Education you receive the concentrated expertise of renowned experts overview in the book preview embedded in an
integrated knowledge system with premium content and 75% advantage At the same time you do good and support
sustainable projects Because everyone experiences magical moments in everyday life whether it is when meeting and
communicating with other people or because wonderful events often happen on a large or small scale The problem however
is that we have often forgotten to even see these positive things This is often due to many unconscious beliefs that cause
fears and positive associations downright buried In addition our brain is geared to perceive negative events in particular and
we train to do so a little more every day It is not uncommon for us to become downright mistrustful until we get stuck But
this is a mistake We miss out on the numerous opportunities to do something together with other people and give away many
chances in life Therefore it is tremendously important to consciously focus on positive thinking and to consciously perceive
the beautiful experiences Only those who recognize in this way what their own heart needs and act accordingly can be truly
happy authentic and self determined This book shows how to regain a positive attitude and train your confidence in other
people and in your own perception in order to become successful With its integrated knowledge system and Info on Demand
concept the publisher not only participated in an EU funded program but was also awarded the Global Business Award as
Publisher of the Year Therefore by purchasing this book you are also doing good The publisher is financially and personally
involved in socially relevant projects such as tree planting campaigns the establishment of scholarships sustainable
innovations and many other ideas The goal of providing you with the best possible content on topics such as career finance
management recruiting or psychology goes far beyond the static nature of traditional books The interactive book not only
imparts expert knowledge but also allows you to ask individual questions and receive personal advice In doing so expertise

and technical innovation go hand in hand as we take the responsibility of delivering well researched and reliable content as well as the trust you place in us very seriously Therefore all texts are written by experts in their field Only for better accessibility of information do we rely on AI supported data analysis which assists you in your search for knowledge You also gain extensive premium services Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freeky available only to book buyers Additionally you can download e courses work with workbooks or engage with an active community This way you gain valuable resources that enhance your knowledge stimulate creativity and make your personal and professional goals achievable and successes tangible That s why as part of the reader community you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences Publisher and editor Simone Janson is also a bestselling author and one of the 10 most important German bloggers according to the Blogger Relevance Index Additionally she has been a columnist and author for renowned media such as WELT Wirtschaftswoche and ZEIT you can learn more about her on Wikipedia
