Harlan Angello, 2021-01-13 When Ray is asked to investigate Crow's Cottage, the whole team are on board. A mysterious figure is spotted, a missing model, a dead record producer, and links to the Occult. All good ingredients to a great TV show. Chloe was a good addition to the team, fresh faced and not afraid to confront supernatural beings. She quickly became an integral part of the group and even with her own problems, she did not let this get in the way of the story. With Kate and Henry not in the story, it enables you to learn more about Ray and Charles and they did have a bigger part to play in this story. Charles came across more confident in this story and uses his connections with the supernatural community to help learn more about the history of the Mephisto Arcane and the group who created it. With Crow's Cottage having so much history, a lot of the story is based around the team doing the research for the show. As you follow the team on their research, you learn about the residents of the cottage. As the team find out more information, uncovering more secrets, the further they look, you soon realise it is not just a simple haunting but blackmail and murder **The London**, 1867 *The Evil Eye; or, The Black Spector* William Carleton, 2018-09-20 Reproduction of the original *The Evil Eye or The Black Spector* by William Carleton
