*Revivals, Awakening and Reform* William G. McLoughlin, 1978 In *Revivals Awakenings and Reform* McLoughlin draws on psychohistory sociology and anthropology to examine the relationship between America's five great religious awakenings and their influence on five great movements for social reform in the United States He finds that awakenings and the revivals that are part of them are periods of revitalization born in times of cultural stress and eventuating in drastic social reform Awakenings are thus the means by which a people or nation creates and sustains its identity in a changing world This book is sensitive thought provoking and stimulating It is must reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin's suggestive outline none can remain unmoved by the insights he has provided on the subject

Christian Century This is one of the best books I have read all year Professor McLoughlin has again given us a profound analysis of our culture in the midst of revivalistic trends Review and Expositor

**A Spiritual Awakening** Tommy Zito, 2011-07-28 THIS BOOK WILL RELEASE YOU TO DO THE WILL OF GOD FOR YOUR LIFE In *A Spiritual Awakening* revivalist Tommie Zito releases Christians to do the will of God with fearless faith With years of successful evangelism to his credit the author boldly decries the state of the Sunday morning ritual The voice of the Lord is relegated to pointless sermons and denominational drivel Religion has paralyzed the passion and desire of the believer to do the will of God The Church is

suffocating under the spirit of slumber while believing all is well BUT THERE IS HOPE YOU You and millions like you have the call the passion and the desire to do what religion and its accompanying litany of legalism can never accomplish You can change the world your country your city your neighborhood your home Zito calls on believers to the last day Church s mandate to be a house of prayer if it is to move in an anointing which will make the world take notice of the Most High God Zito notes A church bulletin contains more social activities and outings than times set aside to really pray and seek the Father s face The power of the Holy Spirit awaits all those who will respond to the burden of this book to shake off religious irrelevancy and to do the will of God despite all opposition
