen scholar and licensed guide has been leading tours interpreting Biblical landscapes and fielding questions about religion and current politics In this book he draws on pilgrimage and tourism studies his own experiences and interviews with other guides Palestinian drivers and travel agents and Christian pastors to examine the complex interactions through which guides and tourists co produce the Bible Land He uncovers the implicit politics of travel brochures and religious souvenirs Feldman asks what it means when Jewish Israeli guides get caught up in their own performances or participate in Christian rituals and reflects on how his interactions with Christian tourists have changed his understanding of himself and his views of religion *A Guide to Jewish Knowledge, By Chaim Pearl and Reuben S. Brookes. With a Foreword by Isidore Epstein* Chaim Pearl,1956 **An Introduction to the Critical Study and Knowledge of the Holy Scriptures** Thomas Hartwell Horne,1852 *Jewish Education* Ari Y Kelman,2024-05-17 Most writing about Jewish education has been preoccupied with two questions What ought to be taught And what is the best way to teach it Ari Y Kelman upends these conventional approaches by asking a different question How do people learn to engage in Jewish life This book by centering learning provides an innovative way of approaching the questions that are central to Jewish education specifically and to religious education more generally At the heart of Jewish Education is an innovative alphabetical primer of Jewish educational values qualities frameworks catalysts and technologies which explore the historical ways in which Jewish communities have produced and transmitted knowledge The book examines the tension between Jewish education and Jewish Studies to argue that shifting the locus of inquiry from what people ought to know to how do people learn can provide an understanding of Jewish education that both draws on historical precedent and points to the future of Jewish knowledge

The Jews of Provence and Languedoc Ram Ben-Shalom,2024-05-08 This exhaustive history of Proven al Jewry examines the key aspects of Jewish life in Provence over some 1 500 years of cultural florescence with far reaching consequences A seminal examination of the crucial role of the Jews of Provence in shaping medieval Jewish culture in the Mediterranean basin Abraham Abulafia's Esotericism Moshe Idel,2020-10-12 The series Studies and Texts in Scepticism contains monographs translations and collected essays exploring scepticism in its dual manifestation as a purely philosophical

tradition and as a set of sceptical strategies concepts and attitudes in the cultural field especially in religions perhaps most notably in Judaism In such cultural contexts scepticism manifests as a critical attitude towards different dimensions and systems of secular or revealed knowledge and towards religious and political authorities It is not merely an intellectual or theoretical worldview but a critical form of life that expresses itself in such diverse phenomena as religion literature and society Further book series of the Maimonides Centre for Advanced Studies are Jewish Thought Philosophy and Religion and the Yearbook of the Maimonides Centre for Advances Studies Progressive Minds, Conservative Politics Aryeh Tepper, 2013-12-01 Compelling account of Strauss's mature Maimonidean writings Leo Strauss 1899-1973 one of the preeminent political philosophers of the twentieth century was an astute interpreter of Maimonides's medieval masterpiece The Guide of the Perplexed In Progressive Minds Conservative Politics Aryeh Tepper overturns the conventional view of Strauss's interpretation and of Strauss's own mature thought According to the scholarly consensus Strauss traced the well known contradictions in the Guide to the fundamental tension in Maimonides's mind between reason and revelation going so far as to suggest that while the Jewish philosopher's overt position was religiously pious i.e. on the side of Jerusalem secretly he was on the side of reason or Athens In Tepper's analysis Strauss's judgments emerge as much more complex than this and also more open to revision In his later writings Tepper shows Strauss pointed to contradictions in Maimonides's thought not only between but also within both Jerusalem and Athens Moreover Strauss identified and identified himself with an esoteric Maimonidean teaching on progress progress within the Bible beyond the Bible and even beyond the rabbinic sages Politically a conservative thinker Strauss like Maimonides located man's deepest satisfaction in progressing in the discernment of the truth In the fullness of his career Strauss thus pointed to a third way beyond the modern alternatives of conservatism and progressivism
