Tristram of Blent Anthony Hope,1927 Here is a rattling good story Mr Hope has often furnished us with tales answering that description before but they were performances of a different order Whereas his previous successes have been stories of incident this is a novel of character The vein of *Zenda* can easily be worked out but the success of *Tristram of Blent* can be repeated indefinitely to a satisfied audience It is the kind of story Anthony Trollope might write if he were abridged reincarnated brought up to date and given a touch of the divine fire to vivify the carefully shaped clay of his puppets Both in plot and workmanship the story is much better than any of Mr Hope's former attempts in the same line It seems to mark his achievement of mastery in this kind and holds out the promise of an indefinite number of clever novels of social life to accompany the present generation on its way down the shady side of life

whose earlier translations of Pavese's fiction were acclaimed by Leslie Fiedler as absolutely lucid and completely incantatory
