The Kitten:

The Kitten's Cooler Judy Richter, 2018-04-13 Back in the day my sisters name Carol Hofmann Thompson was a household word in the horse show world here and abroad I have been blessed with many good memories of her and others who have brightened my life To call this collection a memoir feels a bit too formal and pretentious so I prefer to say these are a gathering of good old memories of people and events in my life from the fifties to the present day There was no better decade than the 1950s to grow up in The war was over we won and Eisenhower was our president No more noble and able a man existed except possibly Churchill but he was British and even then old It was a safe world we never went to bed wondering if wed wake up to World War III Our parents never worried about where we were if they even wondered They knew wed be home at dark for dinner How different from today What is most heartening about recollecting these stories old and new is that life does indeed go on and for us horse people it is the horses who carry us forward **The Kitten's Garden of Verses**

Oliver Herford, 1911 **Andy the kitten's Forever Home Told by Andy** Rosemary Ramsdell, 2023-02-25 The story is about a ragdoll kitten s journey to his forever home It is narrated by Andy as he tells his story The story starts when he and his four sisters were old enough for adoption and separated from their mother They were together in a cage at the pet store where faces would appear to look at them and talk to them It tells of their daily routine and different personalities and interactions with the staff How they became more comfortable with the faces at the cage until the first girl kitten was taken and did not return They missed her and were upset that she was gone The boy kitten was emotionally effected the most and wanted to understand why He never got an answer to that question as he was next to be taken from the cage He was adopted by a woman who had been looking for a male ragdoll kitten for quite some time It was by fate that the two came together The woman had a disability and was at a vulnerable time in her life This is their story A story of sadness laughter and love
