The Kings Whore:

The King's Curse Philippa Gregory, 2015-04-07 From the 1 New York Times bestselling author behind the Starz original series *The White Queen* comes the story of lady in waiting Margaret Pole and her unique view of King Henry VIII's stratospheric rise to power in Tudor England. Regarded as yet another threat to the volatile King Henry VII's claim to the throne, Margaret Pole, cousin to Elizabeth of York, known as the White Princess and daughter of George, Duke of Clarence, is married off to a steady and kind Lancaster supporter, Sir Richard Pole. For his loyalty, Sir Richard is entrusted with the governorship of Wales, but Margaret's contented daily life is changed forever with the arrival of Arthur, the young Prince of Wales, and his beautiful bride, Katherine of Aragon. Margaret soon becomes a trusted advisor and friend to the honeymooning couple, hiding her own royal connections in service to the Tudors. After the sudden death of Prince Arthur, Katherine leaves for London, a widow, and fulfills her deathbed promise to her husband by marrying his brother, Henry VIII. Margaret's world is turned upside down by the surprising summons to court where she becomes the chief lady in waiting to Queen Katherine. But this charmed life of the wealthiest and holiest woman in England lasts only until the rise of Anne Boleyn and the dramatic deterioration of the Tudor court. Margaret has to choose whether her allegiance is to the increasingly tyrannical king or to her beloved queen, to the religion she loves or the theology which serves the new masters. Caught between the old world and the new, Margaret Pole has to find her own way as she carries the knowledge of an old curse on all the Tudors. **The**

King's Mistress Terri Brisbin, 2010-09-01 Beautifully captures the flavor of medieval castle life and the intrigue rich Plantagenet court. Passionate and romantic, a rare delight. Booklist starred review. There were worse things than to be shackled in marriage to a handsome powerful lord who desired her, but Marguerite of Alençon was bred to be consort to a king and could not abide her fate. She had great power as Henry Plantagenet's mistress and to be set aside and promised as a bride to noble Orrick of Silloth was an insult she could not bear. Orrick knew his reluctant bride was a creature of the court with many secrets. And yet Marguerite of Alençon would make him a perfect partner, accomplished and gracious, a true Lady of the Keep if only she could release her turbulent past and embrace a passionate future in his arms. Praise for Terri Brisbin: A welcome new voice you won't want to miss. Susan Wiggs, 1 New York Times bestselling author. Lavish historical romance in the grand tradition from a wonderful talent. Bertrice Small, New York Times bestselling author. **The Kings Death** Ed

Cannon, 2019-05-31 *The Kings Death* follows the Illician Sillik as he follows up after his partial victory in *The Kings Assassin* over the dragons of Ynak and the forces of Peol. Seeking to gather more allies, Sillik recruits the aid of the fliers of Aceon and the schools of Salone where his cousin is wed to the king. Attacked by the monstrous schula and other dark creatures, Sillik moves decisively to gather certain artifacts needed to fight against the demons being summoned. Meanwhile in Illicia, a coup that will further destabilize Illicia and force his supporters to flee for their lives is underway. Dark Masters of the council of nine rise to oppose Illician interests. The final battle approaches as both sides rush to complete their preparations for a war.
